A Field Guide to the Subterranean Justin Hocking,2025-06-10 A radically inventive excavation of one man s life and our relationship to the earth by the critically acclaimed author of The Great Floodgates of the Wonderworld Justin Hocking grew up in a part of Colorado where so many things happened beneath the surface mining exploits underground nuclear testing just thirty miles from his family s home

and geothermal activity that heats one of the world's largest hot spring pools His homelife too was plagued by hidden patterns of abuse and virulent masculinity *A Field Guide to the Subterranean* charts the author's lifelong process of unearthing the past and reclaiming his own identity and connection to the natural world How might we transform our traumas into deeper care for one another and the landscapes that sustain us How do we transcend the mythos of the rugged American male so rooted in extraction and exploitation And how far can we move beyond the self in a memoir Hocking explores these and other vital questions by combining personal introspection with expansive narratives that examine geology ecology gender theory mining history labor rights and even skateboarding Abundant with historical research and teeming with birdlife and ranging in location from remote caves and mountains to secluded surf breaks in Costa Rica *A Field Guide to the Subterranean* heralds a boldly original and kaleidoscopic approach to the genres of memoir and nature writing

bythepeople.gov James M. Gilmore, 2007-11-14 Andy Cohan a computer geek fresh out of college lands a job as a virtual reality programmer at United States Satellite Television America's largest HDTV provider Learning that USS TV will provide a massive bonus to any employee who comes up with a new blockbuster reality television show and wanting to impress the co-worker who's won his heart Andy creates the reality series *By the People* *By the People* is catapulted to success with Andy's Video Ion Refractor VIR a device that intercepts video ion radiation from HDTV uses it to identify the viewer and sends the information back to USS TV's master computer The VIR then identifies whether the viewer is a registered voter Unlike the Internet VIR information cannot be hacked which means people can safely securely and conveniently vote in political elections through their TV set Beyond the show the implications for Andy's technology are mind boggling VIR could empower ordinary American citizens to take the government away from the politicians and turn it back over to the people who can keep a watchful eye on the state of the nation and vote right on the spot about what they want done What begins as one young man's simple attempt to snag a bonus and get the girl could end in Andy gaining the potentially unenviable power to control the destiny of the entire world
