Way Of Kings Second :

The Way of Kings Part Two Brandon Sanderson,2021-06-24 This is the second half of the epic fantasy novel The Way of Kings Roshar is a world of stone and storms Uncanny tempests of incredible power sweep across the rocky terrain so frequently that they have shaped ecology and civilisation alike Animals hide in shells trees pull in branches and grass retracts into the soil less ground Cities are built only where the topography offers shelter It has been centuries since the fall of the ten consecrated orders known as the Knights Radiant but their Shardblades and Shardplate remain mystical swords and suits of armour that transform ordinary men into near invincible warriors Men trade kingdoms for Shardblades Wars were fought for them and won by them One such war rages on a ruined landscape called the Shattered Plains There Kaladin who traded his medical apprenticeship for a spear to protect his little brother has been reduced to slavery In a war that makes no sense where ten armies fight separately against a single foe he struggles to save his men and to fathom the leaders who consider them expendable Brightlord Dalinar Kholin commands one of those other armies Like his brother the late king he is fascinated by an ancient text called The Way of Kings Troubled by over powering visions of ancient times and the Knights Radiant he has begun to doubt his own sanity Across the ocean an untried young woman named Shallan seeks to train under an eminent scholar and notorious heretic Dalinar s niece Jasnah Though she genuinely loves learning Shallan s motives are less than pure As she plans a daring theft her research for Jasnah hints at secrets of the Knights Radiant and the true cause of the war The result of more than ten years of planning writing and world building The Way of Kings is but the opening movement of The Stormlight Archive a bold masterpiece in the making Speak again the ancient oaths Life before death Strength before weakness Journey before Destination And return to men the Shards they once bore The Knights Radiant must stand again The story continues in The Way of Kings Part Two *The Creative Word, Second Edition* Walter Brueggemann,Amy Erickson,2015-08-01 Every faith community knows the challenges of inviting new members and the next generation into its shared life without falling into an arid traditionalism or a shallow relativism Walter Brueggemann finds a framework for education in the structure of the Hebrew Bible canon with its assertion of center and limit in the Torah of challenge in the Prophets and of inquiry in the Writings Incorporating best insights from canonical criticism Old Testament theology and pedagogical theory this revised edition is introduced by Amy Erickson of Iliff School of Theology Two Treatises ... see it as a mark of the blood and terror that will soon engulf this divided kingdom But one thing is certain None of the six contenders who seek either the Iron Throne or the lands their ancestors once held as kings are willing to back down And as factions scatter or come together there are many witnesses to the unrest that is to come Arya Stark finds herself in the heart of enemy territory at Harrenhal while her mother is trapped between two brothers battling each other for their dead brother's throne In the heart of King's Landing Tyrion is busy ferreting out traitors as the Hand of the King while Jon is beginning to comprehend the lawlessness of life beyond the Wall New friends arrive in Winterfell for Bran a forgotten son finds life in the Iron Islands quite different than he remembered and the Mother of Dragons at last arrives in the fabled city of Qarth But even as these would-be kings draw their lines of battle it is the people of Westeros who will most suffer for their ambitions For when kings clash it is the commoners who bear the greatest cost

A Biblical History of Israel, Second Edition Iain Provan, V. Philips Long, Tremper Longman III, 2015-10-23 For over a decade *A Biblical History of Israel* has gathered praise and criticism for its unapologetic approach to reconstructing the historical landscape of ancient Israel through a biblical lens In this much anticipated second edition the authors reassert that the Old Testament should be taken seriously as a historical document alongside other literary and archaeological sources Significantly revised and updated *A Biblical History of Israel Second Edition* includes the authors' direct response to critics In part 1 the authors review scholarly approaches to the historiography of ancient Israel and negate arguments against using the Bible as a primary source In part 2 they outline a history of ancient Israel from 2000 to 400 BCE by integrating both biblical and extrabiblical sources The second edition includes updated archaeological data and new references The text also provides seven maps and fourteen tables as useful references for students
