"The Poor, the Crippled, the Blind, and the Lame" Louise A. Gosbell, 2018-08-03 The New Testament gospels feature numerous social exchanges between Jesus and people with various physical and sensory disabilities Despite this traditional biblical scholarship has not seen these people as agents in their own right but existing only to highlight the actions of Jesus as a miracle worker In this study Louise A Gosbell uses disability as a lens through which to explore a number of these passages anew Using the cultural model of disability as the theoretical basis she explores the way that the gospel writers as with other writers of the ancient world used the language of disability as a means of understanding organising and interpreting the experiences of humanity Her investigation highlights the ways in which the gospel writers reinforce and reflect as well as subvert culturally driven constructions of disability in the ancient world

A Jew in the Roman Bathhouse Yaron Eliav, 2025-08-05 A provocative account of Jewish encounters with the public baths of ancient Rome Public bathhouses embodied the Roman way of life from food and fashion to sculpture and sports The most popular institution of the ancient Mediterranean world the baths drew people of all backgrounds They were places suffused with nudity sex and magic A Jew in the Roman Bathhouse reveals how Jews navigated this space with ease and confidence engaging with Roman bath culture rather than avoiding it In this landmark interdisciplinary work of cultural history Yaron Eliav uses the Roman bathhouse as a social laboratory to reexamine how Jews interacted with Graeco Roman culture He reconstructs their thoughts feelings and beliefs about the baths and the activities that took place there documenting their pleasures as well as their anxieties and concerns

Archaeologists have excavated hundreds of bathhouse facilities across the Mediterranean. Graeco Roman writers mention the bathhouse frequently and rabbinic literature contains hundreds of references to the baths. Eliav draws on the archaeological and literary record to offer fresh perspectives on the Jews of antiquity developing a new model for the ways smaller and often weaker groups interact with large dominant cultures. A compelling and richly evocative work of scholarship. A Jew in the Roman Bathhouse challenges us to rethink the relationship between Judaism and Graeco Roman society shedding new light on how cross cultural engagement shaped Western civilization.

Early Christian Ritual Life Richard E. DeMaris, Jason T. Lamoreaux, Steven C. Muir, 2017-11-22. Scholars across many fields have come to realize that ritual is an integral element of human life and a vital aspect of all human societies. Yet this realization has been slow to develop among scholars of early Christianity. *Early Christian Ritual Life* attempts to counteract the undervaluing of ritual by placing it at the forefront of early Christian life. Rather than treating ritual in isolation or in a fragmentary way, this book examines early Christian ritual life as a whole. The authors explore an array of Christian ritual activity employing theory critically and explicitly to make sense of various ritual behaviors and their interconnections. Written by leading experts in their fields, this collection is divided into three parts: Interacting with the Divine, Group Interactions, Contesting and Creating Ritual Protocols. This book is ideal for religious studies students seeking an introduction to the dynamic research areas of ritual studies and early Christian practice.

Traveler'S Tale — First Book: Discoverings Roger Fiola, 2015-08-20. *Traveler's Tale* is an adventure story. In this series Jack Castro, a contemporary man entering middle age, feels that something is missing from his successful business and family life. Although living on the idyllic central coast of California should be enough, he senses something more awaiting him. Several triggering events spur him suddenly and deeply into the first century Levant where a mysterious and beautiful guide leads him into direct encounters with the holiest and the unholy of biblical characters. In the face of these experiences or what he believes are true experiences, Jack discovers the Traveler he is. This catalyzes profound changes in him, changes that cannot be reversed or even stopped.

The Jerusalem Temple and the Temple Mount Joseph Patrich, 2024-04-03. The Temple eclipsed in its splendour and importance all other institutions of the Jews both in the Land of Israel and in the Diaspora. In this collection of essays, Joseph Patrich traces the architectural evolution of the Temple and the Temple Mount, combining a re-reading of literary sources with a re-evaluation of archaeological remains.

The Priority of Making Disciples Danny Clymer, 2020-08-18. Those in the church and ministry are familiar with the Great Commission, the call to go forth and make disciples. However, for many, it isn't that easy in a world increasingly influenced by doubters and distractions. Many Christian leaders may talk about it, but few really do it. Making disciples isn't a complicated program, but a simple plan that comes only from Jesus. Now a diverse group of pastors representing urban and rural communities, secular and Christian areas, as well as diverse multicultural backgrounds and all known for successfully making new disciples, have gathered these sermons to encourage others to be disciple makers too. Discover How Jesus practiced the Great Commission before He ever preached it.

Why discipleship begins with a whole life understanding of worship When disciple making gets confused with church growth efforts These and countless other insights will help guide you in a faithful deliberate effort to fulfill the Great Commission no matter where you live or what communities in which you minister Included in the book are The sermon texts and their outline formats 12 study guides one for each sermon that can be used in small group or one on one settings in the week following the preaching of the sermon A final appendix providing a self evaluation tool that helps each person being discipled to evaluate the progress they are making in their walk with Christ

Waters of Creation: A Biblical Theological Study of Baptism

Douglas Van Dorn, 2012-08-01 This is the one book on baptism that you must read It was seven years in the making The author believes that until a new approach is taken separations over the meaning mode and recipients of baptism will never be bridged This new approach traces the roots of baptism deep into the OT Scriptures When understood properly we discover that baptism is always the sign that God has used to initiate his people into a new creation Baptism in the NT is not new Rather it derives its origin from OT predecessors When we understand that baptism comes from baptism especially in its sacramental expression in the priestly covenant reasons for the NT practice begin to make perfect sense Now Baptists have an argument that infant Baptists can finally understand because we are beginning our argument in the same place Yet we continue to have very baptistic conclusions as to the mode and recipients of baptism because we root baptism in baptism rather than circumcision

s body from top to bottom yes that too and from inside out Ms Stavrakopoulou has almost too much fun The Economist The scholarship of theology and religion teaches us that the God of the Bible was without a body only revealing himself in the Old Testament in words mysteriously uttered through his prophets and in the New Testament in the body of Christ The portrayal of God as corporeal and masculine is seen as merely metaphorical figurative or poetic But in this revelatory study Francesca Stavrakopoulou presents a vividly corporeal image of God a human shaped deity who walks and talks and weeps and laughs who eats sleeps feels and breathes and who is undeniably male Here is a portrait arrived at through the author s close examination of and research into the Bible of a god in ancient myths and rituals who was a product of a particular society at a particular time made in the image of the people who lived then shaped by their own circumstances and experience of the world From head to toe and every part of the body in between this is a god of stunning surprise and complexity one we have never encountered before *Sacraments after Christendom* Andrew Francis, Janet Sutton, 2022-01-01 In contemporary Western society the church has been pushed to the margins leading experts to describe the current era as a time after Christendom Many traditional churches and congregations are struggling a condition worsened by the COVID 19 pandemic regulations As the practice of churchgoing wanes the performance of the sacrament is called into question How can we bring the traditional communal experience of sacrament into the modern world In *Sacraments after Christendom* Andrew Francis and Janet Sutton tackle this question head on exploring and discussing the enactment of the sacrament in the context of church decline and an increasingly isolated world In doing so they deconstruct traditional perceptions and broaden our understanding of ritual and community in order to rediscover the truth of the sacrament **Jesus, Paul, and the Early Church** Eckhard J.
