## **Pop Culture Ideas For Papers:**

*The World is a Text: Writing About Visual and Popular Culture* Jonathan Silverman, Dean Rader, 2018-04-30 Wherever we look today popular culture greets us with texts that make implicit arguments this book helps students to think and write critically about these texts The World Is a Text teaches critical reading writing and argument in the context of pop culture and visual examples showing students how to read everyday objects and visual texts with basic semiotics The book shows how texts of all kinds from a painting to a university building to a pair of sneakers make complex arguments through their use of signs and symbols and shows students how to make these arguments in their own essays This new edition is rich with images real world examples writing and discussion prompts and examples of academic and student writing The first part of the book is a rhetoric covering argumentation research the writing process and adapting from high school to college writing while the second part explores writing about specific cultural topics Notes instruction and advice about research are woven into the text with research instruction closely tied to the topic being discussed New to the updated compact edition are chapters on fashion sports and nature and the environment

**Pop Culture Literacies** Mia Hood, 2025-04-30 This book illustrates how young people engage with pop culture music TV films fashion dance video games memes and digital content in its many forms and outlines lessons that support them in engaging more actively critically and strategically Part One draws on qualitative research with young people as well as close analyses of pop culture phenomena to illustrate how young people already engage with pop culture on and offline This research demonstrates that young people interpret and respond to pop culture texts in sophisticated ways and highlights the potential for supporting and challenging them to do so in ways that are even more active critical and strategic Part Two presents lessons that teach young people how to adopt intentional interpretive stances in relation to pop culture texts identify and analyze hidden layers of story in these texts and ultimately expand and refine their interpretations and responses In the final chapter s lessons young people engage in a process of developing a multimodal autoethnography a form of narrative composition that explores the connections between the personal and the cultural The book provides options for teaching these lessons as standalone lessons for enmeshing them in standards aligned humanities curricula and for teaching them in sequence as a unit of study This book is ideal for teachers who want to better understand how their students are engaging in and making sense of the pop culture texts that saturate the digital world and to help them reimagine who they are in and out of that world

*The Routledge Companion to Religion and Popular Culture* John C. Lyden, Eric Michael Mazur, 2015-03-27 Religion and popular culture is a fast growing field that spans a variety of disciplines This volume offers the first real survey of the field to date and provides a guide for the work of future scholars It explores key issues of definition and of methodology religious encounters with popular culture across media material culture and space ranging from videogames and social networks to cooking and kitsch architecture and national monuments representations of religious traditions in the media and popular culture including important non

Western spheres such as Bollywood This Companion will serve as an enjoyable and informative resource for students and a stimulus to future scholarly work *Rock Music in American Popular Culture III* Frank Hoffmann, B Lee Cooper, Wayne S Haney, 2014-02-04 Rock Music in American Popular Culture III More Rock n Roll Resources explores the fascinating world of rock music and examines how this medium functions as an expression of cultural and social identity This nostalgic guide explores the meanings and messages behind some of the most popular rock n roll songs that captured the American spirit mirrored society and reflected events in our history Arranged by themes Rock Music in American Popular Culture III examines a variety of social and cultural topics with related songs such as sex and censorship Only the Good Die Young by Billy Joel and Night Moves by Bob Seger and The Silver Bullet Band holiday songs Rockin Around the Christmas Tree by Brenda Lee and The Christmas Song by Nat King Cole death Leader of the Pack by The Shangri Las and The Unknown Soldier by The Doors foolish behavior When a Man Loves a Woman by Percy Sledge and What Kind of Fool by Barbra Streisand and Barry Gibb jobs and the workplace Don t Stand So Close to Me by The Police and Dirty Laundry by Don Henley military involvements Boogie Woogie Bugle Boy by the Andrews Sisters and War by Edwin Starr novelty recordings The Purple People Eater by Sheb Wooley and Eat It by Weird Al Yankovic letters and postal images P S I Love You by The Beatles and Return to Sender by Elvis Presely In addition a discography and a bibliography after each section give further examples of the themes and resources being discussed as do extensive lists of print references at the end of the text

**Communication, Digital Media, and Popular Culture in Korea** Dal Yong Jin, Nojin Kwak, 2018-05-16 In recent decades Korean communication and media have substantially grown to become some of the most significant segments of Korean society Since the early 1990s Korea has experienced several distinctive changes in its politics economy and technology which are directly related to the development of local media and culture Korea has greatly developed several cutting edge technologies such as smartphones video games and mobile instant messengers to become the most networked society throughout the world As the Korean Wave exemplifies the once small and peripheral Korea has also created several unique local popular cultures including television programs movies and popular music known as K pop and these products have penetrated many parts of the world As Korean media and popular culture have rapidly grown the number of media scholars and topics covering these areas in academic discourses has increased These scholars interests have expanded from traditional media such as Korean journalism and cinema to several new cutting edge areas like digital technologies health communication and LGBT related issues In celebrating the Korean American Communication Association s fortieth anniversary in 2018 this book documents and historicizes the growth of growing scholarship in the realm of Korean media and communication *Latin American Popular Culture* Elia Geoffrey Kantaris, Rory O'Bryen, 2013 Explores a wide range of cultural phenomena to examine both national symbolic orders and national global tensions resulting from a climate of conflicting economic and political ideologies **The Bloomsbury Handbook of Popular Music and Youth Culture** Andy

