

FINANCIAL ADVISOR INTRODUCTION LETTER TO CLIENT

Dear [Supervisor's Name],

I trust this letter finds you well. I am writing to discuss a matter that is of great importance to me and, I believe, to my continued contribution to [Your Company's Name]. I have thoroughly enjoyed my time here and take pride in the work we've accomplished together.

Over the past [time period], I have dedicated myself to [specific achievements and responsibilities]. I am grateful for the opportunities provided and the support from the team. However, considering my commitment and the evolving responsibilities, I am seeking a salary adjustment.

Market trends and the increased scope of my role lead me to believe that an adjustment would be a fair reflection of my contributions. I have conducted research, and the industry standard for my position is [provide relevant data]. Therefore, I kindly request a salary increase to align with these benchmarks.

I am open to discussing this matter further and would appreciate the opportunity to meet at your earliest convenience. I believe that this adjustment will not only recognize my dedication but also motivate me to contribute more effectively to the success of [Your Company's Name].

Thank you for your time and consideration. I look forward to discussing this matter further.

Sincerely,
[Your Full Name]

Pennsylvania CPA Journal Pennsylvania Institute of Certified Public Accountants,1996 **Bankruptcy and Insolvency Accounting, Volume 1** Grant W. Newton,2009-12-02 Accountants and financial managers are often the first professionals to realize that a financial problem exists within a corporation but must be familiar with the various alternatives available to clients before they can offer solutions Completely updated Bankruptcy and Insolvency Accounting Seventh Edition Volume 1 provides detailed information on SOP 90 7 and FASB statements 141 142 and 144 and revisions made in CSSR 93 1 by CSSR 03 1 The process of corporate restructuring is thoroughly described for controllers CEOs CFOs and CPAs with small businesses as clients The Successful California Accountant ,2001 **The Power of Practice Management** Matt Matrisian,2013-01-17 How do you build a financial advisory business in today s competitive and often saturated markets How can you break through the clutter and develop strong and lasting client relationships We believe it can be done by harnessing the power of practice management The Power of Practice Management shows you the how why and what of taking your business to the next level introducing you to best practices and the thinking behind actions of some of the industry s top quartile firms Author Matt Matrisian leads you on a journey filled with intriguing ideas and bottom line lessons that teach you how to work on your business not just in it Whether you re the head of a large advisory firm part of a small practice or just starting out you will discover a roadmap for turning your good business into a better one The author also addresses Making business strategy and planning part of your defined game plan Transforming your firm s vision and goals to build your business Capitalizing on referral sources and centers of influence Your personal brand as a product of intuitive thinking And much more The Power of Practice Management teaches you how to channel the strength of your business and connect it to your clients experiences The results unlock the secrets to driving customer loyalty referral revenue and business prosperity In the process you ll also enhance your personal brand allowing you the opportunity for business prosperity **The Accountants Digest** ,1975 *New York Magazine* ,1982-01-25 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea A Better Way Monroe M. Diefendorf Jr.,2013-11-20 A purposeful trust is an attractive alternative to a traditional trust and an effective mechanism to perpetuate values rather than money and property Purposeful planning is the process of capturing and preserving your intangible assets and values your personal and social wealth Unlike a traditional trust a purposeful trust does not focus solely on the transfer of financial wealth and it avoids many of the common problems in a typical transfer of wealth between generations This book shows how to split assets in a new way that protects and preserves them It outlines what a purposeful trust is and shows you exactly how to create one

It dispels many of the myths and misconceptions surrounding purposeful trusts. It gives you information on domicile selection costs and fees, the key components of a purposeful trust, and how to plan for and implement a purposeful trust. **The Accountant As Business Advisor** William K. Grollman, 1986-05-13 A professional guide for accountants examining their expanding role as business and financial advisors. Chapters contributed by leading specialists explore the new opportunities open to accountants in such areas as management accounting, tax accounting, cost accounting, and internal auditing. Features useful ideas for CPA firms seeking to broaden their services in an increasingly competitive environment and for corporate accountants who want to improve their effectiveness in the organization. **Black Enterprise**, 1988-01 BLACK ENTERPRISE is the ultimate source for wealth creation for African American professionals, entrepreneurs, and corporate executives. Every month BLACK ENTERPRISE delivers timely useful information on careers, small business, and personal finance. **Introduction to Online Accounting & Financial Research** Susan Klopfer, 2004 Introduction to Online Accounting and Financial Research offers thorough coverage of effective online research practices for the financial manager. This volume begins by helping readers gain a solid understanding of the basics of conducting accounting and financial research, including technical standards, terminology, and the context in which this information is used. The steps for defining the research problem, selecting the best sources, and developing search strategies that match the information's application are then discussed and evaluated. This reference guide also discusses recommended sources, free vs. for-pay options, and the critical issues of reliability and reputability. Like all the titles in the Business Research Series, this book is conveniently divided into four sections containing a number of business research applications that can be used for both in-house research, training, and reference. Internet research can be quick, easy, and abundant, but also challenging. Research sites sometimes come and go, and sources can be questionable. The Business Research Solutions Series provides comprehensive business and financial research reference guides and online training manuals to bridge a major gap in the field of online research methodology. This resourceful and innovative series of reference guides teaches readers how to approach a research problem, how to select the best online sources, and how to effectively use these sources. It also suggests alternate, low-cost solutions for many standard questions and problems. A must-have for professionals involved in corporate research, these invaluable tools provide step-by-step advice on how to analyze, interpret, and present data for informed decision making. Black Enterprise, 1988-01 BLACK ENTERPRISE is the ultimate source for wealth creation for African American professionals, entrepreneurs, and corporate executives. Every month BLACK ENTERPRISE delivers timely useful information on careers, small business, and personal finance. **Planned Giving** Ronald R. Jordan, Katelyn L.
