Vinny tells his roller coaster story with passion and humor, inviting all of us to join his bicycle ride through the many winding paths of his life. Coming out, growing up, serving his country, and fighting for others against all odds. This journey gives hope to anyone on the front line of our equality struggle. Lt Dan Choi, West Point Graduate, Iraq War Veteran, and Infantry Officer, honorably discharged for telling the truth and starting a group of West Point LGBT Graduates. An accomplished aging man is preparing for yet another dream to conduct the first known bicycle book tour, which will require peddling both miles and books. Who will believe 2,500 miles is possible for a man with gravely serious medical issues at age sixty-five? Witnessing the lifetime spiritual journey of Vinny Pirelli, starting at age six with his very first bicycle, you track his development of being the only boy among many siblings through growing pains of adolescence and teen years. He struggles with and represses homosexual tendencies, putting his emotions into bicycling and writing songs. As a young adult, Vinny proves successful at whatever he attempts, even in building a family with the first girl he had sexual feelings for. As a ten-year Army leader, he learns hard lessons of losing friendships, love, and trust with the ultimate betrayal of his own father. J. V. Petretta is a graduate of the University of Maryland, European Division. He is a ten-year U.S. Army Veteran with three overseas tours, including Vietnam. After his honorable discharge, he received a Meritorious Service Medal for distinguished service as 1st Armored Division's Nuclear Control Chief. In addition to earning numerous business accolades, he organized and conducted a 5,000-mile bicycle tour in 1995, bringing critical awareness and funding for AIDS. Author's proceeds from the sale of this book will be divided among selected cycling and LGBT advocate groups and his own future work in Africa.
