**Politically Incorrect Ramblings** L. A. Stoner, 2009-09-01 SHE SAID WHAT Sex politics money religion and bodily functions the third rails of polite conversation and a goldmine of material in this hilarious politically incorrect collection of essays from a middle aged single mom having the time of her life LeeAnn Stoner is not a shock jock or pundit but she's got opinions to spare and she believes that there's no such thing as TMI too much information You want to know about hemorrhoids Check Why prostitution should be legal Check Why technology is evil Check Divided into five books Politically Incorrect Ramblings is an honest discussion of the unspoken truths that dictate life as we know it the power of sex the business of religion menopause and puberty and our slavish dedication to the maintenance of our houses lawns and careers While the rest of us look for ways to avoid saying anything potentially offensive at work at church to our neighbors and especially in public Stoner runs headlong into the big three money politics and religion And she does so with her charm and common sense still intact A delightful read **Food Energetics** Steve

Gagné, 2008-11-05 Explains how food imparts a living wisdom that is separate from the science of nutrient values Offers an approach to diet from the perspective of ancient peoples who understood how the energetic qualities of food affect both physical and spiritual health Includes a comprehensive catalog of the energetic properties of myriad foods from chicken beef and potatoes to garlic avocados zucchini and grapefruit Food is more than simply fuel It imparts a living wisdom that is beyond the science and mechanics of calories grams and nutrient values Ancient peoples through their relationships with the plants and animals providing their food understood that their food conveyed the unique energetic qualities of its source such as swiftness from wild deer and groundedness from root vegetables With the rise of agribusiness and industrial food

production people have become disconnected from the sources of their food and are no longer able to register the subtle rhythms harmony and energies that food can convey This separation has thrown the basic human food relationship out of balance to the detriment of human consciousness In Food Energetics Steve Gagn shows how to revitalize our connection to food and remedy our physical and psychic imbalances with the wisdom of food energetics He provides a comprehensive catalog of foods and their corresponding energetic properties and explains how each food affects us at the deepest spiritual level By demonstrating how to plan meals that incorporate both dominant and compliant foods he shows how to provide truly healthy cuisine that nourishes the body and the soul

Campbell, 2018-08 We are a gathering of extraordinary individuals who met under extraordinary circumstances Coming of age in a small high school in Morocco decades ago we have something unique in common and decades later it has somehow never left us We are the Sultans of Thomas Mack Wilhoite Kenitra American High School Be it the first graduating class of three Seniors in 1956 to the last Class of 1976 our experiences as students were sharply tuned to our environment We were not strangers in a strange land we were welcomed by the Moroccan people as if we were visiting relatives The sights sounds tastes and smells of Morocco were absorbed by hundreds of students no matter what span of years we were there We can all relate and laugh at similar experiences of our teenage years growing up in and around Kenitra Port Lyautey Mehdiya Beach Rabat and other nearby military bases Within this book are the memories of those days as told by the former students and teachers of our school **The Devil's Music Master** Sam H. Shirakawa, 1992-07-02 From 1922 until his death in 1954 Wilhelm Furtw ngler was the foremost cultural music figure of the German speaking world conductor of both the Berlin and Vienna Philharmonic orchestras But a cloud still hangs over his reputation despite his undeniable brilliance as a musician because of a fatal and tragic decision Wilhelm Furtw ngler remained in Germany when thousands of intellectuals and artists fled after the Nazis seized power in 1933 His decision to stay behind earned him lasting condemnation as a Nazi collaborator The Devil s Music Master Decades after his death Furtw ngler remains for many not only the greatest but also the most controversial musical personality of our time In The Devil s Music Master Sam H Shirakawa forges the first full length and comprehensive biography of Furtw ngler He surveys Furtw ngler s formative years

as a difficult but brilliant prodigy his rise to pre eminence as Germany s leading conductor and his development as a musician composer and thinker Shirakawa also reviews the rich recorded legacy Furtw ngler documented throughout his forty year career such as the legendary Tristan with Kirsten Flagstad and the famous performances of Beethoven s Ninth Symphony in 1942 and 1951 Equally important Shirakawa goes backstage and behind the lines to explore how the Nazis seized control of the arts and how Furtw ngler single handedly tried to prevent evil characters as Propaganda Minister Joseph Goebbels and Luftwaffe Chief Hermann G ring from annihilating Germany s musical life He shows how Furtw ngler far from being a toady to the Nazis stood up openly against Hitler and Himmler at enormous personal risk to salvage the musical traditions of Bach Mozart and Beethoven Shirakawa also presents moving and overwhelming evidence of Furtw ngler s astonishing efforts to save the lives of Jews and other persecuted individuals trapped in Nazi Germany only to be proscribed at the end of the war and nearly framed as a war criminal But there was more to Furtw ngler than his politics or even his music and we come to know this extraordinary man as a reluctant composer a prolific essayist and diary keeper a loyal friend a formidable enemy when crossed and an incorrigible philanderer Numerous musical luminaries share their memories of Furtw ngler to round out this vivid portrait Based on dozens of interviews and research in numerous documents letters and diaries many of them previously unpublished **The Devil s Music Master** is an in depth look at the life and times of a unique personality whose fatal flaw lay in his uncompromising belief that music and art must be kept apart from politics a conviction that transformed him into a tragic figure
