Schooling in Transition Sara Z. Burke, Patrice Milewski, 2011-12-13 An exploration of two centuries of formal education in Canada in which the accommodation of minority needs and local versus central control are recurring themes.

Exiles and Islanders Brendan O'Grady, 2004 The first comprehensive account of the Irish settlers of Prince Edward Island.

Creed and Culture Terrence Murphy, Gerald Stortz, 1993-02-18 The essays in *Creed and Culture* combine narrative elements with historical analysis to examine the experience of English speaking Catholics in the light of social categories such as ethnicity, gender, and class. The Catholicism of English Canada is set in context by comparisons with broader Canadian developments and with the history of Catholicism in the English speaking world. The authors discuss not only institutional history and church-state relations but also popular piety and lay involvement in religious affairs. The complexity and diversity of the experience of anglophone Catholics is highlighted through accounts of relations with their French speaking counterparts and Protestant compatriots, European Catholic immigrants, and ecclesiastical authorities in Quebec, Ireland, Scotland, and Rome.

The Canny Scot Peter Ludlow, 2015-04-01 A paradoxical prelate to many, Archbishop James Morrison was the spiritual head of the Roman Catholic Diocese of Antigonish, Nova Scotia, from 1912 to 1950. Traditional, frugal, and aloof, he was also the ecclesiastical leader of a progressive program of Catholic social action that became known as the Antigonish Movement. Elevated to bishop after a successful clerical career in Prince Edward Island, Morrison guided Catholics in eastern Nova Scotia through difficult periods of economic decline, out-migration, and war. He was unprepared for the challenges of twentieth-century Canadian society and initially struggled to cope with a dwindling Maritime economy, labour unrest, and rural depopulation. Determined to maintain the stature of his diocese, Morrison cautiously supported the clergy reformers who wanted a program of adult education and economic reform. Peter Ludlow unravels the mystery of this figure to show that although Morrison was one of the last powerful and austere Canadian Roman Catholic prelates, he was also one of the first to recognize that the Church could offer its adherents more than spiritual guidance. A revisionist account of the foundation and application of the Antigonish Movement, *The Canny Scot* illustrates the important role of the Catholic Church in Nova Scotia.

The Lion's Cub - Le lionceau Margaret MacMillan, 2019-11-12 In *The Lion's Cub*, her 2018 Symons Medal address, eminent Canadian historian Margaret MacMillan examines the impact of the First World War on Canadian Confederation. With her characteristic flair and gift for telling detail, Margaret MacMillan shows the paradox of Canada's experience in the First World War. On the one hand, the Great War, as it was originally known, brought Canada closer to nationhood and gave many Canadians a greater sense of identity. On the other hand, the Great War also marked a time when Confederation was shaken and very nearly came apart. Its divisive impact continued to be felt throughout the twentieth century and can still be felt today in Canada's national political life and in the relationship between Quebec and the rest of the country. Yet Canada

survived and continues to survive And Margaret MacMillan concludes that this is the great strength of Confederation The Lion s Cub suggests Canada s endurance should be recognized for the achievement it is In a world where political boundaries are often as artificial as Canada s the ability of our improbable country to survive and prosper may be an example of hope for a wider world The Symons Medal is one of Canada s most prestigious honours It is presented annually by the Confederation Centre of the Arts to honour persons who have made an exceptional contribution to Canadian life Bilingual Edition
