The Foundation Of A Christian Marriage:

The Foundation of a Christian Marriage Augustine Acheampong, Joy Jallah, 2014-10-30 The Foundation of a Christian Marriage **Marriage Is for Keeps** John F. Kippley, 2002 Every engaged couple can benefit by reading this book In fact it would make excellent reading for seminary or college classes on marriage and family life Give this book to the engaged couples in your parish and talk to them about what it says Maximize Your Marriage Donald Wikoff, M.D., 2019-05-14 This is a book intended to assist couples in identifying what the Bible has to say about marriage It is not intended to represent the opinions of the author but simply to provide a structured and concise view of what the Bible has to say about marriage Since God created marriage He is clearly the one to know how best to live out married life to accomplish the purpose for which God created this institution Most couples who have been exposed to this teaching have felt that their eyes were opened to Biblical truths that were previously unknown to them or not discerned as applying to marriage The purpose of the book is to strengthen current marriages even mature ones as well as better prepare young people entering into a committed relationship to help them start off on a strong and solid foundation of truth and understanding of the roles of a man and a woman in this wonderful institution ordered and blessed by God **Christian Marriage** Alexis G. Roldan, 2017-01-19 How To Ensure That Your Christian Marriage Is Built Upon God s Word Within this book I used the analogy of marriage as a dance with God as the Master Choreographer God is the original creator and inventor of marriage so He is the one who knows and teaches His children the intricate steps of the magnificent marriage dance Each chapter of the book covers a particular aspect of married life explaining what the Bible has to say about that aspect and how it can be applied within marriages today The topics start off with the basic step of having a relationship with God This is the strong foundation on which everything else is built From there it goes on to incorporating prayer and Bible reading into your marriage When you make a regular habit of reading God s word and joining hands together in prayer you will find that your spiritual intimacy will grow We then discuss finding the rhythm of effective communication and learning to resolve conflicts The all important topic of how to handle finances is also tackled along with a section on intimacy and romance Being that a marriage between two people who love God and love each other is the ideal setting in which to raise a healthy family the topic of children could not be overlooked Household duties and chores and the challenges of balancing marriage and a career are also topics within this book And lastly we cover the joy of blessing others as every Christian is blessed in order to be a blessing to others At the end of each chapter there are a few questions for reflection which will help you to process and digest the points that have been discussed Throughout the book numerous Bible verses are quoted or referred to and you are encouraged to have your Bible at hand to look up the relevant passages and discover God s truth for themselves Every married couple wants to be happy As they exchange their vows on their wedding day their minds and hearts are filled with thoughts dreams and expectations of a happily ever after future This is good and right but what few anticipate is that it will require a large amount of perseverance

and determination on the part of each spouse A happy marriage is not going to happen automatically or easily Right priorities need to be carefully set and meticulously maintained And both spouses will need to be fully committed After all it takes two to tango and in the context of a Christian marriage it is a dance for three as Jesus stretches out His arms inviting each spouse to take His hand and learn the joyful ordered steps of the magnificent marriage dance Biblical Foundations for Premarital Counseling: A Comprehensive Guide for Priests and Christian Counselors Rev. Dr. Christine Julie Nabwire,2025-05-12 This book serves as an in depth resource for premarital counseling combining biblical teachings with practical advice It begins with the divine design for marriage emphasizing its origin as a sacred covenant reflecting God s image and Christ s relationship with the Church and highlights key aspects like companionship procreation and spiritual growth The book outlines prerequisites for marriage including spiritual maturity character qualities and emotional readiness while also providing practical assessment tools It offers a detailed initial assessment framework addressing faith foundation and relationship dynamics followed by core counseling sessions on faith roles communication intimacy and practical life together The guide includes various assessment tools biblical counseling methods and special circumstances such as previous marriages and cultural considerations It provides pre wedding guidance on ceremony planning vow writing and premarital retreats and extends support post wedding with follow up plans crisis intervention and ongoing mentorship The comprehensive approach ensures couples are well prepared for a godly marriage grounded in biblical principles and equipped to navigate the challenges of married life Creating a Successful Christian Marriage Cleveland McDonald,Philip McDonald,2008-04-01 This classic text written by a father and son team looks at the nuclear family as a social institution and provides guidance for interaction and adjustment during dating engagement and early marriage The authors treat such practical matters as communicating working through interpersonal differences and growing in relationships within the family They also discuss the impact of cultural expectations on family patterns and define ideal family roles developed in Scripture Other topics covered include parenting extended family relationships finances and nontraditional families Now available in paperback **Christian Marriage & Family Life** J.O.Y Aladetani,2013-07-16 The world today is grappling with the consequences of faulty family values practised by past generations God cherishes the family unit but modern civilisation especially in the West has gradually defiled the institution of marriage and encouraged divorce and single parenting This has decreased respect in the home and driven God out of classrooms removing Gods word from school curricula The shocking result is a moral vacuum and the breakdown of law and order in many ramifications This unfortunate situation calls for the writing of a book like this to rescue Christian families from a downward slide J O Y Aladetani's book **Christian Marriage and Family Life** addresses a relevant problem gives useful and pragmatic suggestions and provides delightful scriptural information to help married and unmarried persons alike in their desire for instruction about Christian families I pray that this book will serve as a tool to protect the institution of marriage and Christian families and that it will promote and enlarge

