*Bizarre Laws & Curious Customs of the UK* Monty Lord, 2023-05-10 A curious comical and highly entertaining read full of eccentric laws and customs that have led to our rich legal heritage Lubna Shuja President of The Law Society of England and Wales In the UK we have some bizarre laws that have littered the statute books of our sceptred isle throughout history Not all of them have been repealed over the centuries Some of them made perfect sense at the time they were introduced but seen through modern eyes now appear archaic and draconian Despite the great efforts of the Law Commission in England and Wales to review and recommend reforms for many of these outdated laws there are centuries of law that must be painstakingly gone through As well as some bizarre laws the UK also has its fair share of curious customs and time honoured traditions that have been observed for centuries On the surface many appear to be nothing more than theatrical pomp and

pageantry However they are all born from strong rationale The UK parliament seems to have had a particular penchant for passing laws related to fish and animals indecency and passing sentences with some humiliating public punishments This book is a highly entertaining read for anyone who enjoys learning about the more bizarre applications of UK law throughout the centuries along with some rather macabre consequences along the way Have you ever heard a bizarre law and thought that can't possibly be true Is it genuine Was it ever in existence or just an urban myth that became so embellished over time There are surprisingly a great many laws still in existence on the statute books today that would make your jaw drop Whilst bizarre as these laws may now seem to us it begs the question are we in fact unknowingly breaking these laws on a regular basis For example Is it illegal to own a pet whale but not a tiger Was it illegal for women to argue quarrel Is it legal to carry a ladder along a street Were mince pies once illegal Who owns your passport all these questions and more will be answered in this Volume 2 of a 3 volume series by Monty Lord Reading this book you may be inclined to laugh heartily let out a sorrowful cry or recoil in abject horror at some of the more gruesome sentences passed for breaking these weird laws With over 160 bizarre but nevertheless true laws and customs you can use this book to satisfy your curiosity about what our ancestors had to contend with over the years or perhaps as a reference guide for trivia quizzes Motoring World Delhi Press

**Monte Carlo For Vagabonds** R.A. Dalkey, When R A Dalkey travels cheap he thinks bigger than hostel dorms overnight trains and pasta with tomato sauce for every meal He'll roll out his sleeping bag in Madrid's red light district nap on the streets of Monaco and furtively string up his hammock on Swiss farms He'll spontaneously teach English in Laos in exchange for rice He'll thumb ride anywhere from Timor to the Orange Free State He'll try smiling a lot and see where it takes him Most of the time it's somewhere good As this collection of stories will reveal it doesn't always go smoothly Indonesian bush fires chase him from his campsite His shoes freeze solid in Siberia He gets head butted by an Albanian villager He's shaken by earthquakes and terrified by witching hour excavations in Andorran valleys And incompetent as ever with ropes his hammock has a habit of falling down in the middle of the night with him in it Yet he wouldn't have it any other way travelling

Dalkey style delivers the richest of experiences And as he shares the adventures few of us would brave you ll pick up gems about this crazy planet Do you know which head of state was an Olympic bobsleigh competitor Or how long your unattended bag will go untouched in Japan Who s eating all the ice cream in Pyongyang And how do cats jump in Swedish Like that uncle with the rose tinted specs and a grumpy anarchist student rolled into one Dalkey turns up his nose at travel insurance and shows there s more than one way to see a world that always steers us to play it safe **Motoring World 2018** Delhi Press
