The History Of Love:

History of Love Nicole Krauss, 2006-04-25 Sixty years after a book's publication its author remembers his lost love and missing son while a teenage girl named for one of the book's characters seeks her namesake as well as a cure for her widowed mother's loneliness ~ **The history of love** Charles Hopkins, 1757 The Curious History of Love Jean-Claude Kaufmann, 2011-12-12 The one emotion that matters most to many people is the one about which social thinkers rarely speak love For many people love is the thing that matters most in their lives they are searching for love hoping to find in love a kind of happiness that they cannot find in their work or by surrounding themselves with material goods But where does this peculiar and powerful blending together of love and happiness come from and why do we find it such a compelling idea today In this short book Jean Claude Kaufmann offers a fresh account of the history of a feeling unlike any other The modern idea of love as passion was born in the 12th century but it was marginalized by the rise of a kind of instrumental calculating reason that became increasingly central to modern societies As calculating reason began to encroach on the personal domain many individuals sought to escape from it searching for happiness elsewhere As our societies become dominated by calculating reason and selfish individualism we search elsewhere for the kind of happy love that will heal all our wounds This is why we experience so many changes of heart in our personal lives at times we are coldly calculating and then a few moments later we sacrifice ourselves to love without a second thought Written by one of France's leading sociologists this highly readable book sheds new light on love and happiness and will resonate with many readers The History of Love Summary & Study Guide | Nicole Krauss , *The History of Love* Nicole Krauss, 2025-04-25 ONE OF THE MOST LOVED NOVELS OF THE DECADE A long lost book reappears mysteriously connecting an old man searching for his son and a girl seeking a cure for her widowed mother's loneliness Leo Gursky taps his radiator each evening to let his upstairs neighbor know he's still alive But it wasn't always like this in the Polish village of his youth he fell in love and wrote a book Sixty years later and half a world away fourteen year old Alma who was named after a character in that book undertakes an adventure to find her namesake and save her family With virtuosic skill and soaring imaginative power Nicole Krauss gradually draws these stories together toward a climax of extraordinary depth and beauty Newsday **Eulis! The History of Love: its Wondrous Magic, Chemistry, Rules, Laws, Modes, Moods and Rationale; Being the Third Revelation of Soul and Sex** Paschal Beverly Randolph, 2020-09-28 Sex is a thing of soul most people think it but a mere matter of earthly form and physical structure True there are some unsexed souls some no sex at all and others still claiming one gender and manifesting its exact opposite But its laws offices utilities and its deeper and diviner meanings are sealed books to all but about two in a million yet they ought to have the attentive study of every rational human being every aspirant to immortality beyond the grave In some sense this matter has been and is the subject of thought but only in its outer phases or its grosser aspects seldom in its higher ones and never until now in any of its loftier and mystical bearings Books by ship loads on one or two and

always either its physiological or sentimental sides of the subject have been put forth by ambitious M D s or notoriety seeking empirics books which mainly satisfied a prurient taste or morbid curiosity gave but little light and generally left their readers practically as ignorant as before Other books in other millions vile atrocious cancerous abounding with death in every line fraught with ruin on every page have been still are being scattered everywhere across the nations till the flower of the world s youth has been blighted and the morality of earth sapped dry Oh that literature foul disgusting beyond belief terrible as the cobra s fang keener than the dagger s edge monstrous as a drunkard s dream more devastating than the spotted plague until between the two millstones quackery pseudo professional literature on the one hand and the execrable libidinous abominations on the other one half of the manhood and womanhood of our nation has been ground into the very dust No punishment can be too severe for the disseminators of the latter no contempt too great for the authors of the former Not one of the very many respectable people including fifty French a score of English about as many Americans and a few German authors who have stained reams of good white paper and spilled gallons of ink in writing anent the sublime subject of sex have taken the trouble to go one inch below the surface but have been content to copy each other and repeat the same old worn out story else concealed a few good ideas in barrels of words They have taken man and woman shown us their anatomy explained something of physical gender said something about function and periods and there left us because they knew nothing further themselves For example there are ten thousand treatises extant concerning what the doctors call the sin of one Onan meaning thereby a certain nameless solitary vice But the man alluded to in the Bible never was guilty of that sin at all Albeit his crime was equally bad equally disastrous and hateful In these days it is politely called conjugal fraud and in plain terms consists of the nuptive union to the orgasmal climax which was allowed to occur only in a manner never intended by the Infinite God He wasted his seed upon the ground that he might not beget children to inherit his brother s name See Bible Millions do the accursed thing to day that they may be childless as indeed they deserve to be for he who does that heinous wrong commits a quadruple crime against his wife himself nature and God to say nothing about the right of all souls to be incarnated by the act of man

The History of Love Charles HOPKINS (Dramatist.),1793 **A History of Love and Hate in 21 Statues** Peter Hughes,2021-10-12 Why is it easy to hate and difficult to love When societies fracture into warring tribes we demonise those who oppose us We tear down our statues forgetting that what begins with the destruction of statues often leads to the killing of people Blending history philosophy and psychology A History of Love and Hate in 21 Statues is a compelling exploration of identity and power This remarkable book spans every continent religion and era through the creation and destruction of 21 statues from Hatshepsut and the Buddhas of Bamiyan to Mendelssohn Edward Colston and Frederick Douglass

A Philosophical History of Love Wayne Cristaudo,2012-08-14 A Philosophical History of Love explores the importance and development of love in the Western world Wayne Cristaudo argues that love is a materializing force a force consisting of various distinctive qualities or spirits He argues that we cannot understand Western

civilization unless we realize that within its philosophical and religious heritage there is a deep and profound recognition of love's creative and redemptive power. Cristaudo explores philosophical love: the love of wisdom and the love of God and neighbor. The history of the West is equally a history of phantasmic versions of love and the thwarting of love. Thus the history of our hells may be seen as the history of love's distortions and the repeated pseudo victories of our preferences for the phantasms of love. Cristaudo argues that the catastrophes from our phantasmic loves threaten to extinguish us, forcing us repeatedly to open ourselves to new possibilities of love, to new spirits. Fusing philosophy, literature, theology, psychology, and anthropology, the volume reviews major thinkers in the field from Plato and Freud to Pierce, Shakespeare, and Flaubert. Cristaudo explores the major themes of love of the Church, romantic love, and the return of the feminine; the conflict between familial and romantic love; love in a meaningless world; and the love of evil and the evolutionary idea of love. With Cristaudo, the reader embarks on a journey not just through time but also through the different kinds, origins, and spirits of love.
