

PLEASE DETACH AND KEEP THIS
LETTER FOR YOUR INFORMATION

Dear Parent or Guardian

Teenage Booster School Based Vaccination Programme

This year we are offering Tetanus / Diphtheria / Polio and Meningitis ACWY (Teenage Booster) to pupils in Year 9 in your child's school.

These booster vaccinations are important for ensuring protection against all of the above serious, disabling and potentially fatal diseases. Protection continues into adult life. These vaccinations are now given in school to improve access for young people, as they have previously only been offered through GP Practices.

On the back of this letter, there is some useful information for you and your child about the vaccines and the diseases they protect against. More information is available on the NHS Choices website www.nhs.uk. You can also contact the Immunisation Team (numbers below) or your School Nurse for more information.

Please complete the attached form, detach from this letter and return to your child's school in the next seven days.

Before signing the consent form, please can we ask that you advise us if your child has had any of the vaccinations listed; on the front of the consent form; in the **last 5 years**. This includes if the vaccinations were given for the purpose of travelling or following an accident, to enable us to assess whether these vaccinations are needed. They may be recorded in their Red Book (Personal Child Health Record). It is important that you share this information with us.

Please take this opportunity to check that your child is up-to-date with all their vaccinations. You can check with your GP Practice or on www.nhs.uk for the vaccination schedule.

Dates of Immunisation sessions in schools will be listed on the Sussex Community NHS Foundation Trust website. If your child misses the immunisation session in school, these vaccinations will still be available through catch-up clinics that the Immunisation Team organises.

We hope that the information provided helps you and your child make a positive decision about the vaccinations and the protection they offer.

Yours sincerely

Rosanna Raven
