Nigeria Revisited My Life And Loves Abroad:

Nigeria Revisited Catherine Onyemelukwe, 2014 The Nigerian people hold strong ties to their families clans tribes and country and it doesn't take long for foreign residents to feel the same bond So in 1962 when twenty one year old Catherine Onyemelukwe launches her two year adventure with the brand new Peace Corps she has no idea what the African country has in store Catherine's heartfelt memoir revisits her two years overseas that become twenty four during which her experiences brim with friendships students travels around the country and love It recalls how her future Nigerian husband contrives to meet her their falling for each other and their controversial wedding that becomes world news and a spread in Life Magazine It is also a deep look into the coups and wars that leave their family without electricity and running water as they struggle to keep their children safe and healthy When it becomes too much they flee to the United States only to be greeted with scorn for their mixed race children This story of adapting to cultures taking risks surviving and embracing differences will inspire the reader to venture beyond perceived horizons and see the world in a whole new light Surviving Biafra S. Elizabeth Bird, Rosina Umelo, 2018-11-15 In 1961 Rosina Rose Martin married John Umelo a young Nigerian she met on a London Tube station platform eventually moving to Nigeria with him and their children As Rose taught Classics in Enugu they found themselves caught up in Nigeria's Civil War which followed the 1967 secession of Eastern Nigeria now named Biafra The family fled to John's ancestral village then moved from place to place as the war closed in When it ended in 1970 up to 2 million had died most from starvation Rose worse off than some better off than many had kept notes capturing the reality of living in Biafra from excitement in the beginning to despair towards the end Immediately after the war Rose turned her notes into a narrative that described the ingenious ways Biafrans made do still hoping for victory while their territory shrank and children starved by the thousand Now anthropologist S Elizabeth Bird contextualizes Rose's story providing background on the progress of the war and international reaction to it Edited and annotated Rose's vivid account of life as a Biafran Nigerwife offers a fresh new look at hope and survival through a brutal war Though One Go with Me Barry Blackstone, 2010-06-01 Though One Go With Me is the sequel to Pastor Blackstone's first book Though None Go With Me which retraces the steps of a Maine pastor back to the fabled land of India This time the one is the pastor's daughter Marnie Travel along as Blackstone introduces his daughter to her first taste of hot spicy foods an auto cart ride playing with elephants and traditional Malayalam dress Once again journey through the State of Kerala on a Sunday Safari into the tea mountains of India take a sunset stroll along the sands of Kovalam Beach and enjoy the uniqueness of wearing a pepper necklace around your neck and eating with your fingers Witness and wonder as Marnie drinks coconut milk straight from the shell goes on a shopping spree for a beautiful sari enjoys the smell of a jasmine and rose myla and experiences the G Mart India's version of Wal Mart The purpose of this second trip to Edyappara was to be graduation speaker at Kerala Baptist Bible College where the pastor had taught for 40 days on his first trip and to deliver a half a million rupees to a small
