The Fajitas And Beer Convention:

The Fajitas and Beer Convention Rodriguez, Roger, 2015-03-12 The story begins with the passing of little Manolo's mother. She left instructions with their ranch hand Salvador to deliver Manolo to their only family in the northern part of Mexico. Along the way, Manolo and Salvador encounter great adventures including a sinister drunk, a deceiving carnival owner, a magician, and the beautiful Paloma. The adventure does not end in northern Mexico. When Manolo and Salvador accidentally enter the United States on a train, they find themselves walking the streets of an American border town. Here they come across a wealthy neighborhood where ten Mexican gardeners are preparing to have a social. They explain that they all work for wealthy men who are using the funds from their businesses to take vacations, meanwhile writing these off as conventions. So every time their bosses leave, they use their houses to have their own conventions with fajitas and beer. Each of the men tells a tale during one of these socials, each with its own plot, moral lesson, and satire. **Six** Roger

Rodriguez, 2016-04-17 When psychiatrist Duane Johnson reads his wife's diary, he learns the disturbing fact that during a short break-up just prior to getting married, his wife Zulema had sex with six men. One would think that as a psychiatrist, he would be able to manage the emotions involved in learning something like this, but his emotional condition spirals out of control. Things get worse for him when his very sexy and voluptuous sister-in-law Julisa comes into the picture. He reasons that he can create a balance in the relationship with his wife if he found six girls to sleep with of his own. The journey of the first five is wild enough, but when he becomes obsessed with Julisa having to be the sixth girl, his life takes a turn for the worst. For Duane, what seemed like a simple plan of vindication transforms into a crazy intrigue of sexual exploits, emotional imbalance, and even murder. Still, this does not compare to the ironic ending that sends Duane into a permanent state of emotional confusion. Roger Rodriguez's **Six** is a page-turner to the highest degree. A cautionary tale of lust, obsession, and jealousy where you can't help but look to see just how far down the rabbit hole goes for our protagonist or if he'll ever be able to climb back out of those dark depths of the human psyche. Dylan Herin Soule, Director/Producer. An amazing story driven by passion. Not your average love story. Actor Bobby Hernandez. Not your typical romance. Excellent romantic thriller and a must-read. Journalist News Anchor Ann Hutyra. **The Muscle Car Wars** Miller, B. J., 2015-03-12

The Muscle Car Wars tells the story of a young man who suffers a traumatic head injury and while recuperating becomes involved in rebuilding and racing the powerful muscle cars of the 1960s and 70s. The book chronicles the major historical and cultural events of that era, including the Vietnam War, while weaving a tale of teen romance amid tumultuous student protests and dangerous street races. Writing from experience, the author captures the essence of the time, putting the reader in the driver's seat of the greatest street machines ever produced while retelling classic gear-head tales and providing a running commentary on every subject from religion to politics, drug use, the sexual revolution, and romantic love. **Sky Gazer** Alan Holder, 2016-04-04 Firmly rejecting the unabashed subjectivity and accompanying impenetrability of much contemporary verse, Alan Holder's **Sky Gazer**
