NIGHT

Chapter 2

Eliezer was in the kitchen when he saw the prisoners who were to be sent to the gas chambers. They were all young, strong, and full of life. They were laughing and talking to each other. Eliezer felt a sense of hope and joy. He felt that they were going to survive. He felt that they were going to live. He felt that they were going to be free. He felt that they were going to be happy. He felt that they were going to be loved. He felt that they were going to be remembered.
