The Fire Bird:

The Firebird's Vengeance Sarah Zettel, 2012-05-01 Magic and the force of destiny propelled Bridget Lederle across the void between worlds through the Land of Death and Spirit to the world of Isavalta where she discovered secrets about herself and her family that had been hidden since before her birth. It seems like only yesterday that a charismatic stranger swept her from her home on the shore of Lake Superior and took her on an impossible journey to a strange bejeweled world where sorcery could spring from the simplest of patterns with most serious effect. In Isavalta she also discovered magical powers she had never suspected she possessed before her transit between the worlds. More than self knowledge has changed her she is in love with Sakra a powerful sorcerer and her staunch ally. And she learns that her daughter who she thought was lost to her is alive. But that daughter is also the pawn in a dangerous game of power and politics. The powerful spells of a ruler intent on conquest threaten to destroy both mother and daughter. Torn between the contending forces of magic and empire Bridget lives an extraordinary adventure replete with unimaginable dangers. Beset by enemies on all sides she must rely on the aid of supernatural forces she can't control lest she be destroyed by a fate she cannot imagine.

Seeking The Firebird's Nest Edward Schwartz, 2005-09 Seeking the Firebird's Nest by Edward Schwartz carries the reader on a journey where Past and Present stream by the window of the author's mind. Human frailty is given voice with hope to reach happiness and teach for the Future. Esoteric anecdotes reveal his philosophy of life developed in his personal adventures, trials and accomplishments all in a fairy tale format. Many years have passed since I was a little boy. Several times in my life the firebird has shown me her face. Did she look like the firebird from the old man's house or does everybody see his or her own firebird? I do not know. But what I do definitely know is the fact that the taste of tears caused by the firebird's appearance is the same for all of us. *From Within the Firebird's Nest*

The Firebird Susanna Kearsley, 2013-04-30. Whoever dares to seek the firebird may find the journey and its ending unexpected. Nicola Marter was born with a gift. When she touches an object, she sometimes sees images, glimpses of those who have owned it before. It's never been a gift she wants and she keeps it a secret from most people, including her practical boss Sebastian, one of London's premier dealers in Russian art. But when a woman offers Sebastian a small wooden carving for sale, claiming it belonged to Russia's Empress Catherine, it's a problem. There's no proof. Sebastian believes that the plain carving, known as The Firebird, is worthless. But Nicola has held it and she knows the woman is telling the truth and is in desperate need of the money. The sale of the heirloom could bring. Compelled to help Nicola, turns to a man she once left and still loves, Rob McMorran, whose own psychic gifts are far greater than hers. With Rob to help her see the past, she follows a young girl named Anna from Scotland to Belgium and on into Russia. There, in St. Petersburg, the once glittering capital of Peter the Great's Russia, Nicola and Rob unearth a tale of love and sacrifice, of courage and redemption, an old story that seems personal and small, perhaps against the greater backdrops of the Jacobite and Russian courts, but one that will forever change their lives.

The Firebird and the Factory Kelly Miller, Margarita Nafpaktitis, Sasha Lurye, 2007.

The firebird Igor Stravinsky, 1987-01-01. In 1910, following his successful orchestration of selections for the ballet *Les Sylphides*, the innovative young composer Igor Stravinsky was commissioned by the director of the Ballets Russes, Serge Diaghilev, to create a completely new score. The dazzling result was *The Firebird*, a work which brought overnight success to its creator and distinguished him as the most gifted of the younger generation of Russian composers. Based on Russian fairy tales, the piece, according to Grove's Dictionary of Music and Musicians, has all the coloring of a Russian child's picture book: brilliant orchestration, glowing color, an extraordinary evocative power which literally enchants the listener. Today, *The Firebird* is as popular and enthusiastically received as it was following its triumphant premiere in Paris more than a century ago. Greatly admired for its orchestrations and harmony, the composition is widely studied by practicing musicians and music students. Now, the complete score of this modern masterpiece is available in this handsome, authoritative, and inexpensive edition, which includes a list of instruments and English translations of the stage directions.
