Greenwood, 2023-01-24 A compelling and evocative novel with an unsettling question at its heart The Golden Hour from acclaimed author T Greenwood explores the power of art to connect to heal and to reveal On a spring afternoon long ago thirteen year old Wyn Davies took a shortcut through the woods in her New Hampshire hometown and became a cautionary tale Now twenty years later she lives in New York on the opposite side of a duplex from her ex with their four year old daughter shuttling between them Wyn makes her living painting commissioned canvases of birch trees to match her clients furnishings But the nagging sense that she has sold her artistic soul is soon eclipsed by a greater fear Robby Rousseau who has spent the past two decades in prison for a terrible crime against her may be released based on new DNA evidence unless

Wyn breaks her silence about that afternoon To clear her head refocus her painting and escape an even more present threat Wyn agrees to be temporary caretaker for a friend s new property on a remote Maine island The house has been empty for years and in the basement Wyn discovers a box of film canisters labeled Epitaphs and Prophecies Like time capsules the photographs help her piece together the life of the house s former owner an artistic young mother much like Wyn But there is a mystery behind the images too and unraveling it will force Wyn to finally confront what happened in those woods and perhaps escape them at last *The Golden Hour Series* GOLDEN HOUR SERIES.,1909 **The Golden Hour** Moncure Daniel Conway,1862 An appeal for the immediate abolition of slavery *The Golden Hour* Matthew Specktor,2025-04-22 A personal and cultural exploration of the struggles between art and business at the heart of modern Hollywood through the eyes of the talent that shaped it Matthew Specktor grew up in the film industry the son of legendary CAA superagent Fred Specktor his childhood was one where Beau Bridges came over for dinner Martin Sheen s daughter was his close friend and Marlon Brando left long messages on the family answering machine He would eventually spend time working in Hollywood himself first as a reluctant studio executive and later as a screenwriter Now with *The Golden Hour* Specktor blends memoir cultural criticism and narrative history to tell the story of the modern motion picture industry illuminating the conflict between art and business that has played out over the last seventy five years in Hollywood Braiding his own story with that of his father mother a talented screenwriter whose career was cut short and figures ranging from Jack Nicholson to CAA s Michael Ovitz Specktor reveals how Hollywood became a laboratory for the eternal struggle between art labor and capital Beginning with the rise of Music Corporation of America in the 1950s *The Golden Hour* lays out a series of clashes between fathers and sons talent agents and studio heads artists activists unions and corporations With vivid prose and immersive scenes Specktor shows how Hollywood grew from the epicenter of American cultural life to a full fledged multinational concern and what this shift has meant for the nation s place in the world At once a book about the movie business and an intimate family drama *The Golden Hour* is a sweeping portrait of the American Century **The golden hour.** ,2021 **The Golden Hour** Patricia Dianne Pinter,2022-05-30 Judith s Story The story begins in the University of Wisconsin Hospital Emergency Room on a stormy November evening as doctors and nurses struggle to save Judith Von Trier s life Twenty minutes earlier Judith had crashed across the center line into oncoming headlights Critically injured under the brilliant operating lamp Judith lifts and floats near the ceiling of the trauma room looking down at herself in the scene below Defibrillator paddles slapped in place jolt her like a blast of lightning sending her into an oppressive black void In that moment she realizes she is in *The Tunnel* looking to the far off white light at the end of it A small object begins to materialize out of the light and draws closer Moments later a newborn infant girl drops into her arms Judith is struck with immediate understanding that she holds her future life her next incarnation in her arms and she knows what she must do to survive First she must travel back forty seven years to watch her life relived It is April of 1954 again Judith views her own birth

through the eyes of a newborn Her life revealed before her just as it happened a happy early childhood tragic losses first love and heartbreak She is driven to avoid any future pain and takes harsh control of her life and everyone in it until she reaches the moment of the crash again Baby s Story Then more frightening Judith must see into her possible future life as Baby should she die Judith wraithlike is compelled to watch as surreal scenes unfold before her For the second time in the span of one hour of her life she sees the moment of her own birth Judith must wait until Baby s story is finished knowing all this will happen if she dies and the terrifying white light tries to claim her She must stand by helplessly while trying to find her one chance to survive
