Termination Notice Andy Phillips, 2024-11-30 He once saved her life Now he s her prime suspect A masked intruder strangles a musician leaving a chilling clue a macabre letter styled as an employment termination notice All evidence points to Adrian Pryce the charming president of video game powerhouse Taurus Studios Career driven detective Lucy Duvall is assigned to the case but her Philadelphia PD colleagues are baffled by her restrained approach For Lucy the investigation is personal Years ago Adrian heroically saved her life only to break her heart As the so called Taurus Strangler claims more victims Adrian s guilt seems undeniable With the body count rising Lucy s personal history threatens to derail

her career She must untangle a web of lies and betrayal to expose a diabolical killer before she receives her own termination notice With fast cinematic pacing relentless action and a touch of romantic suspense this police procedural thriller is set in a world of technology and deception A high stakes mystery where trusting the wrong person can be fatal **Gangland** Paul Williams,2012-10-04 Number 1 Bestseller Paul Williams is Ireland's No 1 award winning crime reporter famed for exposing the ruthless gangsters behind Irish crime In *Gangland* he investigates who is pulling the strings behind the scenes the families that form the Irish mafia and examines the way in which their net has spread across Ireland and beyond Compelling chilling and unput downable *Gangland* gives the inside story on a dark and sinister world **Television and Culture in Putin's Russia** Stephen Hutchings,Natalia Rulyova,2009-06-02 This book examines television culture in Russia under the government of Vladimir Putin In recent years the growing influx into Russian television of globally mediated genres and formats has coincided with a decline in media freedom and a ratcheting up of government control over the content style of television programmes All three national channels First Russia NTV have fallen victim to Putin's power obsessed regime Journalists critical of his Chechnya policy have been subject to harassment and arrest programmes courting political controversy such as Savik Shuster's Freedom of Speech Svoboda slova have been taken off the air coverage of national holidays like Victory Day has witnessed a return of Soviet style bombast and reporting on crises such as the Beslan tragedy is severely curtailed The book demonstrates how broadcasters have been enlisted in support of a transparent effort to install a latter day version of imperial pride in Russian military achievements at the centre of a national identity project over which from the depths of the Kremlin Putin's government exerts a form of remote control However central to the book's argument is the notion that because of the changes wrought upon Russian society after 1985 a blanket return to the totalitarianism of the Soviet media has notwithstanding the tenor of much western reporting on the issue not occurred Despite the fact that television is nominally under state control that control remains remote and less than wholly effective as amply demonstrated in the audience research conducted for the book and in analysis of contradictions at the textual level Overall this book provides a fascinating account of the role of television under President Putin and will be of interest to all those wishing to understand contemporary Russian society *Communication Yearbook 22* Michael Roloff,2012-07-23 The *Communication Yearbook* annuals publish diverse state of the discipline literature reviews that advance knowledge and understanding of communication systems processes and impacts across the discipline Sponsored by the International Communication Association each volume provides a forum for the exchange of interdisciplinary and internationally diverse scholarship relating to communication in its many forms This volume re issues the yearbook from 1999 **Communication Yearbooks Vols 6-33 Set** Various,2021-12-02 The *Communication Yearbook* annuals originally published between 1977 and 2009 publish diverse state of the discipline literature reviews that advance knowledge and understanding of communication systems processes and impacts across the discipline Topics dealt with include Communication as Process Research

Tanenbaum, 2007-08-07 The Karp family is back at it in Malice bestselling author Robert K Tanenbaum s most suspenseful
book yet in the Butch Karp Marlene Ciampi series New York District Attorney Butch Karp recovering from an assassination

empire while sliding the United States toward a fascist state that the cartel controls As Karp struggles to uncover those
responsible for planning the terrorist murders of six school children he goes to the aid of the younger brother of his college
roommate who has been unfairly suspended from his position as baseball coach at a university in Idaho Meanwhile Marlene
Ciampi is in Idaho to help her husband with the investigation and she befriends a Basque sheepherder who is demanding
answers to the disappearance of his daughter a pretty college coed he suspects is having an affair with the school s president
