Homeless Hero Mike Tapscott, 2013-07 Homeless Hero Understanding the Soul of Home considers the human mission to know the soul and navigate life experiences When pain and emptiness show up in life only those who undertake the hero's journey grow into a place of understanding where they can then flourish Mike Tapscott was watching a movie at a resource center for homeless people when he developed the idea for this book The movie workshop at Lodestar Day Resource Center in Phoenix Arizona teaches life's lessons through the magic of cinema The lessons manifest through a series of dramatic events hearing a call to adventure refusing the call crossing a threshold encountering tests allies and enemies being unable to turn back soul searching finding reward returning with the story and experiencing resurrection These events are what life is all about The hero's journey through homelessness just one symptom of the challenge of overcoming emotional pain is one way to help change individuals and then change tracks patterns and less than constructive behaviors Here is a compilation of experiences from Tapscott's 36 hour experimental journey into life on the streets his own volunteer work and through interviews with employees in the social service system other volunteers and homeless individuals Homeless Hero is a case study an experiment an adventure and a multi layered examination of American society that seeks to help you understand the moving picture of your own hero's journey

Leitch,2008-10-01 Developing a model of narrative based on game theory Thomas Leitch offers a compelling new explanation for the distinctiveness and power of Hitchcock s films Games such as the director s famous cameo appearances the author says allow the audience simultaneously to immerse itself in the world created by the narrative and to stand outside that world and appreciate the self consciously suspenseful or comic techniques that make the movie peculiarly Hitchcockian A crucial aspect of the director s gameplaying Leitch contends emerges in the way he repeatedly redefines the rules Leitch divides Hitchcock s career into key periods in which one set of games gives way to another reflecting changes in the director s concerns and the conditions under which he was making movies at the time For example the films of his late British period the original Man Who Knew Too Much The 39 Steps The Lady Vanishes pivot on witty situational games that continually surprise the viewers the American films that followed in the next decade Rebecca Notorious The Paradine Case depend more on drawing the viewer into a close identification with a central character and that character s plight These films in turn are followed by such works as Rope and Strangers on a Train in which cat and mouse games between characters between Hitchcock and the characters between Hitchcock and the audience are the driving force By repeatedly redefining what it means to be a Hitchcock film Leitch explains the director fosters a highly ambivalent attitude toward such concerns as the value of domesticity the loss of identity
