The Great Political Theories Volume 2 By Michael Curtis:

Great Political Theories V.2 M Curtis, Michael Curtis, 2008-03-11 This carefully selected compilation of the significant writings of the great political philosophers scientists and thinkers has long been an invaluable guide to the general reader as well as to the serious student of history political science and government Such essential forces as Revolution Idealism and Nationalism are examined in detail and expounded by their leading exponents Professor Curtis has written running commentary that places the extracts and their authors in the sequence of modern history **The Great Political Theories** Michael Curtis, 1981-02 The philosophy of politics As an introduction to political theory and science this collection of writings by the great philosophers will be of close interest to general readers It also forms a basic textbook for students of government and political theory Such fundamental concepts as Democracy the Rule of Law Justice Natural Rights Sovereignty Citizenship Power the State Revolution Liberty Reason Materialism Toleration and the Place of Religion in Society are traced from their origins through their development and changing patterns to show how they guide political thinking and institutions today And new in this edition examinations of selected works by Sophocles Francois Hotman and Francisco Suarez Also new are a detailed table of contents and an up dated comprehensive bibliography each clear and concise for easy reference The second volume of Professor Curtis work also available in a Discus edition includes the writings of the eighteenth nineteenth and twentieth century thinkers from Burke Rousseau and Kant to modern times **Teaching Artist Handbook, Volume One** Nick Jaffe, Becca Barniskis, Barbara Hackett Cox, 2015-02-04 Originally published Chicago Columbia College Chicago Press 2013 *The Social Construction of Man, the State and War* Franke Wilmer, 2004-04-16 Combining detailed analysis with a close reading of historical narratives documentary evidence and first hand interviews this is the first book on conflict to look seriously at the issue of ethnic identity and what it means for future peace *Justice Without Violence* Paul Ernest Wehr, Heidi Burgess, Guy M. Burgess, 1994 A mixture of theoretical analysis and case studies from Asia Africa Europe Latin America and the Middle East this book examines non violent direct action political action economic sanctions and social movements as alternative remedies in the struggle for justice The authors thus address the basic questions that underlie current debates in international politics over the use of preventive diplomacy humanitarian intervention and international enforcement action *The Great Political Theories* Michael Curtis, 1961 **The Great Political Theories: From Burke, Rousseau and Kant to modern times** Michael Curtis, 1968 **Star Wars and Philosophy** Kevin S. Decker, Jason T. Eberl, 2005 A collection of essays that address the philosophical questions associated with the Star Wars films **The United States, China, and the Competition for Control** Melanie W. Sisson, 2024-11-22 This book considers whether the United States and the People s Republic of China have irreconcilable visions of world order The United States China and the Competition for Control evaluates the twin claims that China seeks to dismantle the post World War II international order and that the United States seeks to defend it It defines the post war order and examines

how the United States and China have behaved within and in relation to it since 1945 An analysis of the two states rhetoric and policy reveals that their preferences for international order are not as divergent as today s conventional wisdom suggests The book therefore concludes that U S policies that treat China as a threat to international order are misplaced and offers policy recommendations for how the United States can both preserve the post war order and protect its vital national interests The book will be of interest to foreign policy practitioners commentators and analysts as well as students and scholars of security studies international relations and geopolitics

Reelpolitik II Beverly Merrill Kelley,2004 With reference to eight classic American movies this text explores the political ideologies thrumming through the American psyche during the Cold War period

Changing Face of War Allan Douglas English,1998-06-02 Part I deals with the evolution of military strategy and doctrine from the Napoleonic Wars to today Contributors look at the influence of great military thinkers such as Carl von Clausewitz on the armed forces of the Western world and examine how previous military leaders dealt with issues similar to those faced today such as the effects of technology on strategy the significance of the operational level of war and ways of restructuring the armed forces in times of uncertainty and change Part II examines warfare at the end of this century Examples of the development of revolutionary warfare in Asia from Mao to Giap are used to underscore the cultural and situational influences on doctrines of revolutionary war Part III looks at the future of conflict in the twenty first century Contributors investigate diverse issues including the impact of computers on warfare the effect of media coverage on strategy space policy arms control in the post Cold War era political systems and their relationship to the probability of war and the prospects of stealth technology In an era when armed forces around the world have come under increasing scrutiny and criticism this collection of essays provides valuable lessons that may avert future military mistakes
