The Hidden Jesus:

The Hidden Jesus Dan R. Mitchell, 2014-11-12 This book will shake your faith in Jesus Christ History has hidden who Jesus really is The information from reputable sources forces us to change our image of Jesus We fail to see the struggles of a normal man in a Jewish life While the narrative text struggles to remain true to the Gospel it also uses information of recent discoveries It leaves you wondering just what has come to us in the selective texts of the Bible and why other texts have not been put in the Bible by a faith that wanted only a God and not a man

The Hidden Jesus Donald Spoto, 1998 The author draws on his expertise as a New Testament scholar to present a controversial reassessment of Jesus life teachings relationships and standard doctrinal theology

The Hidden Wisdom of Christ and the Key of Knowledge Ernst von Bunsen, 1865

Justice, Unity, and the Hidden Christ Matthew John Paul Tan, 2014-01-07 Does social justice promote Christian unity With reference to paragraph 12 of Unitatis Redintegratio Vatican II s declaration on ecumenism this book argues that an emphasis on justice and unity without proper consideration of social context actually risks obscuring a clear public declaration of Christ by having Christians uncritically accept the presumptions that underpin the sociopolitical status quo This constitutes a failure in Christian interpretation the crux of which is a failure in ecclesiology Matthew John Paul Tan suggests the beginnings of a corrective with reference to works by Pope Benedict XVI theologians such as Graham Ward and postmodern theorists like Michel Foucault Ultimately Tan invites the reader to begin considering how answering this seemingly simple question will implicate not only theology but also philosophy and political theory as well as considering the need for the church to engage in a bolder confessional politics in place of the politics of the public square often favored by Christian and non Christian commentators

Jesus Incognito Martien E. Brinkman, 2013 In this book Martien Brinkman explores the Jesus incognito as found in Western film literature and the visual arts since 1960 His interest here is focused primarily on indirect references to the Jesus figure To his surprise he found an abundance of allusions to Jesus in key figures in modern art This confirmed his view that film literature and the visual arts make a substantial contribution even in secular Western culture to continuing reflection on Jesus significance Brinkman finds important characteristics of a hidden Christ in films by Gabriel Axel Ingmar Bergman Krzysztof Kieslowski and Lars von Trier novels by Peter De Vries J M Coetzee and Arnon Grunberg poems by Les Murray and Czeslaw Milosz and paintings by Andy Warhol Harald Duwe and Frans Franciscus He defines a hidden Christ as a fictional human individual who can be seen as a new embodiment of the meaning that can be attributed in the present to the biblical figure of Jesus The hidden Christ is therefore a contemporized Jesus figure This book will be of interest for everyone who shares Brinkman's quest for this Jesus incognito

The Hidden Life Bryan Fraser, 2005-12

The Hidden Keys in the Bible 2 Vernon Atkins, 2024-02-12 Why is it so hard to find God Or should I say Why is it so hard for God to find you There are Those who say I Read the Bible often But Can't Understand it So I Quickly Lose Interest in it Then I find myself Seeking a Church and a Man of God to help me get closer to God This after a while did not do it for me So I left the Church feelings even more depressed than before Is it really that hard to make a Connection with our God I been told by others that he said that he love all and wishing that none should perish Well why is it so hard to find him if he love us Is our God speaking out of both sides of his mouth I mean he did say it is impossible for him to lie He also said what comes out of my mouth can't return void it that is the case then you need took at your self and at your attempts to see what you are doing wrong less Review You first Started Reading the Bible How much time did you spend reading the Bible once a week every other month are just doing hollow days did I give up my friends who were still involved in daily activities that goes against the Laws and Commandments of God Did you give up going to places that God would disapproval like bars nightclubs where you find half naked woman's sliding down a pole How about going out gambling looking at trying to get rich and then becoming hooked spending money you don't have money that could have been spent on other things your kids bills Now can you see why it was so hard to understand the Bible Could it be that you are not given your all Less now put you on the right track God says seek him first and all things will be added all you need to do is to knock Asked and Seek in the door will be opened Next you say that you went as far as attending a church and a minister to bring you closer to God Let me say this all ministers are not call by God In other words it is just as bad to hear the words of God from one who is not call to lead you

even further from the truth It s like the blind leading the blind and they both fall into a ditch One sure way to know that you have made a Connections with God Is when you seek him daily Reading his words for yourself and keeping all of his Laws and Commandments by you doing this you show Him that you are truly sincere about knowing him This is when God releases His Spirit of understanding to your mind but in small portions and the more you read his words the more knowledge is revealed
