## War Trash Ha Jin:

**War Trash** Ha Jin, 2005-05-10 Ha Jin's masterful new novel casts a searchlight into a forgotten corner of modern history the experience of Chinese soldiers held in U S POW camps during the Korean War In 1951 Yu Yuan a scholarly and self-effacing clerical officer in Mao's volunteer army is taken prisoner south of the 38th Parallel Because he speaks English he soon becomes an intermediary between his compatriots and their American captors With Yuan as guide we are ushered into the secret world behind the barbed wire a world where kindness alternates with blinding cruelty and one has infinitely more to fear from one's fellow prisoners than from the guards Vivid in its historical detail profound in its imaginative empathy War Trash is Ha Jin's most ambitious book to date The Intimacies of Conflict Daniel Y. Kim, 2020-11-03 Winner 2020 Peter C Rollins Prize given by the Northeast Popular American Culture Association Enables a reckoning with the legacy of the Forgotten War through literary and cinematic works of cultural memory Though often considered the forgotten war lost between the end of World War II and the start of the Cold War the Korean War was as Daniel Y Kim argues a watershed event that fundamentally reshaped both domestic conceptions of race and the interracial dimensions of the global empire that the United States would go on to establish He uncovers a trail of cultural artefacts that speaks to the trauma experienced by civilians during the conflict but also evokes an expansive web of complicity in the suffering that they endured Taking up a range of American popular media from the 1950s Kim offers a portrait of the Korean War as it looked to Americans while they were experiencing it in real time Kim expands this archive to read a robust host of fiction from US writers like Susan Choi Rolando Hinojosa Toni Morrison and Chang rae Lee and the Korean author Hwang Sok yong The multiple and ongoing historical trajectories presented in these works testify to the resurgent afterlife of this event in US cultural memory and of its lasting impact on multiple racialized populations both within the US and in Korea The Intimacies of Conflict offers a robust multifaceted and multidisciplinary analysis of the pivotal but often unacknowledged consequences of the Korean War in both domestic and transnational histories of race *East-West Montage* Sheng-mei Ma, 2007-11-06 East West Montage possesses a unique vision that promises to push discussions of globalization cultural production ethnic identity and bodily metaphors in powerful new directions Ma is to be praised for his sound scholarship and innovative interpretations Indeed where others specialize in either the collection of details or the unpacking of text Ma weaves a strong analytic exegesis rooted in thorough research Richard King Washington State University Approximately twelve hours difference lies between New York and Beijing The West and the East are literally night and day apart Yet East West Montage crosscuts the two in the manner of adjacent filmic shots to accentuate their montage like complementarity It examines the intersection between East and West the Asian diaspora or more specifically Asian bodies in diaspora and the cultural expressions by and about people of Asian descent on both sides of the Pacific Following the introduction Establishing Shots the book is divided into seven intercuts which in turn subdivide into dialectically paired chapters focusing on specific body
