The Hope Of The World The Restoration Principle:

Hope for the World Norleif Askeland, 2014-11-13 There are very few practical methods or techniques offered in this book What is offered instead are biblical ideas and broad scriptural outlines that practically guide our hearts when we face life's challenges My hope is that we can continue to follow some of the red threads that weave through the Bible revealing God's plan of transformation and restoration By tying these threads to Jesus Christ the Bible inspires us even more to take hold of the truths of God My prayer is that these truths from the Word of God will make it easier for you to see the dream of God and to understand his plans and purposes Norleif Askeland
