Islam Beyond the Violent Jihadis Ziauddin Sardar, 2016-04-07 Islam has been corrupted A virulent strain of the religion manifests itself in bloodthirsty mutations such as Boko Haram in Nigeria and the terrifying spectre of ISIS But behind the atrocities and turmoil lie many different versions and visions of Islam each struggling to survive in a rapidly changing world Ziauddin Sardar with inimitable wit and intelligence chronicles the diversity and richness of Islam and in doing so answers a host of frequently asked questions Is Islam inherently violent and misogynistic Why do young men and women choose to join the jihadi caliphate What part should Muhammad s teachings play in our own times Islam Beyond the Violent Jihadis argues for a pluralistic and reflective religion with a distinguished past but one that appears to have been wrenched from its noble origins by rigid fundamentalism In examining how we have nourished the rise of Islamic jihadi groups Sardar urges us all to work together to preserve the sanity of our world The Gigantic Beard that was Evil Stephen Dando-Collins, 2014

Reading the Romantic Ridiculous Andrew McInnes, Rita J. Dashwood, 2024-09-02 Reading The Romantic Ridiculous aims to take Romantic Studies from the sublime to the ridiculous Building on recent work that decentres the myth of the solitary genius this duograph theorises the ridiculous as an alternative affect to the sublime privileging collective laughter above solitude and selfishness and reflecting on these ideals through the practice of joint authorship Tracing the history of the ridiculous through Romantic and post Romantic debates about sublimity from the rediscovery of Longinus and the aesthetic theories of Burke and Kant to contemporary queer and postcolonial theory interested in silliness lowness and vulnerability

Reading the Romantic Ridiculous explores Romanticism's surprising commitments to ridiculousness in canonical material by writers such as Samuel Taylor Coleridge Jane Austen and Charles Lamb as well as lesser known material from joke books to children's literature In theory and practice this duograph also considers the legacies of Romanticism and ridiculousness today analysing their influence on independent film sitcoms and young adult fiction as well as their place in higher education now

The Muslim Difference Youshaa Patel, 2022-11-01 A sweeping history of Muslim identity from its origins in late antiquity to the present How did Muslims across time and place define the line between themselves and their neighbors Youshaa Patel explores why the Prophet Muhammad first advised his followers to emulate Christians and Jews but then allegedly reversed course urging them to be different He details how subsequent generations of Muslim scholars canonized the Prophet's admonition into an influential doctrine against imitation that enjoined ordinary believers to embody and display their religious difference in public life Tracing this Islamic discourse from its origins in Arabia to Mamluk and Ottoman Damascus colonial Egypt and beyond this sweeping intellectual and social history offers a panoramic view of Muslim identity revealing unexpected intersections between religion and other markers of difference across ethnicity gender and status Patel illustrates that contemporary debates in the West over visible expressions of Islam from headscarves and beards to minarets and mosques are just the latest iterations in a long history of how small differences have defined Muslim interreligious encounters
