## The German War Some Sidelights and Reflections

Doyle, Arthur Conan, Sir

# The Ger War Some Sidelights And Reflections

**Laurence W. Mazzeno**

## **The Ger War Some Sidelights And Reflections:**

**The German War** Arthur Conan Doyle,1914 This book contains nine essays upon different phases of the world drama which has made Conan Doyle s lifetime memorable He himself thought them unworthy of republication were it not that at such a time every smallest thing which may help to clear up a doubt to elucidate the justice of the British cause or to accentuate the desperate need of national effort should be thrown into the scale Included are I The Causes of the War II The World War Conspiracy III The Devil s Doctrine IV The Great German Plot V The Contemptible Little Army VI A Policy of Murder VII Madness VIII Great Britain and the Next War IX Afterthoughts Twentieth Century Crime & Mystery Writers

NA NA,2015-12-25 **The Critical Reception of Sir Arthur Conan Doyle** Laurence W. Mazzeno,2023 Examines both academic and popular assessments of Conan Doyle s work giving pride of place to the Holmes stories and their adaptations and also attending to the wide range of his published work Twenty first century readers television viewers and moviegoers know Arthur Conan Doyle as the creator of Sherlock Holmes the world s most recognizable fictional detective Holmes s enduring popularity has kept Conan Doyle in the public eye However Holmes has taken on a life of his own generating a steady stream of critical commentary while Conan Doyle s other works are slighted or ignored Yet the Holmes stories make up only a small portion of Conan Doyle s published work which includes mainstream and historical fiction history drama medical spiritualist and political tracts and even essays on photography When Doyle published whatever the subject his contemporaries took note Yet outside of the fiction featuring Sherlock Holmes until recently relatively little has been done to analyze the reception Conan Doyle s work received during his lifetime and since his death This book examines both academic and popular assessments of Conan Doyle s work giving pride of place to the Holmes stories and their many adaptations for print visual and online media but attending to his other contributions to turn of the twentieth century culture as well The availability of periodicals and newspapers online makes it possible to develop an assessment of Conan Doyle s and Sherlock Holmes s reputation among a wider readership and viewership thus allowing for development of a broader and more accurate portrait of Doyle s place in literary and cultural history *Case of Sherlock Holmes* Andrew Glazzard,2018-08-13

The Case of Sherlock Holmes uncovers what is untold partly told wrongly told or deliberately concealed in Arthur Conan Doyle s Sherlock Holmes saga **The German War** Arthur Conan Doyle,2021-11-09 In The German War Arthur Conan Doyle crafts a compelling narrative that intertwines historical analysis with passionate rhetoric reflecting on the complexities of World War I and its broader implications Written with Doyle s characteristic clarity and vigor this work is both a call to understanding and a defense of Britain s involvement in the conflict The literary style blends persuasive essay with meticulous historical documentation appealing to contemporary readers while also capturing the spirit of a nation grappling with unprecedented challenges and moral dilemmas during the Great War Doyle famed for his creation of the Sherlock Holmes character was deeply engaged in the socio political fabric of his time marked by his fervent patriotism and belief in

justice His background as a physician and a war correspondent provided him with unique insights into the human condition which he channels into this work His experiences in the Boer War and keen interest in military strategy further influenced his perspective on the necessity and urgency of Britain's actions against German aggression during World War I The German War deserves a place on the shelves of readers interested in military history literature and the socio political ramifications of conflict Doyle's analysis not only illuminates the historical context of World War I but also resonates with modern readers questioning the moral responsibilities of nations in times of war

*Catalogue of War Publications*, 1917    The Liberal Year Book, 1919    *Liberal year book*, 1917    **The Liberal Yearbook**, 1916    *Quarterly Bulletin* Brooklyn Public Library, 1914    **Bulletin (1901-195 )** Brooklyn Public Library, 1915    **Bulletin of the Brooklyn Public Library** Brooklyn Public Library, 1914    **Brooklyn Public Library News Bulletin** Brooklyn Public Library, 1913    **The Publishers' Circular and Booksellers' Record**, 1915    **British Books**, 1900    *The Publisher*, 1901    **Publishers' Circular and Booksellers' Record of British and Foreign Literature**, 1900    **Threatened Masculinity from British Fiction to Cold War German Cinema** Joseph Willis, 2019-05-30

The impact of the Cold War on German male identities can be seen in the nation's cinematic search for a masculine paradigm that rejected the fate centered value system of its National Socialist past while also recognizing that German males once again had become victims of fate and fatalism but now within the value system of the Soviet and American hegemonies that determined the fate of Cold War Germany and Central Europe This monograph is the first to demonstrate that this Cold War cinematic search sought out a meaningful masculine paradigm through film adaptations of late Victorian and Edwardian male writers who likewise sought a means of self determination within a hegemonic structure that often left few opportunities for personal agency In contrast to the scholarly practice of exploring categories of modern masculinity such as Victorian imperialist manliness or German Cold War male identity as distinct from each other this monograph offers an important comparative corrective that brings forward an extremely influential century long trajectory of threatened masculinity For German Cold War masculinity lessons were to be learned from history namely from late Victorian and Edwardian models of manliness Cold War Germans like the Victorians before them had to confront the unknowns of a new world without fear or hesitation In a Cold War mentality where nuclear technology and geographic distance had trumped face to face confrontation between East and West Cold War German masculinity sought alternatives to the insanity of mutual nuclear destruction by choosing not just to confront threats but to resolve threats directly through personal agency and self determination

*List of Publications Bearing on the War ...* George Walter Prothero, 1915    **The Bookman**, 1915

Eventually, you will unconditionally discover a extra experience and attainment by spending more cash. yet when? pull off you agree to that you require to acquire those every needs in the same way as having significantly cash? Why dont you attempt to get something basic in the beginning? Thats something that will guide you to comprehend even more all but the globe, experience, some places, similar to history, amusement, and a lot more?

It is your categorically own time to produce a result reviewing habit. among guides you could enjoy now is **The Ger War Some Sidelights And Reflections** below.
