**Coaching in the Classroom** Linda L. Hopper Ph.D., 2024-08-18 Coaching has become mainstream in today's society You can hire a coach for sports training sorting out your finances making career decisions or in relationships Why then don't we have more coaching in education Linda Hopper took her 20 years of experience in business and coaching into the classroom to figure out how any teacher desiring more empowerment for students and teachers could become a teacher coach Knowing that teachers have precious little time Linda shares how she used Lesson Bites mini lessons in as little as 20 to 50 minutes a week to coach middle and high school students integrating principles of positive psychology and social emotional learning With a change in focus teacher coaches empower students with the mindsets tools and strategies to design a more meaningful life of well being bringing more relevance to learning in the classroom Despite being outdated the education system today still uses a one size fits all approach to learning that expects all students learn the same way and then evaluates progress only through standardized testing The good news is that teachers have the power to mitigate this obsolete method Through coaching educators can help students and themselves design lives that bring more joy a creative use of abilities and strengths and greater freedom from stress Linda Hopper PhD relies on over three decades of experience in business education coaching and as a parent to share insights into how the empowerment method of coaching fits into education and why teachers need to coach emotions first followed by information about the three key areas of personal development for students lesson bites from her toolbox and other resources that help educators coach students to attain better well being Through her guidance teachers will learn how to shift their perspective and empower students with the mindsets tools and strategies to create a life of purpose and meaning while bringing more relevance to learning in the classroom In this practical guide an experienced educator coach and parent offers ways to bring a greater awareness of well being into the classroom through coaching that benefits both teachers and students

**My Life's Ride** Rick Valente, 2025-06-05 Life is the ultimate workout It tests your strength pushes your limits and demands everything you've got In My Life's Ride Rick Valente former Mr Los Angeles and host of ESPN's BodyShaping shares his story of turning challenges into fuel for growth and building a life rooted in strength resilience and positivity In this memoir Rick takes you through his rise in bodybuilding his success as a fitness model and his time shaping lives on TV But this isn't just a highlight reel it's a raw and honest account of the adversity that tested his mental and physical endurance including the devastating losses of so many loved ones along the way Through it all Rick discovered that the most important muscle to strengthen is the mind The principles of fitness discipline

consistency and the ability to push through the pain apply just as much to life as they do to the gym Whether you re chasing your next PR navigating personal setbacks or striving to build a stronger mindset My Life s Ride will inspire you to stay focused stay positive and never stop moving forward Rick s powerful story calls for its readers to embrace life s challenges be grateful every day and always be committed to being the best version of yourself Are you ready to ride      **Radical Recovery**

Kelly,2012-12-20 In reading this book you will discover that you are much more powerful than your addiction much more powerful than the obsessive thoughts compulsive feelings and physical cravings that create so much pain and suffering in your life and the lives of those you love You will learn that there is no future in addiction just a regrettable past that keeps repeating itself over and over again You will cut through the recovery myths that result in an endless cycle of relapses It can inspire and motivate you to reach deep inside yourself and awaken the extraordinary powers that nature has bestowed on you as it guides you through a process that transforms cravings for alcohol or drugs into cravings for courage freedom honesty integrity humility and peace According to HBO s documentary Rehab of the 2 million people who seek treatment each year in the United States 1 840 000 will relapse within twelve months some the first day That s a 92 percent failure rate This is a national disgrace THE ANTIDOTE FOR ADDICTION With more than thirty five years of continuous sobriety Kelly presents not a cure but a powerful antidote for addiction something that counteracts or relieves a harmful or unwanted condition      *Go Thunk Yourself! S'more* Robert C. Worstell,2006-09-13 Take your life in your own hands Dreams CAN become Reality Those dreams you ve always had they can become reality easier than you ever imagined Because life around you has been telling you how hard it is and that you should simply give them up Fortunately conventional wisdom can be safely ignored this means you are free to live life as you choose it All the happiness abundance and great relationships you ve always wanted are already there at your fingertips You learned how to become rich and a success You studied how to use Thunking to free your mind and speed up your thinking Now change your world view into one you ve always dreamed of Get ready to have all your dreams come true      The Namaste Garden Maria Triano,2014-01-15 What if all you needed to do was close your eyes take some peaceful sweet slow breaths and put your focus on your all knowing heart Open to the world going on inside of you one that is guiding you inward to a place you only dreamed was possible The Namaste Garden opens a doorway for you to experience the inner landscape of unconditional love where your Spirit lives in a constant state of ease joy and peace It gently invites you to come home to your true self and to learn how our dreams are planted in the fertile soil of creation It offers a wonderful exploration for children and adults to expand their consciousness and to create a nurturing relationship with their own spirits while cultivating trust and faith that life is happening exactly as planned planted The words colors illustrations energy and intention contained within this book seek to open your inner wisdom and send you straight to place of beauty where you can clearly see and be present to a whole new way of experiencing life Plant your dreams and watch them grow The Namaste Garden even in its title is symbolic of how I see life Namaste the divine reverence