Bennett,2022-12-29 The Bloomsbury Handbook of Popular Music and Youth Culture provides a comprehensive and fully up to date overview of key themes and debates relating to the academic study of popular music and youth culture While this is a highly popular and rapidly expanding field of research there currently exists no single source reference book for those interested in this topic The handbook is comprised of 32 original chapters written by leading authors in the field of popular music and youth culture and covers a range of topics including theory method historical perspectives genre audience media globalization ageing and generation      Pop Culture Matters Martin F. Norden,Robert E. Weir,2019-03-05 We immerse ourselves daily in expressions of popular culture YouTube videos hip hop music movies adverts greeting cards videogames and comics to name just a few possibilities and far too often we pay only scant critical attention to them The essays in this collection redress this situation by probing a wide range of topics within the field of popular culture studies Written in engaging and jargon free prose contributions critically examine various offerings in film television social media music literature sports and related areas Moreover they often pay special attention to the ways in which these pop culture artefacts intersect with issues of race ethnicity gender sexual orientation age and ability Providing a rich mixture of broad perspectives and intriguing case studies the essays form a compelling mosaic of findings and viewpoints on popular culture Exploring everything from toxic masculinity in twenty first century television programmes to gendered greeting cards and adult colouring books this provocative volume is essential reading for anyone interested in that fabricated and all pervasive environment we call popular culture      *Educating through Popular Culture* Edward Janak,Ludovic A. Sourdut,2017-03-01 This edited volume serves as a place for teachers and scholars to begin seeking ways in which popular culture has been effectively tapped for research and teaching purposes around the country The contents of the book came together in a way that allowed for a detailed examination of teaching with popular culture on many levels The first part allows teachers in PreK 12 schools the opportunity to share their successful practices The second part affords the same opportunity to teachers in community colleges and university settings The third part shows the impact of US popular culture in classrooms around the world The fourth part closes the loop to some extent showing how universities can prepare teachers to use popular culture with their future PreK 12 students The final part of the book allows researchers to discuss the impact popular culture plays in their work It also seeks to address a shortcoming in the field while there are outlets to publish studies of popular culture and outlets to publish pedagogical practitioner pieces there is no outlet to publish practitioner pieces on studying popular culture in spite of the increased popularity and legitimacy of the field      *Lied und populäre Kultur Song and Popular Culture* Max Matter, Nils Grosch (Hrsg.),      Law and Popular Culture Michael Asimow,Kathryn Brown,David Papke,2014-06-12 Commentators have noted the extraordinary impact of popular culture on legal practice courtroom proceedings police departments and government as a whole and it is no exaggeration to say that most people derive their basic understanding of law from cultural products Movies television programs fiction children s literature online games and the mass media typically

influence attitudes and impressions regarding law and legal institutions more than law and legal institutions themselves Law and Popular Culture International Perspectives enhances the appreciation of the interaction between popular culture and law by underscoring this interaction s multinational and international features Two dozen authors from nine countries invite readers to consider the role of law related popular culture in a broad range of nations socio political contexts and educational environments Even more importantly selected contributors explore the global transmission and reception of law related cultural products and in particular the influence of assorted works and media across national borders and cultural boundaries The circulation and consumption of law related popular culture are increasing as channels of mass media become more complex and as globalization runs its uncertain course Law and Popular Culture International Perspectives adds to the critical understanding of the worldwide interaction of popular culture and law and encourages reflection on the wider implications of this mutual influence across both time and geography

**Bulletin** Tennessee Folklore Society,1974 Includes music unaccompanied melodies

*Critical Passages* Kristin Dombek,Scott Herndon,2004 This practical handbook examines the gap between high school and college level writing instruction providing teachers with guidance for helping their students make the transition including strategies for dealing with the many challenges of the writing classroom

**Popular Culture and the Austerity Myth** Pete Bennett,Julian McDougall,2016-10-14 Contemporary popular culture is engaged in a rich and multi levelled set of representational relations with austerity This volume seeks to explore these relations to ask how does popular culture give expression to austerity how are its effects conveyed how do texts reproduce and expose its mythic qualities It provides a reading of cultural texts in circulation in the present age of austerity Through its central focus popular culture it considers the impact and influence of austerity across media and textual categories The collection presents a theoretical deconstruction of popular culture s reproduction of and response to mythical expressions of austerity in Western culture spanning the United Kingdom North America Europe and the Middle East and textual events from political media discourse music videogames social media film television journalism folk art food protest movements slow media and the practice of austerity in everyday life

