War Is a Force that Gives Us Meaning Chris Hedges, 2014-04-08 General George S Patton famously said Compared to war all other forms of human endeavor shrink to insignificance God I do love it so Though Patton was a notoriously single minded general it is nonetheless a sad fact that war gives meaning to many lives a fact with which we have become familiar now that America is once again engaged in a military conflict War is an enticing elixir It gives us purpose resolve a cause It allows us to be noble Chris Hedges of The New York Times has seen war up close in the Balkans the Middle East and Central America and he has been troubled by what he has seen friends enemies colleagues and strangers intoxicated and even addicted to war s heady brew In War Is a Force That Gives Us Meaning he tackles the ugly truths about humanity s love affair with war offering a sophisticated nuanced intelligent meditation on the subject that is also gritty powerful and unforgettable
