

*The perfect love involves the one he desires
in a room filled with flowers, incense is burning, he
wears his most handsome clothes, and has all his
senses present. He sets his body adorned with
all his jewelry on his left, and begins a
body conversation with her...*

—from The Illustrated Koka Shastra

Composed by Kallidasa, medieval poet and student of the Kama Sutra, these words of advice are as creative and relevant today as they were hundreds of years ago. This literal translation of the Koka Shastra by the world-famous translator Alex Comfort—author of the bestselling *Boy of Sex*—is available here for the first time. The Illustrated Koka Shastra is a genius exploration of the scientific and sexual interactions of men and women. Describing a time when sexuality and culture were one to be practiced and perfected, the beautiful advice is filled with fascinating descriptions of the physical types of women and men, descriptions of the nature of their interactions, and various explorations of fascinating practices. Today, these erotic writings and sexual descriptions provide us with an entire world of sexual pleasure while sharing carefully presented techniques that improve lovemaking. Unabridged and adorned with full images drawn from a never-before-published collection of precious Indian art, The Illustrated Koka Shastra is a true volume for all times.