The Future of Christian Marriage Mark Regnerus, 2020-08-01 Marriage has come a long way since biblical times. Women are no longer property and practices like polygamy have long been rejected. The world is wealthier, healthier, and more able to find and form relationships than ever. So why are Christian congregations doing more burying than marrying today? Explanations for the recession in marriage range from the mathematical (more women in church than men) to the economic and from the availability of sex to progressive politics. But perhaps marriage hasn't really changed at all. Instead, there is simply less interest in marriage in an era marked by technology, gender equality, and secularization. Mark Regnerus explores how today's Christians find a mate within a faith that esteems marriage but in a world that increasingly yawns at it. This book draws on in-depth interviews with nearly two hundred young adult Christians from the United States, Mexico, Spain, Poland, Russia, Lebanon, and Nigeria in order to understand the state of matrimony in global Christian circles today. Regnerus finds that marriage has become less of a foundation for a couple to build upon and more of a capstone. Meeting increasingly high expectations of marriage is difficult though in a free market whose logic reaches deep into the home today. The result is endemic uncertainty slowing relationship maturation and stalling marriage. But plenty of Christians innovate, resist, and wed, and this book argues that the future of marriage will be a religious one. *The Mystery of Christian Marriage* Peter Jeffery, 2006 Peter Jeffery explores in depth the Catholic tradition which has shaped our teaching and our living following two principal themes: marriage as covenant and family as a domestic church. He shows how the family with all its relationships is sacramental. *God's Divine Design for Christian Marriage* Larry Davis, 2008-03-29 Before God brought the woman to Adam in the Garden of Eden, God gave him responsibility which was a job. Men, you should have a place to take your new bride to live in a place that she can call her home. When you marry that special lady, you become her new daddy because her biological daddy steps down as her covering. It then becomes the husband's responsibility as her new daddy to take care of her and her needs. Instead of taking your wife to your parents' home or her parents' home, you should take her to your new home that you have prepared especially for her. This is why God says that a man must leave his mother and father and cleave to his own wife.

Christian Marriage Companion Dr. Sunny Uwadiae, 2012-08-20 Christian Marriage Companion is one of the most comprehensive and authoritative books on the biblical model of marriage and family. It is a blueprint on what an ideal Christian marriage is and how to achieve it. It exhaustively explains the ordinance and covenant of marriage, its central and peripheral purposes, role relationships of man and wife, how to push beyond intimacy into marital unity, hindrances to a happy marriage, how to resolve conflicts, and how to achieve a blissful Christian marriage. It fully examines issues such as same-sex marriage, oral sex, use of sex toys, pornography, masturbation, divorce, remarriage, effective communication, forgiveness, adultery, and active listening. With over 300 Bible references and real-life examples from marital counselling sessions, the

book covers virtually all the knowledge and skills for making a Christian marriage a true success It is a manual covering all that a person needs to know to bring full healing to their marriage making the book a veritable alternative to face to face counselling It reveals striking truths about Christian marriage that will be extremely hard to find elsewhere These include an in depth analysis of the marriage proclamation the idea that emotional and spiritual education is the central purpose of marriage the idea of spiritual divorce and the idea that Christian marriages aim at a deeper than intimate relationship Christian Marriage Companion is the kind of book you simply place on the shelf for your spouse to read in their own time They will find it absolutely compelling to read As they do so only the stone hearted will resist being reformed by it Newlywed couples and those looking to improve their marriage would find this book most useful Although it was written specifically for Christian couples of all denominations it has great potentials for positively impacting the marriages of non Christians who read it with open minds The Christian marriage ideals it teaches are unsurpassable and altruistic

The Secret Success of Marriage BRANFORD B YEBOAH,2015-05-18 Prayer has always been a vital part of Christian life By studying the prayers of men of God in the Scriptures you will begin to understand the concept of prayer The men whose prayers moved God to act were ordinary men like us Nevertheless they knew the power of prayer and its benefits The prayer these men prayed was not ordinary prayer but intense prayer People who pray with God have a relationship with Him If you carefully study Scripture you will notice that the way the prophets prayed reveals how married couples should pray to move God to intervene in their failing marriages Their prayer demonstrates the principles that can be gleaned and clearly identified and which if applied to marital life can work wonders When studied the prayers of these great men who walked with God provide a wealth of insight The New Testament offers us prayer to which we even better relate The Gospels centre on key events in the life of Christ including examples of prayer These examples do not only give us insight into the heart of Christ but also give us key instructions on how to pray

Christian Marriage David Ayers,2019-02-06 Why should we care about marriage There is a lot of confusion about the purpose of marriage today outside the church as well as within it Written by a distinguished Christian sociologist Christian Marriage is a theologically rich biblically robust and sociologically informed treatise on the nature and value of marriage Drawing on recent social science research empirical data and social history Ayers paints a picture of marriage as an institution meant for human

flourishing Along the way Ayers addresses such topics as Dating and selection of a spouse The importance of premarital counseling Sex and procreation Mentoring and supporting unmarried believers Divorce and remarriage And current controversies surrounding premarital sex and same sex marriage Though the book is academically and theologically informed it is written with a pastoral heart It seeks to provide a rich resource for pastors and counselors on a topic of supreme importance to a vibrant church and society *Our Children* Atticus Greene Haygood, 1884
