**The Hunt for Bin Laden** Robin Moore, 2003 Describes the campaigns of American Green Berets in Afghanistan in the period following the September 11 terrorist attacks as they overcame Taliban and Al Qaeda forces and sent them fleeing

**The Hunt for Bin Laden** The Washington Post, 2012-08-10 The long and secret effort to track down Osama bin Laden has been called the biggest costliest manhunt in history From the Pulitzer Prize winning Washington Post this reconstruction compiled from reporting from more than two dozen Washington Post correspondents and staffers from over more than 15 years traces the hunt from its beginnings in 1997 during the Clinton administration THE HUNT FOR BIN LADEN is a behind the scenes narrative that reveals the fourteen year billion dollar effort that brought the hunt to a swift and conclusive end including The numerous times CIA agents had bin Laden in their crosshairs prior to 9 11 only to have missions canceled at the last moment Vivid details of bin Laden s behavior in the wake of the attacks on September 11th The myriad of ways he evaded detection in his years on the lam including his narrow escape from the caves and tunnels of Tora Bora How the war in Iraq drained resources and diverted the spotlight from the hunt turning the mission to kill or capture bin Laden into a back burner operation and political liability for the Bush administration It wasn t until the Iraq war began to wind down that the search gained its endgame momentum the Post shows reclassified as a highest priority again by a new president How increasingly punishing drone attacks interrogations of captured al Qaeda operatives and an ever expanding network of informants finally began to yield a trail that led to bin Laden s courier a cell phone interception and ultimately bin Laden

*The Hunt for Osama bin Laden* Meg Greene, 2004-12-15 Looks at America s search for Al Qaeda leader Osama bin Laden from his addition to the FBI s list of Ten Most Wanted Fugitives in 1999 to the intensive global manhunt still underway in 2004

**The Hunt for Bin Laden** Josh Gregory, 2014-02-21 The terrorist attacks of September 11 2001 were one of the most devastating events in U S history For years afterward the U S government searched around the world for Osama bin Laden the terrorist leader behind the attacks

**Manhunt** Peter L. Bergen, 2012-05-01 The gripping account of the decade long hunt for the world s most wanted man It was only a week before 9 11 that Peter Bergen turned in the manuscript of *Holy War Inc* the story of Osama bin Laden whom Bergen had once interviewed in a mud hut in Afghanistan and his declaration of war on America The book became a New York Times bestseller and the essential portrait of the most formidable terrorist enterprise of our time Now in *Manhunt* Bergen picks up the thread with this taut yet panoramic account of the pursuit and killing of bin Laden Here are riveting new details of bin Laden s flight after the crushing defeat of the Taliban to Tora Bora where American forces came startlingly close to capturing him and of the fugitive leader s attempts to find a secure hiding place As the only journalist to gain access to bin Laden s Abbottabad compound

before the Pakistani government demolished it Bergen paints a vivid picture of bin Laden's grim Spartan life in hiding and his struggle to maintain control of al Qaeda even as American drones systematically picked off his key lieutenants Half a world away CIA analysts haunted by the intelligence failures that led to 9/11 and the WMD fiasco pored over the tiniest of clues before homing in on the man they called the Kuwaiti who led them to a peculiar building with twelve foot high walls and security cameras less than a mile from a Pakistani military academy This was the courier who would unwittingly steer them to bin Laden now a prisoner of his own making but still plotting to devastate the United States Bergen takes us inside the Situation Room where President Obama considers the COAs courses of action presented by his war council and receives conflicting advice from his top advisors before deciding to risk the raid that would change history and then inside the Joint Special Operations Command whose secret warriors the SEALs would execute Operation Neptune Spear From the moment two Black Hawks take off from Afghanistan until bin Laden utters his last words Manhunt reads like a thriller Based on exhaustive research and unprecedented access to White House officials CIA analysts Pakistani intelligence and the military this is the definitive account of ten years in pursuit of bin Laden and of the twilight of al Qaeda Killing Geronimo Darren G. Davis, 2012 Depicts in graphic novel format America's search for the terrorist and Al Qaeda leader from the initial order to find him issued by President George W Bush to the United States Navy SEALs who found him in Pakistan ten years later

Schultheis, 2008-06-17 An in depth look at why America is losing the War on Terror and what we should do if we really want  
to defeat Osama bin Laden and al Qaeda I first met al Qaeda before there was an al Qaeda way back in the winter of 1984 It  
was an encounter that came within a split second of costing me my life So begins Rob Schultheis s gripping account of his  
journey into the heart of one of the world s most dangerous places on the trail of the world s most wanted man A veteran war  
correspondent he was one of a handful of Western journalists who covered the Russian war in Afghanistan from inside the  
country Schultheis offers a first hand look at how the seeds of al Qaeda were planted by foreign jihadists in the 1980s before

most Americans knew what the word jihad meant He then offers a radical assessment of why bin Laden remains at large detailing the complicit role Pakistan has played in both offering him sanctuary and in helping al Qaeda establish an almost impregnable stronghold in the Middle East Finally fresh from a recent visit to Afghanistan and armed with analysis of current satellite imagery Schultheis makes his case for where exactly Osama bin Laden is hiding and why the U S government is not acting on this information     The Rise and Fall of Osama Bin Laden Peter L.
