Dr. Anna Louise Scott

The Good Old Days English Edition:

Farewell To The Good Old Days David R. Greatrix, 2018-11-30 Farewell to the Good Old Days is a lively and intimate tale by David Greatrix a man who has lived a dynamic professional life first as an aerospace engineer and then as a professor of the subject The book leaning heavily on the actual life experiences of Greatrix and a number of his academic colleagues close and far away is divided into two discrete parts the book's narrator for both parts is nominally a fictional consolidated representation of Greatrix drawing from various sources in addition to the author Part One covers the narrator's childhood and early adulthood followed by his moving into his years of growth as a professional breaking into the challenging field of aerospace engineering Part Two tracks the narrator's subsequent twenty five year academic career as a professor of aerospace engineering at a university in a major urban centre Prominent in this story are the many challenges the narrator encounters in his navigation of academe in a high profile setting for engineering education In an emotional narrative that never strays far from various shades of humour the narrator shares the details of his teaching and research experience at his institution frequently bumping up against the pointy bits of an evolving cosmopolitan academic culture In colourful detail the narrator reveals the small successes notable failures unexpected events and crushing disappointments that describe his tenure at his university The narrator is especially candid in his revelations about episodes of betrayal He takes aim at big targets including the Canadian government university administrators and the academic superstructure as a whole The result is an enlightening view into an individual's complicated experience in a demanding world that serves as a microcosm of society at large

Grandma, Tell Me About the Good Old Days Dr. Anna Louise Scott, 2020-06-12 Grandma Tell Mr About the Good Old Days By Dr Anna Louise Scott Change is inevitable The outcome of change however depends on how it is received and acted upon by each person In today's culture of instant gratification and age of technology each day can be a new challenge Growing up in the

Thirties Dr Anna Louise Scott lived when work was valued self reliance was necessary and honesty morality and religion were a way of life People refer to this generation as the greatest but Dr Scott likes to call it The Good Old Days Dr Scott has observed today s children and has very grave concerns about their culture compared to prior generations She wondered what it was like in today s average home To find out she visited her grandchildren Amazed by what was occurring Dr Scott decided to educate her grandchildren about what it was like back in the Good Old Days Though many stories were shared inquisitive questions were asked with humorous answers The children were amazed to learn what it was like back then and wondered how anyone survived At the end of her tale Dr Scott will share the one event in her life that changed everything

The Good Old Days: A Reflection Upon What We Individually and Collectively Choose NOT to Recall Rick Spleen,2021-02-12 Looking back on the past it is often easy to remember the best of times and forget the worst It is easy to overlook the harsh realities of life as it once was and take for granted things that were once seen as extraordinary In *The Good Old Days A Reflection Upon What We Individually and Collectively Choose NOT to Recall* author Rick Spleen shares his perspective on the way the past is remembered and why we should respect those who came before us their toils efforts and achievements It is especially important to recognize those of the founding generation who made possible the rapid advancements for humanity in the last 250 years From fashion to technology from war to medicine this book takes a closer look at our world by reflecting upon the past to provide a better perspective of today The world we live in and humanity may not be perfect but we ve come a long way from where we once stood in a relatively very short period of time *Good Old Days We Survived--and Thrived* Ken Tate,Janice Tate,2003

When things go wrong as they sometimes will When the road you re trudging seems all uphill When the funds are low and the debts are high And you want to smile but you have to sigh When care is pressing you down a bit Rest if you must but don t you quit Times were tough but we made it through These were times when people depended on one another when they learned to take nothing for granted and to recognize those things that were more important than the luxuries money could buy Good Old Days

Larry Selig,2022-10-23 The book is about my family way back in years 60s how things were back then how cheap things were and how the real Christmases used to be *Good Old Days* Bobby Jay Newman,2022-04-12

In discussing the good old days I have attempted to describe in some detail nearly every aspect as to how things were as I was growing up during those days in a close knit farming community Some readers however may be more interested in my personal

