Politically Incorrect Guide To English:

Politically Incorrect Guide to English and American Literature Elizabeth Kantor, 2006-11-13 What PC English professors don't want you to learn from Beowulf If we don't admire heroes there's something wrong with us Chaucer Chivalry has contributed enormously to women's happiness Shakespeare Some choices are inherently destructive it's just built into the nature of things Milton Our intellectual freedoms are Christian not anti-Christian in origin Jane Austen Most men would be improved if they were more patriarchal than they actually are Dickens Reformers can do more harm than the injustices they set out to reform T S Eliot Tradition is necessary to culture Flannery O'Connor Even modern American liberals aren't immune to original sin

The Politically Incorrect Guide to the British Empire H. W. Crocker, III, 2011-10-24 Presents an irreverent and humorous look at the four hundred year history of the British empire

The Politically Incorrect Guide to Capitalism Robert P. Murphy, 2007-04-09 An irreverent look at capitalism that exposes common fallacies and offers simple explanations of complex issues related to capitalism and its role in the world's economy

[Politically Incorrect Guide to the Civil War](#) H. W. Crocker, 2008-10-21 The Politically Incorrect Guide to the Civil War is a joyful myth busting rebel yell that shatters today's Leftist and demeaning stereotypes about the South and the Civil War

[Politically Incorrect Guide to Hunting](#) Frank Miniter, 2007-08-21 Why the Left's anti hunting propaganda is dead wrong Nothing is more hated and more misunderstood by the trendy Left than hunting But now intrepid hunter and pro hunting activist Frank Miniter sets the record straight In *The Politically Incorrect Guide to Hunting* he details the concrete benefits that hunting provides to all of us even how it helps the environment Speaking with wildlife biologists hunters farmers anti hunters and victims of animal attacks Miniter explains how banning hunting negatively affects wildlife populations and conservation Miniter's fearless politically incorrect take on hunting lays out the facts that liberal environmentalists don't want you to know

The Politically Incorrect Guide to the Founding Fathers Brion McClanahan, 2009-06-30 Argues that such figures as George Washington Thomas Jefferson and Ben Franklin laid the foundations of American civil liberty and had a better understanding of problems facing Americans today than the current U S Congress

The Politically Incorrect Guide to Darwinism And Intelligent Design Jonathan Wells, 2006-08-01 A non technical analysis of the controversial culture war over Darwin versus intelligent design states that there is no irrefutable evidence supporting Darwinism argues that Darwin based theories that are taught in school are not fact based and reveals how scientists at major universities believe in intelligent design Original

The Politically Incorrect Guide to Socialism Kevin Williamson, 2011-01-10 Argues that the same impulse for control that governed the Soviet Union is present in the American health care and educational systems and that socialism can never work because of human nature

Politically Incorrect Guide to the American Revolution Larry Schweikart, Dave Dougherty, 2017-06-26 The truth about the American Revolution is under attack Despite what you may have learned in school it wasn't a rich slaveholder's war fought to maintain white privilege In fact the War of Independence wasn't about maintaining any status

quo it was the world's first successful bottom up revolution by the people ushering in a new dawn of liberty that history had never seen before But with left wingers dominating the teaching of history where can you go for the true story of the unprecedented events that made the United States the world's greatest nation Now bestselling historian Larry Schweikart has teamed up with author Dave Dougherty to write the ground breaking patriotic history you've always wanted to read about the foundation of our unique nation The Politically Incorrect Guide to the American Revolution reveals Four key factors that applied only in America making it impossible to replicate the Revolution anywhere else Why it matters that the Patriot fighting force was overwhelmingly Scotch Irish The key role of Protestantism which denominations tended to become Patriots and which Tories How Americans were different from the Europeans and English even at the outset of the Revolution How the casualties of the deadliest war in American history are routinely underreported How our Revolution became a model for hundreds of others that all failed Schweikart and Dougherty take on the left wing myths starting with the Marxist narrative of the Revolution in Howard Zinn's nearly ubiquitous A People's History of the United States and uncover the truth about America's beginning

