The Good Wifes Guide Hoax:

The Good Wife's Guide (Le Ménagier de Paris), 2012-09-15 In the closing years of the fourteenth century an anonymous French writer compiled a book addressed to a fifteen year old bride narrated in the voice of her husband a wealthy aging Parisian The book was designed to teach this young wife the moral attributes duties and conduct befitting a woman of her station in society in the almost certain event of her widowhood and subsequent remarriage The work also provides a rich assembly of practical materials for the wife s use and for her household including treatises on gardening and shopping tips on choosing servants directions on the medical care of horses and the training of hawks plus menus for elaborate feasts and more than 380 recipes The Good Wife s Guide is the first complete modern English translation of this important medieval text also known as Le M nagier de Paris the Parisian household book a work long recognized for its unique insights into the domestic life of the bourgeoisie during the later Middle Ages The Good Wife s Guide expertly rendered into modern English by Gina L Greco and Christine M Rose is accompanied by an informative critical introduction setting the work in its proper medieval context as a conduct manual This edition presents the book in its entirety as it must have existed for its earliest readers The Guide is now a treasure for the classroom appealing to anyone studying medieval literature or history or considering the complex lives of medieval women It illuminates the milieu and composition process of medieval authors and will in turn fascinate cooking or horticulture enthusiasts The work illustrates how a perhaps fictional Parisian householder of the late fourteenth century might well have trained his wife so that her behavior could reflect honorably on him and enhance The Political Theory of I Love Lucy Leslie Dale Feldman, 2019-01-18 This book looks at how the classic his reputation television series fits into the cultural milieu of mid century America I Love Lucy incorporates key themes of the 1950s American political scene and classic American values of family social mobility community individualism and work keeping in mind that Luck as Machiavelli said is the arbiter of half of what we do As the beloved American TV queen Lucy Ricardo is a psychologically complicated character conflicted between her role as a 1950s housewife and her wish to be a star She is an icon of social mobility going from a small New York City apartment to a country house in a swanky suburb and an example of the transitional woman who wants to have it all Is she a feminist Is she a conformist Does she prefer the country to the city Whether she is working on the chocolate factory assembly line baking bread or achieving the American dream Lucy is always speeding it up In Fraud We Trust Wes Henricksen, 2024-11-15 Telling lies and falling for them is one of the things that makes us human The vast majority of these falsehoods are harmless and perfectly legal But when someone deceives another for material gain or profit inflicting injury in the process we give this kind of lie a special label fraud Most people are familiar with the concept and understand that fraud is prohibited by law What many fail to appreciate however is that the law does not treat all frauds equally If you defraud an individual you might end up in prison On the other hand if you defraud millions of people what Wes Henricksen calls fraud on the public you might end up wealthy or powerful or even get elected president

In a perverse sense the bigger the fraud the more likely it is protected by the First Amendment and therefore legal As a result many of the largest and most destructive fraud schemes are allowed encouraged and richly rewarded Examples of fraud on the public are everywhere The fossil fuel industry long used PR firms and lobbyists to spread disinformation about oil s role in climate change Sugar companies misled the public about the dangers of high fructose corn syrup redirecting the public s attention to fat Cigarette manufacturers famously lied about the risks of tobacco and opioid makers lied about the effects of the drug Social media influencers and fringe media outlets promoted false claims about the COVID 19 pandemic being a government hoax Others claimed that vaccines were part of a sinister plot Politicians on both sides of the aisle lie with such regularity that people have become deeply cynical about whether to believe anything they say Henricksen shows that large scale fraud is carried out for many reasons beyond financial profit including political gain the prevention of justice and the falsification of history In addition to exposing the depths of the problem Henricksen gives readers a way forward He proposes we call these massive deceit campaigns by their proper name that we de weaponize the First Amendment which was never meant to shield swindlers and that we enact new laws that protect the public from fraud By revealing for the first time the root legal cause of the misinformation crisis and presenting novel solutions In Fraud We Trust speaks to the present moment as it offers answers for the future A Wife's Guide to In-laws: How to Gain Your Husband's Loyalty Without Killing His Parents Jenna D. Barry, 2008-11-24 You can have a GREAT marriage even if your in laws aren t so great When a man marries he is supposed to transfer his loyalty from his parents to his wife His behavior plays a key role in how well you get along with his parents As a wife who has personally experienced the despair that comes from having an unsupportive partner Jenna D Barry suggests specific things to say and do to gain your husband's loyalty A Wife's Guide to In laws has over 40 cartoons 2 chapters written just for Hubby and 20 worksheets to help you reach loving compromises about common problem issues If you need hope and encouragement this book is for you Jenna D Barry's witty and insightful book gives hope to women and men who struggle with overbearing over involved or downright malicious in laws She gives useful humorous and down to earth advice that says I ve managed to do it you can do it too Dr Scott Haltzman Best selling author of The Secrets of Happily Married Women The Wife's Guide to Health & Happiness Gordon Stables, 1894 The Playboy's Guide to the Fake Fiancée Piper Marlowe, 2022-11-11 Remember me I wipe the sleep out of my eyes Do I remember this woman pounding at my door in the middle of the night Vaguely and not in the Biblical way I recall the roller skates and pig tails of my best friend s younger sister This woman in front of me is well a woman She wants me to pretend I m her fianc at her grandmother's birthday party In Florida A road trip is the perfect excuse to miss the meeting where my father will tell me it s time to take over the family company That s how all six feet of me wound up stuffed into a subcompact next to the nuttiest most predictably unpredictable charming funny deliciously sexy woman I ve ever avoided my obligations with She s got me managing snacks sitting in a Cracker Barrel rocking chair and sharing a cheap hotel room But falling for her means I ll have
