Dykstra, Jo Ann Manfra, 2017-07-15 Raised on Gunsmoke Bat Masterson and The Life and Legend of Wyatt Earp we know what it means to get outta Dodge to

make a hasty escape from a dangerous place like the Dodge City of Wild West lore But why of all the notorious violent cities of old did Dodge win this distinction And what does this tenacious cultural metaphor have to do with the real Dodge City In a book as much about the making of cultural myths as it is about Dodge City itself authors Robert Dykstra and Jo Ann Manfra take us back into the history of Dodge to trace the growth of the city and its legend side by side An exploration of murder statistics court cases and contemporary accounts reveals the historical Dodge to be neither as violent nor as lawless as legend has it but every bit as intriguing In a style that captures the charm and chicanery of storytelling in the Old West Dodge City and the Birth of the Wild West finds a culprit in a local attorney Harry Gryden who fed sensational accounts to the national media during the so called Dodge City War of 1883 Once launched the legend leads the authors through the cultural landscape of twentieth century America as Dodge City became a useful metaphor in more and more television series and movies Meanwhile back in the actual Dodge struggling on a lost frontier a mirror image of the mythical city began to emerge as residents increasingly embraced tourism as an economic necessity Dodge City and the Birth of the Wild West maps a metaphor for belligerent individualism and social freedom through the cultural imagination from a historical starting point to its mythical reflection In this the book restores both the reality of Dodge and its legend to their rightful place in the continuum of American culture The Colorado Magazine ,1929 Vignettes of Military History US Army Military History Research Collection,1978 **Standing Firmly by the Flag** James E. Potter,2013-01-01 From a pool of barely nine thousand men of military age Nebraska still a territory at the time sent more than three thousand soldiers to the Civil War They fought and died for the Union cause were wounded taken prisoner and in some cases deserted But Nebraska s military contribution is only one part of the more complex and interesting story that James E Potter tells in *Standing Firmly by the Flag* the first book to fully explore Nebraska s involvement in the Civil War and the war s involvement in Nebraska s evolution from territory to thirty seventh state on March 1 1867 Although distant from the major battlefronts and seats of the warring governments Nebraskans were aware of the war s issues and subject to its consequences National debates about the origins of the rebellion the policies pursued to quell it and what kind of nation should emerge once it was over echoed throughout Nebraska Potter explores the war s impact on Nebraskans and shows how when Nebraska Territory sought admission to the Union at war s end it was caught up in political struggles over Reconstruction the fate of the freed slaves and the relationship between the states and the federal government *The Jewish Confederates* Robert N. Rosen,2021-08-30 Details Jewish participation on the Civil War battlefield and throughout the Southern home front In *The Jewish Confederates* Robert N Rosen introduces readers to the community of Southern Jews of the 1860s revealing the remarkable breadth of Southern Jewry s participation in the war and their commitment to the Confederacy Intrigued by the apparent irony of their story Rosen weaves a complex chronicle that outlines how Southern Jews many of them recently arrived immigrants from Bavaria Prussia Hungary and Russia who had fled European revolutions and anti Semitic governments attempted to navigate the

fraught landscape of the American Civil War This chronicle relates the experiences of officers enlisted men businessmen politicians nurses rabbis and doctors Rosen recounts the careers of important Jewish Confederates namely Judah P Benjamin a member of Jefferson Davis s cabinet Col Abraham C Myers quartermaster general of the Confederacy Maj Adolph Proskauer of the 125th Alabama Maj Alexander Hart of the Louisiana 5th and Phoebe Levy Pember the matron of Richmond s Chimborazo Hospital He narrates the adventures and careers of Jewish officers and profiles the many Jewish soldiers who fought in infantry cavalry and artillery units in every major campaign *Changing Sides* Patrick H. Garrow,2023-08-18

Toward the end of the American Civil War the Confederacy faced manpower shortages and the Confederate Army following practices the Union had already adopted began to recruit soldiers from their prison ranks They targeted foreign born soldiers whom they thought might not have strong allegiances to the North Key battalions included the Brooks Battalion a unit composed entirely of Union soldiers who wished to join the Confederacy and were not formally recruited Tucker s Regiment and the 8th Battalion Confederate Infantry recruited mainly among Irish German and French immigrants Though the scholarship on the Civil War is vast *Changing Sides* represents the first entry to investigate Union POWs who fought for the Confederacy filling a significant gap in the historiography of Civil War incarceration To provide context Patrick Garrow traces the history of the practice of recruiting troops from enemy POWs noting the influence of the mostly immigrant San Patricios in the Mexican American War The author goes on to describe Confederate prisons where conditions often provided ample incentive to change sides Garrow s original archival research in an array of archival records along with his archaeological excavation of the Confederate guard camp at Florence South Carolina in 2006 provide a wealth of data on the lives of these POWs not only as they experienced imprisonment and being galvanized to the other side but also what happened to them after the war was over
