Excuseman Only Tortures English Jordan Margolis, 2011-01-27 Trial Lawyer EXCUSEMAN Jordan Margolis never minds his own business or sticks to what he knows Unfortunately for his reluctant Official Excuses editor Jordo continuously torments him to publish both a childrens book and a bodice ripping romance novel Simultaneously Jordo can t avoid getting mixed up in another political brouhaha when former President Bush who is indicted for War Crimes by Iran hires that sumabitch Margolis to defend him by turning Ahmadinejads Show Trial into a Three Ring Circus As always Excuseman winds up on television matching wits and Super Hero Costumes with Stephen Colbert while challenging The Colbert Nation much as he does America

Reaping What You Sow Henry Frank Carey, 2011-12-13 This book evaluates the experience of official torture of France in Algeria as well as recently the United States since 9 11 Israel against Palestinians and Argentina during its Dirty War from 1972 to 1983 While evaluating what information was gained from torture the book also shows the costs of undertaking this approach to interrogating suspected terrorists Reaping What You Sow A Comparative Examination of Torture in France Argentina Israel and the United States presents a new angle in the study of this controversial practice by studying how these countries attempt to account for these secret practices and reform future interrogations against this universal crime It also analyzes the costs of torture whether in terms of intelligence gaffes or alienating potential supporters and enemies alike creating strategic dilemmas in the war on terrorism Adopting a comparative approach the book studies questions like What is the harm or benefit to the state once the torture becomes known What are the political and strategic ramifications Does torture help win wars Can the use of torture bring about any lasting or beneficial reforms These are daring questions seldom pondered In asking them this book will help to foster a discussion that is long overdue The author concludes that ex authoritarian regimes like Argentina s junta and France s colony in Algeria have reduced torture more than democracies These authoritarian regimes collapsed and new democratic regimes ultimately discredited their predecessors torture Despite many zigzags in amnesty Argentina was more scandalized by torture of its citizens and improved more than France because the latter s subsequent Fifth Republic regime was more similar to the Fourth protecting many torturers with a permanent amnesty Continuous democracies like the United States and Israel have only reduced their worst torture while torture lite continues without accountability The same elected officials and security agency personnel and prerogatives have largely remained without any legal discipline for their past secret criminal practices The United States and Israel continue to innovate hide and resume torture with discretion because the various new legislative judicial and executive checks and balances amount to wishful legal statements Democracies need permanent accountability mechanisms to assure that security services abolish torture in practice Otherwise torture will continue to generate more terrorists without generating information that is consistently reliable

Torture As Public Policy James P. Pfiffner, 2015-11-17 After September 11 2001 the Bush Administration decided that the most important intelligence about terrorism would come from the interrogation of

captives suspected of terrorism As a result many detainees were subject to harsh interrogation techniques that at times amounted to torture Here James P Pfiffner authoritatively examines the policy directives operational decisions and leadership actions of the Bush Administration that reversed centuries of US policy on the treatment of enemy prisoners He shows how the serious reservations of career military lawyers about these policies were overcome by the political appointees of the Bush Administration Pfiffner then analyses the philosophical and legal underpinnings of the policies and practices that have led to the denunciation of the United States policies by its allies and adversaries throughout the world Looking ahead Pfiffner anticipates Obama administration policy changes to restore U S credibility and accountability In all Torture as Public Policy is a model of detailed policy analysis that demonstrates how greatly public policy matters beyond the back corridors of bureaucracy

The United States and Torture Marjorie Cohn, 2012-04 Torture has been a topic of national discussion ever since it was revealed that enhanced interrogation techniques had been authorized as part of the war on terror The United States and Torture provides us with a larger lens through which to view America's policy of torture one that dissects America's long relationship with interrogation and torture which roots back to the 1950s and has been applied mostly in secret to enemies ever since The United States and Torture opens with a compelling preface by Sister Dianna Ortiz who describes the unimaginable treatment she endured in Guatemala in 1987 at the hands of the Guatemalan government which was supported by the United States Following Ortiz's preface an interdisciplinary panel of experts offers one of the most comprehensive examinations of torture to date beginning with the Cold War era and ending with today's debate over accountability for torture

Democracy at the Crossroads Craig S. Barnes, 2016-12-21 Some were warriors Some were lawyers some historians some moved by an inner passion so great that they appeared to move against kingly power like moths to the flame risking and often giving their lives They wrote cajoled and sometimes cried out for all to hear that the law is above the king This fascinating treatise examines how Western ideals of democracy have evolved and emerged through the ages and across continents Craig S Barnes shares the inspiring stories of a diverse group of men and women whether they be leaders poets or peasants who pioneered due process habeas corpus and the balance of powers Exploring the premise that democracy is not a given in social evolution Barnes contrasts the heroic figures of history to those in recent administrations who he argues have ignored the precious nature of our inheritance and have placed democracy at risk Democracy at the Crossroads is a stirring reminder of the fragility of our rule of law and the need for vigilant protection of our hard won liberties Craig S Barnes began his career as a public interest lawyer dealing with women's rights and the environment He was also active in politics and civil rights running for Congress in Denver as a peace candidate in 1970 He is the author of Growing Up True and In Search of the Lost Feminine

