Manual of the Corporation of the City of New York New York (N.Y.). Common Council,1870 New York Federal Detention Center, City of Buffalo, Albion Site and Batavia Site ,1995 *Our Own Time* David R. Roediger,Philip S. Foner,1989-11-17 Our Own Time retells the story of American labor by focusing on the politics of time and the movements for a shorter working day It argues that the length of the working day has been the central issue for the American labor movement during its most vigorous periods of activity uniting workers along lines of craft gender and ethnicity The authors hold that the workweek is likely again to take on increased significance as workers face the choice between a society based on free time and one based on alienated work and unemployment The Upside of Down Thomas Homer-Dixon,2006 Publisher description **Records & Briefs New York State Appellate Division** , *Food Stamp Program Operations in New York State* United States.
