

The background of the cover is a classic Calvin and Hobbes comic illustration. On the left, Hobbes, a large anthropomorphic tiger, is shown from the chest up, wearing a striped orange and black shirt. He is looking down at Calvin, who is a small boy with spiky brown hair, wearing a red shirt and blue pants. Calvin is sitting on the ground, looking up at Hobbes. A large, thick tree trunk lies horizontally across the middle of the scene. In the background, there are green bushes and a yellow sky. A blue ball is on the ground near the tree trunk. The title text is enclosed in a white rectangular box with a purple border.

medium of newspaper comics Schulz's Peanuts ran for a half century during which time he drew the strip and its characters to express keen observations on postwar American life and culture As Peanuts popularity grew Schulz had opportunities to shape the iconography style and philosophy of modern life in ways he never could have imagined when he began the strip in 1950 Edited by leading scholars Jared Gardner and Ian Gordon this volume ranges over a spectrum of Schulz's accomplishments and influence touching on everything from cartoon aesthetics to the marketing of global fast food Philosophy ethics and cultural history all come into play Indeed the book even highlights Snoopy's global reach as American soft power As the broad interdisciplinary range of this volume makes clear Peanuts offers countless possibilities for study and analysis From many perspectives including childhood studies ethnic studies health and exercise studies as well as sociology The Comics of Charles Schulz offers the most comprehensive and diverse study of the most influential cartoonist during the second half of the twentieth century     *Attack of the Deranged Mutant Killer Monster Snow Goons* Bill Watterson, 1992