experiences of that time the more humorous of which having been included Growing up first without electricity and then without a father inspired my overactive imagination to go wild in creating a wide variety of ways to entertain myself many of which were unwise and would never have been tolerated had my father lived **Good Old Days Country Wisdom** Ken Tate, Janice Tate, 2001 These stories not only share the wisdom but also heartwarming examples show how Country Wisdom was put into practice in the Good Ole Days *Good Old Days Remembers Working on the Farm* Ken Tate, Janice Tate, 2000 Real life stories will take you back to the time when families stood shoulder to shoulder working against Depression dearth and drought to build a better life together The Good Old Days Andy, 2004-12 *365 Days / 365 Plays* Suzan-Lori Parks, 2006-11-01 Suzan Lori Parks is one of the most important dramatists America has produced Tony Kushner The plan was that no matter what I did how busy I was what other commitments I had I would write a play a day every single day for a year It would be about being present and being committed to the artistic process every single day regardless of the weather It became a daily meditation a daily prayer celebrating the rich and strange process of a writing life Suzan Lori Parks On November 13 2002 the incomparable Suzan Lori Parks got an idea to write a play every day for a year She began that very day finishing one year later The result is an extraordinary testament to artistic commitment This collection of 365 impeccably crafted pieces each with its own distinctive characters and dramatic power is a complete work by an artist responding to her world each and every day Parks is one of the American theater s most wily and innovative writers and her stark but poetic language and fiercely idiosyncratic images transform her work into something haunting and marvelous TIME "The Good Old Days" Ernst Klee, Willi Dressen, Volker Riess, 1991 One of the most painfully riveting books of our time A first hand account of the greatest mass murder in history as told by the active and passive participants in genocide What is different about this book is that it contains carefully compiled letters journal entries and voluminous correspondence that prove beyond doubt that more members of the German population than ever before admitted to knew about the Holocaust while it was happening **The Good Old Days** Harold Flagg, 2014-02-06 In 1999 I flew from Fort Lauderdale FL to Japan for 28 39 round trip Previously a round trip from Fort Lauderdale to Turkey cost me 17 and change On the Turkish flight a computer glitch wiped out my documentation shortly after I landed in Frankfurt Germany To compensate Delta Air Lines upgraded me to BusinessElite class featuring free champagne and choice of filet mignon or salmon steak served on a cozy table set with sparkling crystal and the finest silver and china Most of my caviar lifestyle on a tuna budget has been based on United States Social Security and Bahamas National Insurance payments having worked many years in the Commonwealth of The Bahamas Whats the catch Basically it was playing the discount fare and frequent flier game to the Nth degree N as in nothing in many cases My best free junkets in senior friendly skies came via Delta Air Lines frequent flier mileage My Delta SkyMiles were tallied by such senior citizen bargains as a Fort Lauderdale Hawaii round trip ticket for as little as 440 That alone added some 10 000 FF miles to my account Signing for a Delta SkyMiles credit card netted 10 000 miles a switch to MCI telephone

service scored another 5 000 or so An MCI WorldCom SkyMiles long distance card is good for five 10 HAROLD FLAGG miles per dollar spent There is at least one case where a motormouth literally talked his way into a free trip Investors can rack up major mileage via Delta

The Early Days ,1989 **The Passage of Literature** Christopher GoGwilt,2010-12-29 Joseph Conrad Jean Rhys and Pramoedya Ananta Toer are writers renowned for crafting narratives of great technical skill that resonate with potent truths on the colonial condition Yet given the generational and geographical boundaries that separated them they are seldom considered in conjunction with one another The Passage of Literature unites the three in a bracing comparative study that breaks away from traditional conceptions of modernism going beyond temporal periodization and the entrenched Anglo American framework that undergirds current scholarship This study nimbly traces a trio of distinct yet interrelated modernist genealogies English modernism as exemplified by Conrad s Malay trilogy is productively paired with the hallmark work of Indonesian modernism Pramoedya s Buru quartet The two novel sequences penned years apart narrate overlapping histories of imperialism in the Dutch East Indies and both make opera central for understanding the cultural dynamic of colonial power Creole modernism defined not only by the linguistic diversity of the Caribbean but also by an alternative vision of literary history provides a transnational context for reading Rhys s Good Morning Midnight and Wide Sargasso Sea each novel mapped in relation to the colonial English and postcolonial Indonesian coordinates of Conrad s The Shadow Line and Pramoedya s This Earth of Mankind All three modernisms English Creole and Indonesian converge in a discussion of the Indonesian figure of the nyai a concubine or house servant who represents the traumatic core of transnational modernism Throughout the study Pramoedya s extraordinary effort to reconstruct the lost record of Indonesia s emergence as a nation provides a model for reading each fragmentary passage of literature as part of an ongoing process of decolonizing tradition Drawing on translated and un translated works of fiction and nonfiction GoGwilt effectively reexamines the roots of Anglophone modernist studies thereby laying out the imperatives of a new postcolonial philology even as he resituates European modernism within the literary linguistic and historical context of decolonization

The Law in Graphic Narratives Giuseppe Martinico,Gianpaolo Maria Ruotolo,2024-09-03 Comics manga and anime can offer an interesting perspective from which to explore representations of the law in popular culture This book offers a better understanding of the juridical subtexts of such cultural artefacts by bringing together scholars in legal theory and comparative and international law While the contributions in the first part of the volume unpack the relationships between normative systems law and morality above all in graphic narratives by Marvel Daredevil and DC heroes Batman the second part of the volume looks at the role played by law and lawyers in different legal systems through case studies such as She Hulk Finally the last part focusses on the role of international law in the comic multi universe and in Japanese animation movies such as Porco rosso This collection extends research into comics beyond Anglo American culture which is still hegemonic in this literature and makes it possible to read the legal phenomena dealt with in the pop culture products

analysed through a lens other than that of Anglo American law