and recognition of all other beings as the divine sacred oneness and the self in union communion and celebration We are each a seed of birthing creative capacity in a full garden with other seeds of this full and vibrant potential and we are that garden in its fullness As I wrote in Conversations with the Universe the world is speaking to us as us all of the time Why To show us who we are all of who we are Maria Triano's delightful book is to be celebrated as her unique genius and expression flowering in the massive landscape of collective consciousness We all encompass a garden within as she says And as her example illustrates we are each a beautiful radiant blossom here to gift the world its light and brilliance in a way that is to be seen inhaled and honored As you do so your own garden will be nourished and begin to harvest the seeds of unique genius that nourish and blossom in the fields of all those awaiting your magnificence of your Namaste garden Simran Singh publisher of 11 11 Magazine host of 11 11 Talk Radio author humanitarian and rebel For more information about The Namaste Garden please send an e mail to thenamastegarden yahoo com or visit [www.balboapress.com](http://www.balboapress.com) *Perennial Seller* Ryan Holiday, 2017-07-18 The book that Inc says every entrepreneur should read and an FT Book of the Month selection How did the movie The Shawshank Redemption fail at the box office but go on to gross more than 100 million as a cult classic How did The 48 Laws of Power miss the bestseller lists for more than a decade and still sell more than a million copies How is Iron Maiden still filling stadiums worldwide without radio or TV exposure forty years after the band was founded Bestselling author and marketer Ryan Holiday calls such works and artists perennial sellers How do they endure and thrive while most books movies songs video games and pieces of art disappear quickly after initial success How can we create and market creative works that achieve longevity Holiday explores this mystery by drawing on his extensive experience working with businesses and creators such as Google American Apparel and the author John Grisham as well as his interviews with the minds behind some of the greatest perennial sellers of our time His fascinating examples include Rick Rubin producer for Adele Jay Z and the Red Hot Chili Peppers who teaches his artists to push past short term thinking and root their work in long term inspiration Tim Ferriss whose books have sold millions of copies in part because he rigorously tests every element of his work to see what generates the strongest response Seinfeld which managed to capture both the essence of the nineties and timeless themes to become a modern classic Harper Lee who transformed a muddled manuscript into To Kill a Mockingbird with the help of the right editor and feedback Winston Churchill Stefan Zweig and Lady Gaga who each learned the essential tenets of building a platform of loyal dedicated supporters Holiday reveals that the key to success for many perennial sellers is that their creators don't distinguish between the making and the marketing The product's purpose and audience are in the creator's mind from day one By thinking holistically about the relationship between their audience and their work creators of all kinds improve the chances that their offerings will stand the test of time **Inspired Marketing!** Joe Vitale, Craig Perrine, 2008-04-30 Inspired Marketing presents the inside secrets of today's most successful marketers If you sell anything this handy practical rainmaking guide reveals a new way to sell without resorting to hype scare tactics or
