Memory Rose into Threshold Speech Paul Celan, Barbara Wiedmann, 2025-09-23 Memory Rose into Threshold Speech gathers the poet Paul Celan's first four books written between 1952 and 1963 which established his reputation as the major post World War II German language poet Celan a Bukovinian Jew who lived through the Holocaust created work that displays both great lyric power and an uncanny ability to pinpoint totalitarian cultural and political tendencies His quest however is not only reflective there is in Celan's writing a profound need and desire to create a new inhabitable world and a new language for it In Memory Rose into Threshold Speech Celan's reader witnesses his poetry which starts lush with surrealistic imagery become gradually pared down its syntax tightens and his trademark neologisms and word formations increase toward a polysemic language of great accuracy that tries in the poet
