The Inspiration And Authority Of Scripture:

The Inspiration and Authority of the Bible Benjamin Breckinridge Warfield, 1948 Textual and higher criticism have decimated the faith of many and made divinity schools message less This is an analysis of questions asked by textual and higher criticism with the purpose of vindicating the viewpoint of an infallible Bible Inspiration and Authority Paul J. Achtemeier, 1999 In an evaluation of the Scriptures as the word of God inspiration is an essential element The long Protestant experience with this issue is both fruitful and painful for many have drawn false conclusions from the justified belief in inspiration Paul Achtemeier is a first rate scholar who combines scientific investigation with faith and his sensitivity and honest make this a most useful book for all interested in the Bible A better practical book on the subject would be hard to find Raymond E Brown former Auburn Distinguished Professor Emeritus Union Theological Seminary New York if Achtemeier s book reaches that large body of Christians looking for a nonfundamentalistic doctrine of Scripture it could play a major role in creating a framework for them He comes across as possessing a deep love and respect for the Bible and for the Lord and eager for people to place their minds and lives beneath its authority He offers us in the end of the doctrine of a covenantal Scripture given by God to his people for their edification and renewal a dynamic document which can perform this service two thousand years after its completion confronting us with God s Word for our situation through the power of the Spirit I am highly grateful for this book and recommend it highly to others Clark H Pinnock Professor of Theology McMaster Divinity College **Biblical Inspiration and the Authority of Scripture** Carlos R. Bovell, 2015-07-24 It has been some time since Catholic and liberal Protestant theologians stopped writing seriously on bibliology Meanwhile conservative evangelical theologians guard against the introduction of new ideas In an effort to make headway through this gridlock Carlos Bovell has commissioned a roundtable discussion on the prospect of whether the inspiration of Scripture might extend beyond authors and texts and if so what this might entail for the authority of Scripture Taken together the essays in this volume make an invaluable contribution to contemporary literature on the inspiration and authority of the Bible **The Inspiration and Authority of Holy Scripture** John Monro Gibson, 1908 **The Inspiration and Authority of Scripture** René Pache, 1992-06 **The Inspiration and Authority of the Bible** John Clifford, 1892 **The Inspiration and Authority of Scripture** René Pache, 1969 The Inspiration and Authority of Holy Scripture George Duncan Barry, 1919

The Inspiration of Scripture Paul J. Achtemeier, 1980 Christians generally agree that the Scriptures are inspired and that this doctrine is of basic importance But how is the doctrine of inspiration to be understood and what does it mean for our Christian faith Paul Achtemeier shows how recent knowledge of the way the Scriptures were formed raises problems in regard to the traditional understanding of inspiration In response he presents possibilities for a new approach to inspiration that is compatible with recent critical discoveries and allows the Bible to continue to play a meaningful role He deals with liberal and conservative views specific contradictions in the Bible and what the Bible says about itself A perceptive study The

God, Revelation and Authority: God Who Speaks and Shows (Vol. 4) Carl F. H. Henry, 1999-01-25 Part 4 in a monumental six volume set that presents an undeniable case for the revealed authority of God to a generation that has forgotten who he is and what he has done The Authority of Scripture: a Re-statement of the Argument Robert Ainslie Redford, 1883 *God's Word Alone---The Authority of Scripture* Matthew Barrett, 2016-09-20 Scholar and pastor Matthew Barrett retraces the historical and biblical roots of the doctrine that Scripture alone is the final and decisive authority for God's people God's Word Alone is a decisive defense of the Bible as the inspired and inerrant Word of God Revitalizing one of the five great declarations of the Reformation sola Scriptura Barrett Analyzes what the idea of sola Scriptura is and what it entails clarifying why the doctrine is truth and why it's so essential to Christianity Surveys the development of this theme in the Reformation and traces the crisis that followed resulting in a shift away from the authority of Scripture Shows that we need to recover a robust doctrine of Scripture's authority in the face of today's challenges and why a solid doctrinal foundation built on God's Word is the best hope for the future of the church This book is an exploration of the past in order to better understand our present and the importance of reviving this indispensable doctrine for the Christian faith and church today THE FIVE SOLAS Historians and theologians have long recognized that at the heart of the sixteenth century Protestant Reformation were five declarations often referred to as the solas These five statements summarize much of what the Reformation was about and they distinguish Protestantism from other expressions of the Christian faith that they place ultimate and final authority in the Scriptures acknowledge the work of Christ alone as sufficient for redemption recognize that salvation is by grace alone through faith alone and seek to do all things for God's glory The Five Solas Series is more than a simple rehashing of these statements but instead expounds upon the biblical reasoning behind them leading to a more profound theological vision of our lives and callings as Christians and churches
