The Grace And Sympathy Of Christ

Octavius Winslow

The Grace And Sympathy Of Christ:

The Sympathy of Christ Octavius Winslow, 2020-01-20 One and the chief design of this volume is to exhibit and illustrate the practical character of our Lord's emotional nature thus linking Him in closer and more personal actuality with our circumstances Every endeavor to bring into more proximate communion the personality of Christ and the individuality of the Christian cannot fail however imperfect the execution to promote the holiest interests of experimental Christianity Much that passes for sympathy and is really so as commonly understood is deficient in this one essential element and needs to be remodeled There is poetry and there is beauty in real sympathy but there is more there is action True sympathy may exist impotent to aid we concede and its silent expression may not in some instances be the less grateful and soothing but the noblest and most powerful form of sympathy is not merely the responsive tear the echoed sigh the answering look it is the embodiment of the sentiment in actual help It identifies itself with the object of its commiseration so personally and so closely as to realize the apostle's beautiful idea of true sympathy Remember those who are in bonds as bound with them and those who suffer adversity as being yourselves also in the body This was preeminently the character of Christ's compassion when on earth He was willing Himself to wear the chain He came to loose to share the sorrow He came to soothe and the remembrance that He was likewise in the body constantly forced itself upon His mind imparting to His deep sensibility and tender compassion the power and the luster of an actual and personal participation in the calamities He repaired the needs He met and the griefs He assuaged Thus from His practical sympathy who is the Great Teacher of the Church and the Consolation of Israel may we derive lessons of holy instruction and streams of the richest comfort To aid this object the present volume is with diffidence offered to the Christian Church Composed under the pressure of important ministerial extended pastoral and continuous public labor it necessarily partakes of the imperfections of a work thus written and often at a season when the jaded powers both of mind and body demanded the restorative of sleep But if the lame take the prey the author may humbly hope that this lowly attempt to present the Savior more vividly to the personal realization of the reader and thus render Him more loved and precious and His example more closely studied and imitated will not be without acceptance and blessing to the one Church of God the sorrowing suffering Body of a Divine and sympathizing Head The Triune Jehovah bless the work and to the Sacred Three in One shall be the glory Amen

Being a Devotional Exposition of the Continuous Teaching of the Church Throughout the Year** Melville Scott,1902 **Spiritual Reflections for the Saint and Sinner** Octavius Winslow,2020-04-03 Shadows and Realities constitute the great contrast between earth and heaven time and eternity What shadows we are and what shadows we pursue was an exclamation once uttered upon the floor of the British Senate by Burke one of England s most eloquent statesmen not less true than solemn and sublime But the revelations of the Bible have come to displace these human these earthly shadows with divine and heavenly REALITIES The Bible is trueeternity is real We have not followed cunningly devised fables in yielding our unquestioning belief to the great and precious truths of the Gospel Experience has proved them real has demonstrated them divine We have tried the world and it has wounded us the creature and it has disappointed us the teaching of men and it has bewildered us our own hearts and they have proved deceitful above all things and desperately wicked We turn to the glorious Gospel of the blessed God and we find it through the anointing of the Holy Spirit light in darkness joy in sorrow counsel in perplexity strength in weakness and hope in despair It tells us of Jesus the loving One the mighty One the sympathizing One the faithful One the saving One and concentrating our whole soul in childlike faith upon Him we prove the Gospel divine God s Word true all it threatens and all it promises REAL The following pages will we trust in

a humble way lead the reader into a closer acquaintance with a few of these Divine Realities With them many who take up this volume may be already familiar Those who have welcomed them before as they have eagerly looked for a word of counsel and comfort at the opening of a new year may not regret to meet them again in another and more permanent form To those to whom they will be new this will explain the particular and appropriate bearing of each chapter upon this reflective and impressive period of time But believing that they contain instructive and saving sanctifying and consolatory truths suitable for the history of every day life and that they have already had the seal of the Divine blessing the author commends them with confidence in their enlarged form to the prayerful perusal of the Christian Church and to the continued favor of the

Triune God **The Christian's Highest Good** Douglas Vickers,2014-04-07 Competing worldviews cast their impact on the church and the Christian confession What does it mean to be a Christian in an age that threatens cultural dissolution Related questions press on a calm consideration of the meaning of the Christian life Who is Jesus Christ of whose salvific work the Christian confession depends Why did Jesus Christ come into the world What is to be said of the human condition following the Adamic fall which as John Milton says brought death into the world and all our woe What is the Christian s highest good the grounds on which it has life determining relevance and what are its existential implications In this closely reasoned and biblically informed examination of those questions Douglas Vickers concludes that the Christian s highest good exists in fellowship with the Father The practical and everyday significance of that fellowship is addressed at length and the meaning and prospect of each Christian s eternal life is shown to be grounded in a vital and indissoluble union with Christ