**Dress and Popular Culture** Patricia Anne Cunningham,Susan Voso Lab,1991 The subjects of the essays in this book range from looking at the ever changing means of specific garments and clothing practices of subcultural groups to examining dress as a reflection of changing life styles in American culture The essays also examine fashions fads and popular images Dress and Popular Culture hopes to shed new light on popular culture through a study of the associations of dress to culture

**Poverty in American Popular Culture** Wylie Lenz,2020-08-17 In 1964 President Lyndon Johnson declared an unconditional war on poverty in the form of sweeping federal programs to assist millions of Americans Two decades later President Reagan drastically cut such programs claiming that welfare encouraged dependency and famously quipping Some years ago the federal government declared war on poverty and poverty won These opposing policy positions and the ideologies informing them have been well studied Here the focus turns to the influence of popular art

and entertainment on beliefs about poverty's causes and potential cures. These new essays interrogate the representation of poverty in film, television, music, photography, painting, illustration, and other art forms from the late 19th century to the present. They map when, how, and why producers of popular culture represent or ignore poverty and what assumptions their works make and encourage.

**Reading Popular Culture in Victorian Print** A. Gabriele, 2009-10-26 *Reading Popular Culture in Victorian Print* Belgravia and Sensationalism is a comprehensive study of the whole run of the monthly periodical Belgravia under the direction of Mary Elizabeth Braddon. It traces the material history of the magazine, its production and global distribution, while at the same time placing its history and content in the context of Victorian popular culture and Victorian discursive formations. Among the questions *Reading Popular Culture in Victorian Print* investigates are the status of authors in the marketplace, the innovative place Belgravia holds in the history of print culture, the rhetoric of sensationalism in fiction, journalism, and pre-cinema, the representation of trade with India, and the use of urban space as a branding strategy. It makes the claim that the periodical is the sensation novel of the 1860s.

**Organizations and Popular Culture** Carl Rhodes, Simon Lilley, 2013-09-13 Throughout its history, popular mass-mediated culture has turned its attention to representing and interrogating organizational life. As early as Charlie Chaplin's cinematic classic *Modern Times* and as recently as the primetime television hit *The Simpsons*, we see cultural products that engage reflexively in coming to terms with the meaning of work, technology, and workplace relations. It is only since the late 1990s, however, that those who research management and organizations have come to collectively dwell on the relationship between organizations and popular culture, a relationship where the cultural meanings of work are articulated in popular culture and where popular culture challenges taken-for-granted knowledge about the structure and practice of work. Key to this development has been the journal *Culture and Organization*, a journal that has been centre stage in creating new vistas through which the cultural studies of organization can be explored. This book brings together the journal's best contributions, which specifically address how popular culture represents, informs, and potentially transforms organizational practice. Featuring contributors from the UK, USA, Europe, and Australia, this exciting anthology provides a comprehensive review of research in organization and popular culture.

**Science on Screen and Paper** Mariana Ivanova, Juliane Scholz, 2024-08-01 During the Cold War, scientific discoveries were adapted and critiqued in many different forms of media across a divided Europe. Now, more than 30 years since the end of the Cold War, *Science on Screen and Paper* explores the intersections between scientific research and media by drawing from media history, film studies, and the history of science. From public relations material to educational and science films, from children's magazines to television broadcasts, the contributions in this collected volume seek to embrace medial differences and focus on intersectional themes and strategies for the representation of science.

**American Popular Culture** Seymour Leventman, 2008-12-18 American pop culture is no longer merely popular. It has penetrated to such deep, lying cultural and social structures that persons dream and fantasize in pop-cultural terms. It is the new reality which

increasingly measures all else in the social world The present volume consists of original essays written expressly for the 2005 Conference of the American Pop Culture Association They fall under three headings of the Association's lead History of Pop Culture contains papers of a distinct historical dimension pointing out that although pop culture may become an autonomous force it exists in a context of space and time The Teaching of Pop Culture is critical because American pop culture has become so ubiquitous classroom educators use it to present other unrelated materials e g from history economics politics and sociology Not even high culture such as Classic Literature is immune to pop culture treatment Utilizing classic literature performs a double function of popularizing high culture while also paying homage to it The authors of these papers are research scholars and academic teachers who have spent their careers communicating to students with great skill and dedication the great ideas and concepts of popular as well as unpopular culture The book contains important insights into that complex maddening phenomenon American popular culture Scholars educators and general non fiction readers will find much enlightening material Most people associate pop culture with movies music and TV shows Yet this volume suggests that in modern society pop culture ultimately absorbs almost every facet of the collective life as to become generic and ever present Literature for example whether American Japanese or Italian may lose their cultural distinctiveness and writers may forget their bibliographic ties A literary agent defending her client on charges of alleged plagiarism commented As a former teenager myself I recall that spongelike ability to take popular culture and incorporate it into your own lexicon As this volume implies pop culture has both uplifting and downgrading possibilities Levantman has assembled a varied and fascinating collection of original and imaginative investigations into the pop culture every American knows and loves or hates It's exciting reading and covers all the bases Howard Becker Author of Art Worlds and Outsiders
