**35 Years 1983-2018: A History in Cover Art** Shawn M. Tomlinson,2018-12-16 It has been a long strange road and probably has no end clearly in sight Many more books are in the works as I write this in early December 2018 For example I have published nine novels to date and am writing nine more with plans for some beyond that The Shawn M Tomlinson s Guide to Photography series has 29 titles in print with another five or six nearly complete and plans for 30 to 40 more I m also trying to rework and rearrange those books into omnibus editions by chronology and by theme I never will get every book done I want to do but it keeps me busy I always planned on putting out a catalog of all the Zirlinson Books but kept getting waylaid for one reason or another until now This catalog is available as a print book in color The color print book will be cost prohibitive for many people so there likely will be a black and white version available too      **Popular Photography**

Nilsen,2018-03-08 Since Five Easy Pieces was already taken as a title I guess Short Rounds will have to do Also it seems appropriate that as of this writing I have five published books in print These five short stories can serve as a complementary addendum to those five books I also include a short spiritual memoir titled Faith Came Easy and two previously unpublished poems I will try to let the short fiction speak for itself but I should add that it is as eclectic as I can make it There is mystery science fiction scene portraiture and even an attempt at horror So here goes Some quick reads and I hope interesting pieces They pretty much all stand alone except possibly Inside Out which utilizes the main character from my Adirondack Mystery series Hallow Johnson The other stories are all orphans in character and the fact that this is the first time they have seen the light of day in publication      *Popular Photography* ,1993-10      **American**
