Anniversary of the Vermont Baptist Convention* ,1912 **Making Waves Anniversary Volume** Ann Davies,Parvathi Kumaraswami,Claire Williams,2021-02-10 Gender and women's studies have formed part of the academic landscape for many years but while the field is now established enough to have developed in depth and perspectives there remain many areas of significance yet to be explored most significantly much of the work carried out has remained rooted in the Anglo American context Those working outside this context are increasingly aware of the need to understand women in different cultural contexts in order to determine whether to what extent and how representations of women and cultural contexts are interactive and dynamic concepts The current volume contributes to the growing interest in the field of women and culture in the Hispanic and Lusophone worlds and shows how women writers researchers teachers and students have always made waves to counteract the complacency prejudice and tradition that threatens to ignore or subsume them The volume draws on literary study the starting point for much of the early work on gender in Spain the Lusophone world and Latin America but also goes beyond it to discuss women's interaction not only with literature but also with art and language itself in the Hispanic and Lusophone contexts It acts as a showcase for contemporary scholarship undertaken in Hispanic and Lusophone gender studies developing earlier insights

and forging new ones to refine the debate continuing in the subject The contributors include both established scholars with a proven track record and promising newcomers to the field The volume arises from the individual research projects and sustained discussions of Women in Spanish Portuguese and Latin American Studies WiSPs an organisation that exists to promote scholarship by and about women in the field of Iberian Lusophone and Latin American Studies This volume celebrates the first seven years of WiSPs s life and presents some of the research presented under its auspices at annual conferences and study days *Herald and Presbyter* ,1907 **Renewal and Reflection: Rosh Hashanah, A Time for Celebration and New Beginnings** Whitney Day, Join us in this beautifully illustrated book as we explore the significance of Rosh Hashanah the Jewish New Year Discover the traditions customs and rituals that make this holiday so special and meaningful for Jewish communities around the world From the blowing of the shofar to the tasting of symbolic foods get a glimpse into the rich history and spiritual practices that mark the beginning of the High Holy Days Learn about the themes of repentance and forgiveness that are central to Rosh Hashanah as well as the prayers and blessings that are recited during this time of reflection and introspection Delve into the symbolism behind the round challah and the sweet taste of honey and understand how these items represent hope for a sweet and plentiful New Year ahead Through stories and anecdotes from various Jewish families and communities witness the joy and excitement that surrounds Rosh Hashanah celebrations From festive meals with family and friends to visits to the synagogue for worship services experience the sense of unity and belonging that comes with observing this sacred holiday together Reflect on the idea of renewal and new beginnings that Rosh Hashanah embodies and be inspired to make positive changes in your own life as you welcome the arrival of the Jewish New Year Gain insight into the deeper spiritual meanings behind the rituals and customs and discover how you can incorporate these teachings into your own journey of self improvement and growth This book is a wonderful resource for both those new to the traditions of Rosh Hashanah and for those looking to deepen their understanding and connection to this important holiday Whether you are Jewish or simply interested in learning more about different cultural celebrations Renewal and Reflection Rosh Hashanah offers a rich and insightful exploration of a time honored and cherished tradition
