Dread Trident Curtis D. Carbonell, 2019 *Dread Trident* examines the rise of imaginary worlds in tabletop role playing games TRPGs such as Dungeons and Dragons With the combination of analog and digital mechanisms from traditional books to the internet new ways of engaging the fantastic have become increasingly realized in recent years and this book seeks an understanding of this phenomenon within the discourses of trans and posthumanism as well as within a gameist mode The book explores a number of case studies of foundational TRPGs Dungeons and Dragons provides an illustration of pulp driven fantasy particularly in the way it harmonizes its many campaign settings into a functional multiverse It also acts as a supreme example of depth within its archive of official and unofficial published material stretching back four decades Warhammer 40k and the Worlds of Darkness present an interesting dialogue between Gothic and science fantasy elements The Mythos of HP Lovecraft also features prominently in the book as an example of a realized world that spans the literary and gameist modes Realized fantasy worlds are becoming ever more popular as a way of experiencing a touch of the magical within modern life Reworking Northrop Frye's definition of irony *Dread Trident* theorizes an ironic understanding of this process and in particular of its embodied forms **Computer Gaming World**, 2001 **Role Playing Materials** Rafael Bienia, 2016-04-11 *Die Dissertation Role Playing Materials untersucht die materielle Seite von Larp Mixed Reality und Pen n Paper Rollenspielen Wie kooperieren Gewandung Virtuelle Realit t Brille oder ein Bleistift mit Erz hlung und Spielregeln Neben Antworten auf diese Frage versucht das Buch das Verst ndnis von Rollenspiel als eine Handlung zu erweitern die nicht nur von Menschen gepr gt wird Role Playing Materials examines how larp mixed and tabletop role playing games work Costumes computers pen and paper are not passive elements Materials change and are changed during role playing game sessions because they work together with narrative and ludic elements If we think about materials as social elements how do they make role playing games work To answer this question Role Playing Materials draws on ethnographic fieldwork among role playing communities in Germany The analysis draws upon the fields of game studies and science technology and society studies *Dragons in the Stacks* Steven A. Torres-Roman, Cason E. Snow, 2014-10-17 A one stop complete guide to tabletop role playing games for novice librarians as well as seasoned players Tabletop role playing games RPGs are a perfect fit for library teen services They not only hold great appeal for teen patrons but also help build important skills ranging from math and literacy to leadership and dramatics Role playing games are cost effective too *Dragons in the Stacks* explains why RPGs are so effective at holding teenagers attention identifies their specific benefits outlines how to select and maintain a RPG collection and demonstrates how they can enhance teen services and be used in teen programs Detailed reviews of role playing games are included as well with pointers on their strengths weaknesses and library applications Coauthored by an experienced young adult librarian and an adult services librarian this is the definitive guide to RPGs in the library and the only one currently available *Librarian's Guide to Games and Gamers* Michelle Goodridge, Matthew J.*

Rohweder,2021-11-15 Helps librarians who are not themselves seasoned gamers to better understand the plethora of gaming products available and how they might appeal to library users As games grow ever more ubiquitous in our culture and communities they have become popular staples in public library collections and are increasing in prominence in academic ones Many librarians especially those who are not themselves gamers or are only acquainted with a handful of games are ill prepared to successfully advise patrons who use games This book provides the tools to help adult and youth services librarians to better understand the gaming landscape and better serve gamers in discovery of new games whether they are new to gaming or seasoned players through advisory services This book maps all types of games board roleplaying digital and virtual reality providing all the information needed to understand and appropriately recommend games to library users Organized by game type hundreds of descriptions offer not only bibliographic information title publication date series and format platform but genre classifications target age ranges for players notes on gameplay and user behavior type and short descriptions of the game s basic premise and appeals
