analysis of leitmotif of American Dream or American Nightmare

The American Dream is a concept that has been around since the early 20th century. It is the idea that anyone can achieve success and wealth through hard work and determination. This dream is often associated with the American West, where people could make their fortune by mining or farming. However, by the 1920s, the American Dream had become more complex. It was no longer just about making money, but also about achieving a certain lifestyle and status. This is what F. Scott Fitzgerald explores in *The Great Gatsby*.

In the novel, the American Dream is represented by the character of Jay Gatsby. Gatsby is a man who has made his fortune through illegal means, but he is obsessed with the idea of winning back his lost love, Daisy Buchanan. His dream is to become wealthy and powerful enough to win her back, and in the process, he becomes a symbol of the American Dream.

However, the American Dream is also represented by the character of Tom Buchanan. Tom is a man who is born into wealth and power, but he is also a man who is obsessed with the idea of maintaining his status. He is a symbol of the old money elite, and his dream is to keep his wealth and power for himself and his family. This dream is often associated with the American East, where people could make their fortune through business and industry.

The American Dream is a complex and controversial concept. It is a dream that has inspired many people to achieve success and wealth, but it has also led to many people becoming disillusioned and disappointed. In *The Great Gatsby*, Fitzgerald explores the American Dream in a way that is both critical and sympathetic. He shows us the dream as it was, and he shows us the dream as it is. In the end, the American Dream is a dream that is both beautiful and terrifying.

NOVEL

1. relationship between Nick and Jordan more thematised

2. the lack of acceptance of the upper class, towards Gatsby, becomes clearer

3. more details and insights into motivations, actions and thoughts of the individual characters

4. more details and insights into the social and cultural context of the 1920s

MOVIE

1. no mention of the relationship, Jordan is only portrayed as a minor character

2. everyone just love his parties, only at the end it is shown that no one shows up for his funeral

3. very action-driven and slightly superficial

4. this is not a criticism
