The Essential Writings Of Christian Mysticism Modern Library Cl:

The Essential Writings of Christian Mysticism Bernard McGinn, 2006-12-12 This clear and comprehensive anthology culled from the vast corpus of Christian mystical literature by the renowned theologian and historian Bernard McGinn presents nearly one hundred selections from the writings of Origen of Alexandria in the third century to the work of twentieth century mystics such as Thomas Merton. Uniquely organized by subject rather than by author, *The Essential Writings of Christian Mysticism* explores how human life is transformed through the search for direct contact with God. Part one examines the preparation for encountering God through biblical interpretation and prayer; the second part focuses on the mystics' actual encounters with God; and part three addresses the implications of the mystical life, showing how mystics have been received over time and how they practice their faith through private contemplation and public actions. In addition to his illuminating Introduction, Bernard McGinn provides accessible headnotes for each section as well as numerous biographical sketches and a selected bibliography. Praise for *The Essential Writings of Christian Mysticism*: No one is better equipped than Bernard McGinn to provide a thorough and balanced guide to this vast literature. This is an anthology which deserves to be read not only by those who study Christian history and theology but by believers who long to deepen their own lives of prayer and service. *Anglican Theological Review*. Bernard McGinn, a preeminent historian and interpreter of the Christian mystical tradition, has edited this fine collection of mystical writings, organizing them thematically. McGinn offers helpful introductions to each thematic section, author, and entry as well as a brief critical bibliography on mysticism. Published in the Modern Library Classic series, this is a great value. *Christian Century*. No one is better equipped than Professor McGinn to provide a thorough and balanced guide to this vast literature. A first class selection by a first class scholar. Rowan Williams, Archbishop of Canterbury. This accessible anthology by the scholarly world's leading historian of the Western Christian mystical tradition easily outstrips all others in its comprehensiveness, the aptness of its selection of texts, and in the intelligent manner of its organization. Denys Turner. Horace Tracy Pitkin, Professor of Historical Theology, Yale Divinity School. An immensely rich anthology assembled and introduced by our foremost student of mysticism. Both the scholar and the disciple will find God's plenty here. Barbara Newman, Professor of English Religion and Classics, John Evans, Professor of Latin, Northwestern University. An unusually clear and insightful exposition of major texts selected by one of the greatest scholars in the field of Christian mysticism, based on his vast erudition and uniquely sensitive interpretation. Like his other books, this one too is destined to become a classic. Professor Moshe Idel, Hebrew University, Jerusalem. **Italian Literature Before 1900 in English Translation** Robin Healey, 2011-01-01 *Italian Literature before 1900 in English Translation* provides the most complete record possible of texts from the early periods that have been translated into English and published between 1929 and 2008. It lists works from all genres and subjects and includes translations wherever they have appeared across the globe. In this annotated bibliography, Robin Healey covers over 5,200 distinct editions of pre-1900 Italian writings. Most entries are

accompanied by useful notes providing information on authors works translators and how the translations were received Among the works by over 1 500 authors represented in this volume are hundreds of editions by Italy s most translated authors Dante Alighieri Niccol o Machiavelli and Giovanni Boccaccio and other hundreds which represent the author s only English translation A significant number of entries describe works originally published in Latin Together with Healey s Twentieth Century Italian Literature in English Translation this volume makes comprehensive information on translations accessible for schools libraries and those interested in comparative literature Pub desc Beyond the Body James J. Heaney,2014-09-29 The Eucharist has become the central act of Christian life and worship Unresolved disagreements about it however remain as obstacles to religious unity and to developing a eucharistic spirituality adapted to the unpredictable standards of a deconstructed critically driven postmodern age Beginning with a reassessment of medieval realist doctrines of the Eucharist Beyond the Body argues that the real meaning of the Words of Institution is their use in fulfilling the Last Supper command of Jesus to be remembered Where traditional doctrines of the Eucharist and their corresponding forms of piety dead end in intellectual conundrum or disembodied symbolism that command evokes a world of transformative events with the historical Jesus of the Last Supper as real and constant partner As an antitheology the task of this book is to sketch the intellectual footprint of a nonmetaphysical eucharistic faith Setting aside traditional approaches however will have been worth it only if this enables a eucharistic belief that meets the needs of and is fruitful for religious life in general Its ultimate goal is to refocus eucharistic piety on the liturgical act itself as a transformative event united in time with the person of Jesus in both remembrance and thanksgiving **Monastic Perspectives on Temporality** Riitta Hujanen,2023-08-07 In this book Riitta Hujanen explores temporality in the context of Catholic enclosed contemplative traditions It investigates based on literature and other sources what enclosed contemplatives might say about temporality through their monastic journeys What makes a young person decide to dedicate their life inside a cloister Do contemplatives have a preference for eternity over temporal time How does the enclosed contemplative life impact one s concept of time How is time perceived towards the end of one s monastic journey What is seen when looking back to the years in the enclosed contemplative life What is experienced at the hour of death The answers to these questions illustrate a paradoxical dynamic in monastic journeys that cover a broad historical scope from the earliest monastic writers to contemporary sources **Partakers of the Divine** Jacob Holsinger Sherman,2014 Exploring the meeting of mystical and philosophical theology Partakers of the Divine shows that Christian philosophical and contemplative practices arose together and that throughout much of Christian history philosophy theology and contemplation remained internal to one another Sherman demonstrates that the relation of philosophy theology and contemplation to one another provides theologians and philosophers of religion today with a way forward beyond many of the stalemates that have beset discussions about faith and reason the role of religion in contemporary culture and the challenges of modernity and postmodernity *Religious Experience in Modern Poetry* Ewa

