Chapters 1-3 Reading and Study Questions

Directions: For each section, read each chapter carefully and take notes/annotate with post-it notes. Answer each question here with **significant depth and detail**. Credit will be given only for complete and detailed work. **Please submit your work to turnitin.com.**

Chapter 1

1. Describe Nick's socio-economic status/ class. What are some of his attitudes towards the upper class? Who does he say is specifically exempt from that judgment, and why? Do you think we can trust Nick's perceptions?

Nick was from West Egg which was considered to be middle class. The East Egg is considered to be upper class. Nick says, "Only Gatsby, the man who gives his name to this book, was exempt from my reaction-- Gatsby, who represented everything for which I have an unaffected scorn" (2). Gatsby is exempt from these judgements because Nick knows that he was born poor and he had to work for what he has now. I think we can trust Nick's perceptions sometimes. Some of the things he says are logical, but other things may not be credible.

2. a.) Take note of some of the characteristics and differences between East Egg and West Egg (consider making a t-chart). b.) **Connotative language** is language that carries implications beyond the literal meaning of words. Unlike **denotation** (the literal meaning of a word), it often contains subtextual emotional or cultural meanings. Examine the **connotative language** Fitzgerald uses to contrast West Egg and East Egg (provide examples). What does this reveal about the differences between the two sides of Long Island?

West Egg is described as the less fashionable of the two. There were a few houses in West Egg that were of higher value. East Egg is described as the upper class/wealthier side of the city. People from West Egg are said to have "new money" meaning that they didn't grow up wealthy and having money is "new". People in the East Egg have "old money" which means that they have always grown up having an abundance of money and that way of life is "old" to them.