The Politically Incorrect Guide to the Supreme Court John Yoo, Robert J. Delahunty, 2023-06-27

Justice in the Balance Alexander Hamilton famously predicted that the judiciary would be the least dangerous branch of government How's that working out The Supreme Court stands as arbiter over a country increasingly unable to govern itself Americans can't agree on the meaning of the Constitution or even the rule of law Are the nine high priests enthroned in their marble temple the saviors of the Republic or the pallbearers of democracy Are they defenders of the Constitution as written or super legislators who make law from the bench What did the Founders envision when they vested the judicial Power in one supreme Court John Yoo a professor of law at UC Berkeley and Robert J Delahunty a fellow at the Claremont Institute Center for the American Way of Life provide the answers with an incisive reading of the law and constitutional history The Politically Incorrect Guide to the Supreme Court explains The turbulent history of the court's early years and the eventual triumph of judicial supremacy The Bill of Rights how the Court has defined free speech freedom of religion and the right to bear arms The Court's notorious rulings and how they were overturned from Dred Scott to Roe v Wade Why court packing is a constant temptation for Democratic presidents The Supreme Court's best and worst justices and what qualities distinguished them The future of the Supreme Court Will it be the rubber stamp of corrupt administrations or the ultimate watchdog protecting our nation's liberties The Politically Incorrect Guide to the Supreme Court offers a penetrating and irreverent account of the justices ideologues and cowards geniuses and mediocrities all of them thoroughly human and a fascinating analysis of a Court that has swung like a pendulum from preserving the Republic to undermining government by the people and back to defending the Constitution Sprightly informative and powerfully argued this book is guaranteed to give the reader a deeper understanding of America's most powerful judicial body

Politically Incorrect Guide to Western Civilization Anthony Esolen, 2008-05-27 Everything you should know but PC professors won't teach about Western heritage Western civilization is

the envy of the globe It has given to the world universally accepted understandings of human rights rooted in Judeo Christian principles created standards for art music and literature that have never been equaled and originated political and social systems that have spread all across the planet Political correctness now obscures these and other truths about Western civilization Leftists and Islamic jihadists find common cause in assailing Western colonialism imperialism and racism as its defining characteristics Guilt ridden Western leaders and public figures speak of their cultural patrimony in disparaging terms they would never dare to use about a non Western culture And in universities multicultural minded professors flatter students into believing they have nothing really to learn from Sophocles or Shakespeare But now Professor Anthony Esolen one of the team teachers of Providence College s esteemed Development of Western Civilization Core Curriculum has risen to the West s defense The Politically Incorrect Guide TM to Western Civilization takes on the prevailing liberal assumptions that make Western civilization the universal whipping boy for today s global problems and introduces you to the significant events individuals nations ideas and artistic achievements that make Western civilization the greatest the world has ever known Today defending the West has become an urgent imperative if we don t value what we have and what we have inherited we will surely lose it The Politically Incorrect Guide tm to Western Civilization is an essential sourcebook for that defense

