### **The God Plot Living With Holy Imagination:**

*The God Plot* Timothy M. Green, 2014-10-01 The God Plot invites you to move beyond clichés and participate in something bigger. As the Plot unfolds, the old familiar words and clichés are restored to their rightful place in God's story. The result is an astounding journey that will help you understand your life in Christ with a renewed and biblically grounded holy imagination.

**The God Plot, Small Group DVD** Timothy M. Green, 2015-04-01      **Telling the Old Testament Story** Dr. Brad E. Kelle, 2017-10-17 While honoring the historical context and literary diversity of the Old Testament, *Telling the Old Testament Story* is a thematic reading that construes the OT as a complex but coherent narrative. Unlike standard introductory textbooks that only cover basic background and interpretive issues for each Old Testament book, this introduction combines a thematic approach with careful exegetical attention to representative biblical texts, ultimately telling the macro-level story while drawing out the multiple nuances present within different texts and traditions. The book works from the Protestant canonical arrangement of the Old Testament, which understands the story of the Old Testament as the story of God and God's relationship with all creation in love and redemption, a story that joins the New Testament to the Old. Within this broader story, the Old Testament presents the specific story of God and God's relationship with Israel as the people called, created, and formed to be God's covenant partner and instrument within creation. The Old Testament begins by introducing God's mission in Genesis. The story opens with the portrait of God's good-intended creation of right relationships (Gen 1:2) and the subsequent distortion of that good creation as a result of humanity's rebellion (Gen 3:11). Genesis 12 and following introduce God's commitment to restore creation back to the right relationships and divine intentions with which it began. Coming out of God's new covenant engagement with creation in Gen 9, this divine purpose begins with the calling of a people who turn out to be the manifold descendants of Abraham and Sarah to be God's instrument of blessing for all creation and thus to reverse the curse brought on by sin. The diverse traditions that comprise the remainder of the Pentateuch then combine to portray the creation and formation of Israel as a people prepared to be God's instrument of restoration and blessing. As the subsequent Old Testament books portray Israel's life in the land and journey into and out of exile, the reader encounters complex perspectives on Israel's attempts to understand who God is, who they are as God's people, and how therefore they ought to live out their identity as God's people within God's mission in the world. The final prophetic books that conclude the Protestant Old Testament ultimately give the story of God's mission and people an open-ended quality, suggesting that God's mission for God's people continues, and leading Christian readers to consider the New Testament's story of the Church as an extension and expansion of the broader story of God introduced in the Old Testament. The main methodological perspective that informs the book includes work on the phenomenological function of narrative, especially story's function to shape the identity and practice of the reader, as well as more recent so-called missional approaches to reading Christian scripture. Canonical criticism provides the primary means for relating the distinctive voices within the Old Testament texts that still

honor the particularity and diversity of the discrete compositions Accessibly written this book invites readers to enter imaginatively into the biblical story and find the Old Testament s lively and enduring implications **The Marks of Hope** Juan Huertas,Matt Rawle,Katie McKay Simpson,2018-03-06 Headlines in The United Methodist church today include words like division death tsunami and Affinity Group X vs Affinity Group Y So where does one find hope in The United Methodist Church today The Marks of Hope written by three UMC parish pastors demonstrates that the church can be a hopeful model in a world affected by changes in understanding and expectations related to gender technology justice mission social entrepreneurship etc Each chapter concludes with a communion section jointly written by the authors to present ideas for working together as leaders lay people and congregations to be a model of hope The authors outline practical steps to hold each other close with mutual love and accountability From the Introduction written by Matt Rawle So what does it mean to find hope in The United Methodist Church today To be honest I don t have much of an answer to what the future global structure of The UMC needs to be What I do know is that every day I m charged with loving serving challenging and leading the folks who have found a home in my local church and those who don t yet know God s amazing grace in Jesus Christ We can say with great conviction that conflict takes advantage of the space between us The further apart we are the easier conflict can find room to cause havoc Our culture has grown accustomed to smearing our neighbor with our computer keys but it is much more difficult to slander the person sharing a cup of coffee with us The Marks of Hope is our offering of six ways we might hold one another close with mutual love and accountability Hope is our destination faith is trusting in that destination and love is how we get there The Marks of Hope is part of the Faultlines collection resources intended to inform conversations around human sexuality and the church [The Holy Spirit as Space for the Living](#) George C.

Evans,2023-09-08 In The Holy Spirit as Space for the Living George Evans recognizes the significance of the Spirit in pneumatology within the New Testament emphasizing the Spirit s indwelling presence as a person However Evans notes that the functional aspect of the Spirit as the presence of God is often overlooked The Spirit not only gives life ruah but also creates space for individuals to live and thrive This spatial understanding suggests that the Spirit constructs a unique space for born again believers to inhabit leading to self awareness and a transformed lifeworld Evans adopts a spatial hermeneutic drawing inspiration from Jesus s encounter with Nicodemus to explore different spatial productions and their connection to the experience of being reborn within the space of the Spirit Through this approach he develops a concept of Christian spatiality that expands our theological understanding and highlights space as a construct shaped by the Spirit By considering the role of the Spirit in creating and shaping our lived experience Evans unveils a deeper understanding of the transformative power of the Spirit and its impact on our spiritual journey **Beyond Pentecostalism** Wolfgang Vondey,2010-09-23 The Pentecostal Manifestos series aims to speak for and to a rising outward looking generation of Pentecostal scholarship Written by both established and newly emerging scholars the various manifesto volumes are to be

**Stories of the Way** Henry E. Neufeld, 2011-12-01 Much of the text in the Bible is in the form of stories From Old Testament tales of the patriarchs to the parables of Jesus the reader is confronted with a variety of narratives Even in those places where Bible writers are making and explaining statements of fact there is a story in the background What do these stories mean Bible teacher writer and publisher Henry Neufeld thinks that s the wrong question to ask Yes there are bad questions We spend a great deal of time trying to reduce Bible stories to a series of statements of fact sucking the life out of them in the process We don t understand one of the parables of Jesus better when we ve come up with a moral for the story In fact we ve lost some of the meaning Instead Henry suggests learning to think more in the form of stories In fact he even asks us to consider looking at the stories behind the various statements of fact in the Bible finding similarities in our own stories and even weaving new stories from our imaginations This he teaches is the best way to learn to make scripture come alive and to live it This collection of short stories is not presented primarily as stories to read but as a challenge to put your imagination to work as you study the Bible to write your own stories When you ve let your imagination break the bounds of your life the Holy Spirit can then show you how to live new stories in your own life and in your relationships with family friends church and the entire world This book includes 25 short stories All but two of these stories were originally published on the Jevlir Caravansary fiction blog Two new stories The Magic Sword and The Juror s Oath were written just for this collection Scripture references and thought questions have been provided for each story to help small groups use them in discussions Come join the story