The Raping of America Harvey Hawkins, 2015-11-13 The author's perception of America the republic that holds the distinction of being the greatest nation on earth has been crippled by crooked politicians business fraud crime deceit unfair and discriminatory incarcerations and a broken educational system

that appears to be designed to precipitate continued poverty on the poor and downtrodden in a nation of plenty Read The Raping of America and refresh your memory of the discovery of this great country and the deceit and crime that governed its wayward path that altered the dreams and vision of its founders Read how this country has been pillaged and environmentally damaged for the wealth of a few at the expense of so many **Congressional Record** United States. Congress,2008 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873 **Presidents and Civil Liberties from Wilson to Obama** Samuel Walker,2012-04-16 This book is a history of the civil liberties records of American presidents from Woodrow Wilson to Barack Obama It examines the full range of civil liberties issues First Amendment rights of freedom of speech press and assembly due process equal protection including racial justice women s rights and lesbian and gay rights privacy rights including reproductive freedom and national security issues The book argues that presidents have not protected or advanced civil liberties and that several have perpetrated some of worst violations Some Democratic presidents Wilson and Roosevelt moreover have violated civil liberties as badly as some Republican presidents Nixon and Bush This is the first book to examine the full civil liberties records of each president thus placing a president s record on civil rights with his record on national security issues and also to compare the performance on particular issues of all the presidents covered

Money for Power John P. Hunter III,2014-07-27 MONEY It is understandable that we all need money for survival purposes This is fine and dandy is acceptable in society but to purposely defraud other people to get possession of money is unacceptable no matter of any circumstance Politicians seem to hoard onto this conception that money is their GOD The more they posses the more they have power to control Politicians drug cartels gangs and let us not forget religion are aware of this fact The richer you are in society the better people will follow you supposedly The Elite in all societies of the world are equally guilty of this crime called murder on the unsuspecting citizens by depriving these citizens of certain FREEDOMS or plainly swindling them out of their hard earned money not included are the lazy incompetent people who devour the Welfare System dry not even trying to better themselves Murder is hidden by the non compliance of doing the right thing as it happens for prevention as well as protection This is where this book illustrates certain areas in our American past which contribute to the beginning of corruption Corruption is a way of dishonest living in order to remain on top or even to gain the top position Political separation of parties are a way of distracting the public s focus of what all politicians are involved in un constitutional biased prejudice and let us begin the Olympic Blame Game of each party is guilty but not me when in reality all are involved in a False Flag cover up of camouflaged deception to gain more wealth even if it includes a mass murder You will be amazed about certain people involved in this book which seemed honest but in reality are very wicked indeed This

book is the sequel to AMERICA The Sleeping Giants MUST Awake which explains into depth Barack Hussein Obama the creator of Obamanism and of his cronies at large The 25 Issues that Shape American Politics Michael Kryzanek, Ann Karreth, 2017-10-02 This book is organized to examine the major subjects taught in American politics through the lens of twenty five hot button issues affecting American politics and policy today These key issues reflect the ideas principles concerns fears morals and hopes of the American people The authors argue that these issues are the heart and soul of the American political system serving as the basis for the disagreements that drive citizens public servants and elected officials into action Features of this Innovative Text Examines 25 issues in light of the 2016 presidential election and beyond Up to date chapters reflect important developments in the arenas of money and politics immigration health care race relations and civil rights gun control and gay rights in particular Includes international coverage with recent and ongoing events surrounding Iran Syria Israel and Palestine and China A chapter on Russia puts recent developments in Syria Ukraine Crimea and the near abroad in context with US foreign policy **"Unmitigated Disaster"** Louis D. Cruz, 2012-10-12 A story of America is moving forward And NOW that word forward happens to be the slogan of the very man that Republican Willard Mitt Romney is trying to unseat America the Party of NO has a man who will insist to see your ID Birth Certificate but wont release his Tax Returns at the least 5 6 of them so the voting electorate will know how to trust him There are many perfectly legal ways for all weasels to get out of paying taxes Especially if you can afford armies of creative accountants to find them all In our own Countrys Congressional Leaders there is Nothing but shameless lies and dishonor That explains whats going on here If election in November is to be decided on the several issues Robme the Romney and Ryan the Lying along with the remaining hostile Republicans should stay away from foreign policy this next four years Even drifting into that realm risks reminding voters of Obamas clear advantage in leadership America Bush has been out of office for almost 4 years are YOU really going to continue to blame him This is what the Republicans are saying Honestly if thats were the blame lies absolutely It wouldnt matter even if its been 100 200 or 300 years since George W the Idiot Bush has been out of office there will STILL remain too many unanswered questions America This book is a Timeline of George W Bushs UNMITIGATED DISASTER that has become President OBAMAS inherited MESS Let him fix it for all of America Louis D Cruz War on terror' Chris Miller, 2013-01-18 The term War on Terror WOT covers a mass of interlinked topics Here an outstanding group of authors and academics dissect them from ethical political legal economic and historical perspectives Drawn from the world famous Oxford Amnesty Lectures the essays are substantial contributions to their fields and of abiding relevance Here it is argued that members of active terrorist groups should be pre emptively executed that there is no provision for WOT in international law that WOT is not cost efficient that war and terrorism can no longer be distinguished and that the term terrorist has been captured by a specific political constituency The arguments of the celebrated contributors from Ahdaf Soueif to Joanna Bourke are confirmed or contradicted by their respondents resulting in broad scholarly coverage of the issues The book

concludes with a fatwa against terrorism WOT lies at the heart of current debate about immigration multiculturalism and foreign policy It is one of the determining debates in the politics of today This volume will be of interest to students of politics law and religion and to anyone concerned with current affairs It covers the politics of the Middle East and the Iraq War human rights in Islam and the West and the ethics of intervention This is a powerful contribution to an urgent debate