Panecka,2019-10-17 This study on religious experience in modern poetry features innovatory and accessible close readings of some of the most beloved authors of English verse In today s seemingly secular age religion still remains a highly contested subject The selection of texts analysed here is representative of a wide spectrum of attitudes including a sharply critical refusal to acknowledge Christianity as the basis of civilization Some poets see national religion as a framework for cultural identity while others worship nature as the omnipotent Force of Life trying to create their own gods Rather than reducing poetry to a background for philosophical analysis or theological deliberation this book presents diverse modes of the poetic endeavor to capture and convey the divine The chapters provide a range of perspectives on individual experience rendered into poetry as a subtle relationship between faith perception and language The text will be of interest to anyone looking for new ways of reading poetry as a spiritual guest Modern Buddhist and Christian Mysticism Charles M. Mueller,Peter

Richardson,2025-03-01 Investigations of mysticism often focus on the past while largely ignoring current developments This book contributes to a reversal of that trend with a rigorous examination of a wide selection of contemporary Buddhist and Christian authors The focus is on the intriguing intersections and subtle divergences now emerging in areas such as ineffability nonconceptuality paradox inverted agency unity and self dissolution The analysis combines the theoretical framework of Cognitive Linguistics with a range of methodological approaches from discourse and thematic analysis to corpus linguistics Wide ranging systematic and informative the book is invaluable to all of those interested in the phenomenon of mysticism within the modern world *The Modern Library Civil War Bookshelf 5-Book Bundle* Ulysses S.

Grant,Harriet Beecher Stowe,Stephen Crane,Jefferson Davis,Abraham Lincoln,2012-06-11 Like no other event in our history the Civil War divided the nation redrew our notions of freedom and citizenship and provided the backdrop for some of the most enduring works in the American literary canon This Modern Library eBook bundle collects five titles that illuminate that transformative conflict Personal Memoirs of Ulysses S Grant the classic novels Uncle Tom s Cabin and The Red Badge of Courage The Essential Writings of Jefferson Davis and The Life and Writings of Abraham Lincoln PERSONAL MEMOIRS OF ULYSSES S GRANT The memoirs of the legendary Union general chart the fortunes that shaped his life and character from his frontier boyhood to his heroics in battle to the grinding poverty from which the Civil War rescued him Among autobiographies of great military figures Grant s is considered one of the finest UNCLE TOM S CABIN Abraham Lincoln called Uncle Tom s Cabin the book that made this great war Langston Hughes called it a moral battle cry Harriet Beecher Stowe s classic novel offers a shockingly realistic depiction of slavery and a portrait of human dignity in the most inhumane circumstances THE RED BADGE OF COURAGE One of the greatest works of American literature The Red Badge of Courage gazes fearlessly into the bright hell of war through the eyes of one young soldier the reluctant Henry Fleming Stephen Crane s novel imagines the Civil War s terror and loss with an unblinking vision so modern and revolutionary that critics hailed it as a work of literary genius JEFFERSON DAVIS THE ESSENTIAL WRITINGS The Confederate president is one of the most

complex and controversial figures in American political history Editor William J Cooper combs through the authoritative Papers of Jefferson Davis for this selection of letters major speeches and public and private writings Collectively they present a multifaceted portrait of a man who continues to fascinate scholars and Civil War buffs alike THE LIFE AND WRITINGS OF ABRAHAM LINCOLN The greatest of all American presidents left us a vast legacy of writings some of which are among the most famous in our history From the plainspoken eloquence of the Gettysburg Address to the soaring rhetoric of his Second Inaugural this marvelous volume serves as a guide to Lincoln s life through his speeches letters and public remarks
