PRESLEY,1874 A Guide to the Best Fiction in English Ernest Albert Baker,1913 *A Dictionary of English Authors, Biographical and Bibliographical* Robert Farquharson Sharp,1898 *A Brief Guide to Ghost Hunting* Leo Ruickbie,2013-08-15 There has been an upsurge in books television programmes films and websites exploring the reality or otherwise of the spirit world Not since the founding of The Ghost Club in 1862 and the Society for Psychical Research in 1882 has ghost hunting been so popular Television and the internet in particular have fueled this new level of interest creating a modern media phenomenon that spans the globe But while the demand for information is high good information remains scarce A Brief Guide to Ghost Hunting leads us through the process of ghost hunting from initially weighing the first report to choosing equipment and investigating and identifying the phenomena with an analysis of the best places to go looking methods of contacting the spirit world how to explain paranormal activity and crucially how to survive the encounter However it is also a book about ghost hunting itself drawing on 130 years of research in the cavernous archives of the Society for Psychical Research and even older history to find the earliest ghost stories A Ghost Hunting Survey makes use of interviews with those billing themselves as ghost hunters to find out their views motivations and experiences New and original research makes use of statistics to map the nebulous world of apparitions while a Preliminary Survey of Hauntings offers an analysis of 923 reported phenomena from 263 locations across the UK This is as far as possible an objective presentation of ghosts and ghost hunting It is no wonder that mainstream science largely refuses to deal with the subject it is too complicated Without trying to convince you of any viewpoint this book is intended to help you understand more *Finding List of English and French Prose Fiction* Detroit Public Library,1905 The Select Journal of Foreign Periodical Literature ,1833 *Select Journal of Foreign Periodical Literature* Andrews Norton,Charles Folsom,1833 **Classified Catalogue of the Carnegie Library of Pittsburgh** Carnegie Library of Pittsburgh,1914 Classified Catalogue of the Carnegie Library of Pittsburgh. 1907-1911 ,1912

psychic phenomena The book highlights Shakespeare's insights showing how these relate to and even amplify the conclusions of later and on going research In our time of disconnectedness from nature the book discusses neglected human experiences which represent an important part of life and which do in fact occur to most of us In doing so the book raises awareness against the emptiness of a zombie like existence in today's society and offers a new approach to life and death and their deeper meaning *A Dictionary of English Authors, Biographical and Bibliographical; Being a Compendious Account of the Lives and Writings of 700 British Writers from the Year 1400 to the Present Time* Robert Farquharson Sharp, 1897
