

Most Significant Passages

The Great Gatsby

Chapter 8

“I told her she might fool me but she couldn't fool God.

“They're a rotten crowd. You're worth the whole damn bunch put together.

“I have an idea that Gatsby himself didn't believe it would come, and perhaps he no longer cared.

Using Informational Text to Teach The Great Gatsby

Audrey Fisch,Susan Chenelle,2018-03-22 The Common Core State Standards initiated major changes for language arts teachers particularly the emphasis on informational text Language arts teachers were asked to shift attention toward informational texts without taking away from the teaching of literature Teachers however need to incorporate nonfiction in

ways that enhance rather than take away from their teaching of literature The Using Informational Text series is designed to help In this fourth volume Volume 1 Using Informational Text to Teach To Kill a Mockingbird Volume 2 Using Informational Text to Teach A Raisin in the Sun Volume 3 Connecting Across Disciplines Collaborating with Informational Text we offer challenging and engaging readings to enhance your teaching of Gatsby Texts from a wide range of genres a TED Talk federal legislation economic policy material newspaper articles and 1920s political writing and on a variety of topics income inequality nativism and immigration anti-Semitism the relationship between wealth and cheating the Black Sox scandal and newspaper coverage and prohibition help students answer essential questions about F Scott Fitzgerald's novel Each informational text is part of a student friendly unit with media links reading strategies vocabulary discussion and writing activities and out of the box class activities

The View from Here R. Jay Wallace, 2018-02-06 Must we always later regret actions that were wrong for us to perform at the time Can there ever be good reason to affirm things in the past that we know were unfortunate In this original work of moral philosophy R Jay Wallace shows that the standpoint from which we look back on our lives is shaped by our present attachments to persons to the projects that imbue our lives with meaning and to life itself Through a distinctive affirmation dynamic these attachments commit us to affirming the necessary conditions of their objects The result is that we are sometimes unable to regret events and circumstances that were originally unjustified or otherwise somehow objectionable Wallace traces these themes through a range of examples A teenage girl makes an ill advised decision to conceive a child but her love for the child once it has been born makes it impossible for her to regret that earlier decision The painter Paul Gauguin abandons his family to pursue his true artistic calling and eventual life project in Tahiti which means he cannot truly regret his abdication of familial responsibility The View from Here offers new interpretations of these classic cases challenging their treatment by Bernard Williams and others Another example is the bourgeois predicament we are committed to affirming the regrettable social inequalities that make possible the expensive activities that give our lives meaning Generalizing from such situations Wallace defends the view that our attachments inevitably commit us to affirming historical conditions that we cannot regard as worthy of being affirmed a modest form of nihilism

English Teachers - The Unofficial Guide Bethan Marshall, 2014-05-01 Bethan Marshall traces the competing traditions of English teaching and considers their relevance to the current debate through an analysis of English teachers' views about themselves and their subject The findings are based on a highly original research method in which teachers were asked to respond to and comment upon five different descriptions of their approaches to English teaching English Teachers The Unofficial Guide contextualises current debates about English teaching within the subject's contested history provides a vehicle for teachers to reflect on their own practice and locate themselves within the debate opens up the debate on assessment practices within English teaching

thinkers we need Yes contend Jim Burke and Barry Gilmore because these are the moves that make the mind work and students must learn if they re to achieve academically With Academic Moves Jim and Barry distill each of these 15 powerhouse processes into a potent concision that nevertheless spans core subject areas Before during and after sections offer essential questions lesson ideas and activities Student samples illustrate what to look for and the process for getting there Culminating tasks include producing an analytic essay argument and more Reproducible rubrics assist with assessment

F. Scott Fitzgerald's The Great Gatsby Harold Bloom,2009 Presents a series of critical essays discussing the structure themes and subject matter of Fitzgerald s story of the love between wealthy Jay Gatsby and the beautiful Daisy Buchanan

Inside The Great Gatsby A.E. Elmore,2025-02-15 Inside The Great Gatsby The Hidden Subtext is a revolutionary analysis of the famed novel that reveals its important previously unknown literary foundations drawn from classical and modern literature including the works of Dante Milton Conrad Spengler Frazer Weston Joyce Eliot and the King James Bible Other studies of the novel have focused primarily on its biographical cultural or social issues but none prior to Elmore s have systematically examined the unrecognized debts Gatsby owes to previous literary works The ultimate irony is that Gatsby lauded as one of the greatest novels in the English language earned its stature based solely on recognition of only a part of its whole the literal narrative or surface story without realization or acknowledgment of its foundational subtext the hidden layer that links it to the universal library of human experience most of which remained undetected until the centennial year of the novel s original publication

Risk: A Study Of Its Origins, History And Politics Matthias Beck,Beth Kewell,2014-01-13 Over a period of several centuries the academic study of risk has evolved as a distinct body of thought which continues to influence conceptual developments in fields such as economics management politics and sociology However few scholarly works have given a chronological account of cultural and intellectual trends relating to the understanding and analysis of risks Risk A Study of its Origins History and Politics aims to fill this gap by providing a detailed study of key turning points in the evolution of society s understanding of risk Using a wide range of primary and secondary materials Matthias Beck and Beth Kewell map the political origins and moral reach of some of the most influential ideas associated with risk and uncertainty at specific periods of time The historical focus of the book makes it an excellent introduction for readers who wish to go beyond specific risk management techniques and their theoretical underpinnings to gain an understanding of the history and politics of risk

Business Is Good James L. W. West III,2023-03-14 Widely regarded as one of America s great authors F Scott Fitzgerald led a life of drama and extravagance that often overshadowed his writing career This book refocuses attention on how Fitzgerald viewed and approached the business of writing Fitzgerald scholar James L W West III explores the writer s professional life through personal letters manuscripts his business ledger editions of his novels and even a seven year plan In assessing these diverse materials West reveals fascinating details about what led Fitzgerald to follow authorship as a calling why he took on certain projects how he managed his finances and what

influenced his writing style Connecting Fitzgerald s career to his literary texts West also provides new information on the development and publication history of some of Fitzgerald s most important works such as *The Great Gatsby* and *Jacob s Ladder* Throughout West pays close attention to the delicate balance in Fitzgerald s career between money and literary respectability commerce and art A keen engaging and intimate look at Fitzgerald s day to day work of writing for a living *Business Is Good* is a must have for anyone who wants a better understanding of this American literary giant
