*Alabama Politics in the Twenty-First Century* William H. Stewart, 2016-09-06 An expansive and accessible primer on Alabama state politics past and present which provides an in depth appreciation and understanding of the twenty second state s distinctive political machinery Why does Alabama rank so low on many of the indicators of quality of life Why did some of the most dramatic developments in the civil rights revolution of the 1960s take place in Alabama Why is it that a few interest groups seem to have the most political power in Alabama William H Stewart s Alabama Politics in the Twenty First