Politically Incorrect Guide to the Constitution Kevin Gutzman, 2007-06-11 The Constitution of the United States created a representative republic marked by federalism and the separation of powers Yet numerous federal judges led by the Supreme Court have used the Constitution as a blank check to substitute their own views on hot button issues such as abortion capital punishment and same sex marriage for perfectly constitutional laws enacted by We the People through our elected representatives Now The Politically Incorrect Guide to the Constitution shows that there is very little relationship between the Constitution as ratified by the thirteen original states more than two centuries ago and the constitutional law imposed upon us since then Instead of the system of state level decision makers and elected officials the Constitution was intended to create judges have given us a highly centralized system in which bureaucrats and appointed not elected officials make most of the important policies In The Politically Incorrect Guide to the Constitution Professor Kevin Gutzman explains how the Constitution Was understood by the founders who wrote it and the people who ratified it Follows the Supreme Court as it uses the fig leaf of the Constitution to cover its naked usurpation of the rights and powers the Constitution explicitly reserves to the states and to the people Slid from the Constitution s republican federal government with its very limited powers to an unrepblican judgeocracy with limitless powers How the Fourteenth Amendment has been twisted to use the Bill of Rights as a check on state power instead of on federal power as originally intended The radical inconsistency between constitutional law and the rule of law Contends that the judges who receive the most attention in history books are celebrated for acting against the Constitution rather than for it As Professor Gutzman shows constitutional law is supposed to apply the Constitution s plain meaning to prevent judges presidents and congresses from overstepping their authority If we want to

return to the founding fathers vision of the Republic if we want the Constitution enforced in the way it was explained to the people at the time of its ratification then we have to overcome the received wisdom about what constitutional law is

The Politically Incorrect Guide to the Constitution is an important step in that direction

Politically Incorrect Guide to Immigration John Zmirak, Al Perrotta, 2018-05-21 America's immigration crisis is out of control Unregulated immigration has led to an increase in crime a loss of working class jobs an inflated welfare state and an elevated amount of terror threats on our home territory The clash of differing emotions facts and opinions reveal that this issue is not simply a nationwide disagreement it is an American crisis In *The Politically Incorrect Guide to Immigration* authors John Zmirak and Al Perrotta debunk the Left's most deceptive myths on this complex policy issue and reveal the huge implications that lie ahead for our nation's future Zmirak and Perrotta set the record straight on the history of American immigration uncover the principles with which our forefathers migrated to America affirm the respect with which migrants should treat our country if they wish to live here and assert real solutions to the immigration crisis America faces *The Politically Incorrect Guide to Immigration* equips readers with real life statistics and information and is packed with targeted arguments to help convince even the staunchest advocates for open borders that America needs to build The Wall You may think you know all about immigration but in *The Politically Incorrect Guide to Immigration* you'll learn Building The Wall would cost less than half of what we spend to educate illegal immigrants every year Illegal immigration costs American taxpayers 116 billion a year 62% of naturalized immigrants are for the Democrats only 25% are for the Republicans Competition from immigrants costs American worker 450 billion a year The Founders wanted to admit only immigrants who would make a net contribution and assimilate Millions of nineteenth century immigrants who couldn't make it in America went back home The percent of foreign born in the United States today is the highest since World War I and this time we're not doing Americanization After Reagan's 1986 Amnesty the illegal population went from 3.2 million to 11 million Over 700,000 foreign visitors to the United States in 2016 overstayed their visas Eighty percent of Central American women and girls who enter the United States illegally are raped along the way Non citizens are only 9 percent of our population but 27 percent of federal prisoners One hundred forty seven million more people from around the world would like to move to the United States

The Politically Incorrect Guide to the Bible Robert J. Hutchinson, 2007-09-18 Defends the reliability of the Bible and argues that it is the source of Western ideas of charity justice reason science and democracy

A Time to Clash Doug Giles, 2007-11 *Transformed Thinking: A Defense of the Christian Worldview, English Standard Version* Dr. Tom Wheeler, 2020-01-01 Believers need to learn to defend the Christian worldview In today's world of varying religions it's becoming more important for a Christian to know what they believe and why they believe it In *Transformed Thinking* Tom Wheeler clearly lays out the most fundamental beliefs of Christianity and compares them to other worldviews providing arguments to support his beliefs Even though this book is purposed for the classroom setting it would be a beneficial read for any believer who wants to have a firm foundation on

