The Hopeless Christiantic David A. Santos,Assistant Professor Community College of Philadelphia David A Santos,2011-06-01 The authors first attempt at writing and it became his best selling book Das a single Christian teenager from high school tries to pursue love with a very attractive new girl who transferred mid year but faces lots of problems when his best friend the biggest player in the school intervenes and pursues her as well Who will win the new girls heart Rumors run ramped and all friendship is lost when these two young men battle it out for the love of the popular new girl Meanwhile Das pesky neighbor Stephanie tries to persuade Das into going out with her sister Jessica What started off as a favor to Stephanie turned into blackmail when things start to go sour between Das and Jessica With drama lurking every where he turns What will Das do and who will he turn to for help to escape it and yet still find that one true love

Embracing Hopelessness Miguel A. De La Torre,2017-10-01 This book will attempt to explore faith based responses to unending injustices by embracing the reality of hopelessness It rejects the pontifications of some salvation history that move the faithful toward an eschatological promise that when looking back at history makes sense of all Christian led brutalities mayhem and carnage Hope as an illusion is responsible for maintaining oppressive structures This book struggles with a God who at times seems mute demanding solidarity in the midst of perdition and a blessing in the midst of adversity How can the Creator be so invisible during the troubling times in which we live times filled with unbearable life denying trials and tribulations The book concludes with a term De La Torre has coined in other books an ethics para joder an ethics that f cks with When all is hopeless when neoliberalism has won when there exists no chance of establishing justice the only choice left for the oppressed is to screw with the structure literally turning over the bankers tables at the temple By upsetting the norm an opportunity might arise that can lead us to a more just situation although such acts of defiance usually lead to crucifixion Hopelessness is what leads to radical liberative praxis God Speaks Ray Comfort,2013-06-13 Answers to Life s Questions From the Book of Job When pain or tragedy strikes the first question most of us ask is Why We re in good company The biblical book of Job tells the story of a man who lost everything his children his wealth and even his health and also wanted to know why Why should he a God fearing man suffer so much Why did God allow it Job did not get the answer he expected In fact God began to ask questions of His own 70 questions to be exact And in His response to a grieving broken man we can catch glimpses of hope in the midst of our own suffering Join Ray Comfort as he journeys into Job s extraordinary story You ll find that when God Speaks He will transform you and forever change your perspective on suffering and faith **The Hopeless Christiantic** David Santos,2011-10-14 Das a single Christian teenager from high school tries to pursue love with a very attractive new girl who transferred mid year but faces lots of problems when his best friend the biggest player in the

Finding Hope When Things Look Hopeless

Dr. Larry Ollison,2017-10-20 One of the greatest hurts that can ever be experienced is living without hope Hope is the spiritual force that keeps us moving forward It fills each day with anticipation excitement and joy With hope there is life but when hope is stolen and our dreams are crushed we are left with emptiness Hopelessness brings the pain of loneliness

Hope for a Hopeless Day Jack W. Hayford,2007-09-04 When no hope is left to whom should we turn Through the words of Jesus as He was dying on the Cross Jack Hayford unfolds the secret of triumphing over the ultimate season of suffering Establishing a framework for dealing with hardship *Hope for a Hopeless Day* challenges readers to examine the way they handle trials and encourages them to focus on the power that frees the cross Here are real life stories of individuals who triumphed over their hopeless days Readers will be heartened by their stories of bravery and integrity even while facing the anguish of marital infidelity or financial collapse Although facing what seems like insurmountable odds we are called to hope just as surely as we are called to the Cross for the Savior who speaks there is teaching us the way to live as surely as He is dying to give us life *Hope for a Hopeless Day* does more than encourage you to endure it inspires you to overcome