which to share their beliefs with unbelievers From the beginning of the world to the inerrancy of Scripture Transformed Thinking will provide you with solid answers for your faith Advance Praise for Transformed Thinking Transformed Thinking is a veritable encyclopedia of knowledge that provides foundational aspects in developing a Christian worldview Dr Brian Fairchild D Min Pastor Colonial Bible Church Midland Texas This book is a must read for every Christian layperson and leader in the Church Dr Sidney Dyer Ph D Professor of Greek and New Testament Greenville Presbyterian Theological Seminary In the years I ve taught high school seniors Tom Wheeler s Transformed Thinking has proved to be truly effective in establishing and strengthening Biblical thinking in a world full of opposing views Dr Drew Conley Ph D Pastor for Preaching and Teaching Hampton Park Baptist Church Greenville SC

10 Books Every Conservative Must Read

Benjamin Wiker,2010-06-15 Features a range of works that the author argues are essential reading for conservatives and Republicans including Democracy in America The Federalist Papers Sense and Sensibility and much more all of which hold important lessons within their pages By the author of 10 Books That Screwed Up the World Original *Where is American Literature?* Caroline F. Levander,2013-04-16 Where is American Literature offers a spirited and compelling argument for rethinking the way we view American literature in relation to the nation while powerfully demonstrating why it continues to matter in a global age A refreshing and accessible investigation into the various locations linguistic geographical virtual ideological where American writing is produced and consumed Takes a highly original approach by viewing US literature spatially rather than chronologically or thematically retuning our understanding of the subject The book offers a vital intervention in current debates over the impact of digital technologies on the production and reception of literature ensuring that the field remains lively and dynamic Invites readers to reconsider the subject by questioning current perspectives on and approaches to US literature offering a range of fresh perspectives on familiar texts and topics Temporary and Child Marriages in Iran and Afghanistan S. Behnaz Hosseini,2021-02-06 This book discusses the popularity of temporary and child marriages in Iran and Afghanistan and explores their historical background and the reasons why they still persist today Further it offers readers insights into the emotional and psychological violence that the women who have been subjected to these practices experience The respective contributions address the persistence of these traditions their ramifications for the wellbeing of women and the development of societies and human relations Taken together they offer an excellent academic tool for students academics and researchers studying the anthropology and sociology of kinship and family in the Middle East

Ten Ways to Destroy the Imagination of Your Child Anthony Esolen,2023-07-18 Play dates soccer practice day care political correctness drudgery without facts television video games constant supervision endless distractions these and other insidious trends in child rearing and education are now the hallmarks of childhood As author Anthony Esolen demonstrates in this elegantly written often wickedly funny book almost everything we are doing to children now constricts their imaginations usually to serve the ulterior motives of the constrictors Ten Ways to Destroy the Imagination of Your Child takes square aim

at these accelerating trends in a bitingly witty style reminiscent of C S Lewis while offering parents and children hopeful alternatives Esolen shows how imagination is snuffed out at practically every turn in the rearing of children almost exclusively indoors in the flattening of love to sex education and sex education to prurience and hygiene in the loss of traditional childhood games in the refusal to allow children to organize themselves into teams in the effacing of the glorious differences between the sexes in the dismissal of the power of memory which creates the worst of all possible worlds in school drudgery without even the merit of imparting facts in the strict separation of the child s world from the adult s and in the denial of the transcendent which places a low ceiling on the child s developing spirit and mind But Esolen doesn t stop at pointing out the problem he offers clear solutions as well With charming stories from his own boyhood and an assist from the master authors and thinkers of the Western tradition *Ten Ways to Destroy the Imagination of Your Child* is a welcome respite from the overwhelming banality of contemporary culture Interwoven throughout this indispensable guide to child rearing is a rich tapestry of the literature music art and thought that once enriched the lives of American children *Ten Ways to Destroy the Imagination of Your Child* confronts contemporary trends in parenting and schooling by reclaiming lost traditions This practical insightful book is essential reading for any parent who cares about the paltry thing that childhood has become and who wants to give a child something beyond the dull drone of today s culture
